Perfect Womanhood. Perfect womanhood depends on perfect health. Beauty and a good disposition both vanish before pain and suffering. A great menace to a woman's happiness in life is the suffering that comes from some functional derangement which soon develops head aches, backaches, nervousness and 'the blues.' For such suffering women find help in that famous old root and herb remedy, Lydia E. Pinkham's Vegetable Compound, which for three generations has been restoring health to women of America.
