HOPING TO CHECK SPREAD OF NEW BEDFORD STRIKE

20,000 Mill Hands Out and Two Factories Closed

DEMAND WAGE INCREASE

Union Officials Admit Move at New Bedford is Beginning of General New England Walkout.

Boston, May 3.—Strong efforts are being made to check the strike of 20,000 mill hands in New Bedford before it spreads all over New England.

The demand for a wage increase of 17 1/2 per cent. is made by the United Textile Workers of America, while the 50 per cent demand is from the Amalgamated Textile Workers of America.

The State Board of Conciliation and Arbitration offered today to act as arbitrator, suggesting that if the workers and mill officials agree to a mediator, the operatives return to work pending a decision.

It is admitted that the New Bedford strike is the first blow in an all New England walkout which eventually may make idle 100,000 workers.

Abraham Binns, president of the Textile Council, speaking of the first day's results in New Bedford, said: "As far as the weavers are concerned we are well satisfied with the situation. I was at the North End and in the Taber, Nield, Pierce and New Bedford cotton mills. I should say about a dozen weavers went to work."

PAINTER AND PAPER HANGER Only First Class Work. Address—Park Street Extension Bennington, Vt.

Vermont State Library 205 Main Hall Montpelier, Vt. Smoker This Evening by Bennington Athletic Club.

The Bennington Athletic Club has arranged a smoker to be held at Union hall at 8:30 this evening and has selected an excellent card for the event. Young Nelson of Adams is matched to meet Ruby Cohen of Albany in the main bout. Cohen has acquired something of a reputation in his class with the boxing fans in and around Albany and should be able to make Nelson travel for the ten rounds. Nelson has boxed in Bennington. He was recently matched with Hooks Sol of Albany but the fans were not given much of an opportunity to size up the Adams boy as the bout ended quickly because of an injury to the Albany boxer. Last Tuesday night Nelson was matched with Soldier Gibbons of Bennington at No. 3 Adams but this bout went only two rounds. Nelson was given the decision but Bennington fans who attended the exhibition declare that Gibbons was forced to quit because of a body blow below the waistline. No protest was made, however, as the referee did not see the blow that stopped Gibbons.

Kid Ames of North Adams, who has appeared here twice recently in bouts with Spider Kelley of Bennington, is matched to meet Young Spencer of Troy in the semi-final. The preliminary will be provided by local talent.

CLEAN OUT YOUR SYSTEM BEFORE SUMMER COMES

Everyone Needs a Good Tonic and Stomach Remedy Now to Get Rid of Poisons in Body.

Winter is past and now the time has come when everyone, man, woman, boy or girl, should clean out his or her system and get rid of the poisons that accumulate in the body during the winter. There is poison in your body! There must be! In the warm weather, the poisons are excluded from the body through the pores in the form of perspiration. In the winter, with the warm heavy, binding clothing that we wear the skin has no chance to throw out these poisons and they are retained in the body where they are at liberty to do unlimited harm.

This is the time to get rid of all this poison and to make your body fresh, clean and healthy. If you feel lazy, don't feel like getting up in the morning, have that tired feeling generally called "spring sickness," or act or feel morbid, without ambition or desire for anything, you can place the blame on the filled-up, poisoned condition of your body.

There is one remedy that will clean out your system, re-build and strengthen the muscles and tissues of your body which were weakened by little use and lack of exercise, and give you the use and lack of air during the cold months. That remedy is Goldine No. 1 Tonic and Stomach Remedy. It will help your system get rid of the poison that is in your body, and do away with that tired feeling by strengthening you and cleansing your blood.

Don't think that because you feel "pretty good," and you're eating a lot, that you don't need a tonic and system cleanser at this time. Everyone who matters who is should take Goldine No. 1 every spring. Probably one bottle is all that will be needed for the medicine is a good, pure, constant remedy. The source of all medicines, in fact the only medicines ever used up to a few centuries ago, were herbs and it is of herbs that Goldine is made. Good, healing, strength-giving herbs, roots and barks from all over the world, each tested and found capable of doing its share in straightening out the system and getting rid of disease.

Thousands and thousands have used Goldine remedy and told us how they were helped. Mothers keep Goldine in the house for the children. Husbands bring it home to their wives. Good ladies and bankers, young people and old people use Goldine, knowing that they are using a 100 per cent pure medicine. Just look its name. Pure as Gold, every drop. You can get Goldine in Bennington at W. L. Gokay's Drug Store.

REVOLUTIONISTS CAPTURE JUAREZ WITHOUT A FIGHT

Movement Against Carranza Government Makes Progress

PRESIDENT LOSING GROUND

Rebels Have Now Taken From Him Without a Battle Nearly Half of the Country.

The Republican state committee, has issued a call for the Republican state convention to be held at Montpelier, Wednesday, May 26, at 10 o'clock in the forenoon to elect eight delegates and eight alternates to the Republican national convention to be held in Chicago, on June 8.

Cities and towns will be represented in convention by delegates elected on the basis of one delegate for each city and town and one additional delegate for each 100 votes and each fraction of 100 votes exceeding 50 cast for the Republican candidate for governor at the state election in 1916.

May 15 is designated as the date for the holding of the caucuses for the election of delegates to said convention. Caucuses must be called by the Republican committee of each city and town and notice of the time and place of such caucuses should be posted not later than May 10. Delegates elected at such caucuses should provide themselves with proper credentials duly attested by the chairman and secretary of the respective caucus at which they were elected, and present the same to the Republican state committee (which is constituted the committee on credentials) at its headquarters at the Pavilion Hotel immediately on their arrival at Montpelier to attend the convention. A duplicate copy of the credentials should be mailed to the secretary of the state committee at Bennington, Vermont, immediately after holding of the caucus in order to aid in expediting the work of making up the roll of the convention.

Owing to the fact that an account of the new primary law here will probably be no caucuses held this year after those provided for in this call, town and city committees should be elected at these caucuses to be held on May 15, such committees to take office immediately upon their election. The names of committees elected should be returned to the secretary of the Republican state committee, Bennington, immediately after the caucuses, careful attention to these details of making returns as to committees and delegates elected will greatly assist the state committee in its work and will enable the state committee to perfect a campaign organization in season to be of real benefit.

While the caucuses hereby provided for, as in the past, will be self-enforcing bodies, the judgment and recommendation of the state committee to any voter who intends to vote and act with the Republican party at the approaching November election should be invited and permitted to participate in the caucuses. The members of the state committee are: John E. Piddock, Chairman; Bellows Falls, Collins M. Graves, secretary, Bennington; Maurice E. Dewey, treasurer, Montpelier; Millard E. Barnes, Chimney Point; Harry H. Carr, St. Johnsbury; Guy M. Page, Burlington; Harry B. Ames, Island Pond; Harold F. Fairchild, Fairfield; John Robinson, South Hero; Smith W. Wate, Hyde Park; John C. Sherman, Randolph; T. B. O'Rourke, Derby Line; Leonard F. Wing, Rutland; Alfred E. Watson, Hartford.

Total 672 Necessary for choice 337 Bennington is entitled to 12 delegates in the convention.

MAJORITY STAYED AT POSTS

Making It Possible for Essential Public Service to Continue.

Paris, May 3.—At a meeting of the cabinet under the presidency of Premier Millerand this morning, Yves Le Troquer, minister of public works, told the ministers that all the essential public services had easily been kept functioning because the majority of the employees had remained at their posts. Volunteers on the railroads and in the yards and ports, M. Le Troquer added, had assisted.

Julius Steeg, minister of the interior, reported on the events of May day, which he dismissed as "minor incidents."

MRS. EUGENE A. VETAL

Died Saturday at Boston Sanatorium After Long Illness.

Mrs. Eugene A. Vetal, whose body was brought here Monday for burial, died Saturday in the Lynn sanatorium. Mrs. Vetal had been a patient there for some time. Her splendid christian character had made her loved by all those who knew her. She was always cheerful and patient and greeted all with a smile. The Rev. Mr. Smith, pastor of the Lynn Baptist church visited Mrs. Vetal regularly at the sanatorium and was so impressed by her christian faith and character and her prayer life that a morning prayer service has been established in her memory. This service precedes the morning service by half an hour.

The funeral service was held at the home of her sister Mrs. J. A. Stewart, of Revere, Mass. Rev. Mr. Smith officiated and the members of the Shirley Circle, Order of Foresters, Revere, Mass., of which she was a member, held a service.

The body was accompanied to Bennington by Eugene Vetal, Mrs. J. A. Stewart, Mr. and Mrs. Livingston, and Miss Morrison of New York sisters of the deceased. Interment was held at the village cemetery and Rev. W. G. Toward officiated.

MARCEILLE-LAMARRE

Pretty Wedding This Morning at Sacred Heart Church.

A very pretty wedding was solemnized at 6:30 this morning at the Sacred Heart church when Miss Emma Delina LaMarre became the bride of Alfred Louis Marcellie. The ceremony, which was performed by the pastor Rev. C. E. Prevost, was followed by Mass especially said for the bridal party. The bride was attended by Miss Anna Lyons as bridesmaid and the groom had for his best man Alex. C. LaMarre, uncle of the bride.

The bride was gowned in a blue traveling suit with blue hat, trimmed in blue plumes. The bridesmaid was dressed in a brown suit with brown hat trimmed in brown plumes. The bride's party entered the church on the strains of Mendelssohn's wedding march played by the organist, Miss Rosa Niquette.

The singing during mass was rendered by the full choir under the direction of Edmond Noel choir director. The young ladies of the society of the Children of Mary also sang appropriate hymns for the bride who was a member of the society. Mrs. John Wagar from Troy very beautifully sang Millard's "Ave Maria." The alters and where the bride and groom stood was prettily trimmed with flowers. The groom's gift to his bride was a platinum pin set with pearls. The brides gift to her maid was a cameo pin set with pearls. The groom's gift to his best man was a set of gold K. of C. cuff buttons. The bride is one of the most popular young ladies of the town having passed her entire life here. She was the only daughter of the late Leon LaMarre. She received her education in the Bennington Graded school and also at boarding school in Canada. She has been the organist of the Sacred Heart church for a number of years and an earnest worker in the church. She has a wide circle of friends throughout the community and the best wishes of all.

The groom is a trainman having been employed by the Rutland railroad for a number of years, and well liked by all his brother trainmen. Mr. Marcellie has been in Bennington but a short time coming from Brandon.

The bridal party left immediately after mass on the 7:45 train for New York and Atlantic City on a wedding trip of two weeks. On their return they will live at the bride's home at 234 School street.

The gifts already received are numerous and beautiful, one especially pleasing is a large cut glass vase given by the Sacred Heart church choir. All friends of the bride and groom wish them a long and happy married life.

WHISKEY AMONG SOILED LINEN

No Negro Porter Gets Arrested for Alleged Smuggling.

Burlington, May 3.—L. E. Holt, a colored porter on the Boston Pullman sleeper last night, was taken off the train in this city and lodged in jail to await a hearing before the United States commissioner on a charge of bringing liquor into the United States illegally. Holt was arrested at Albany and brought to Burlington by Inspector Mullins and was met here by the police.

Holt is accused of having about 20 quarts of whiskey in his car. This was concealed in the berths in the soiled linen and in every conceivable hiding place. He lives in Boston and is believed by the United States officers to have been getting whiskey over the line for some time. His own remark last evening was that "this is what I get for being a good fellow."

WOOD DEFEATED JOHNSON BY 7841 IN MARYLAND

Practically Complete Returns Give General Majority

NO RECOUNT IN JERSEY

Johnson Managers Decide that Proceedings Would Require Expenditure of too Much Money.

Baltimore, May 4.—Brigadier Gen. Wood defeated Hiram Johnson in Maryland's primaries yesterday by 7841, according to practically complete returns.

Baltimore, May 3.—Returns received up to 11:30 o'clock tonight from today's presidential preference primary in Maryland showed that Major General Leonard Wood had carried 19 of the 3 counties and Baltimore city giving him an ample majority of the delegates to the state convention who in turn will elect 16 delegates to the Republican national convention.

General Wood's majority on the mass vote was 6,608, the totals being: Wood, 13,732; Johnson, 7,124. Little interest was displayed in the election anywhere in the state, the vote being one of the lightest ever cast at a primary in Maryland.

New York, May 3.—Supporters of Senator Hiram W. Johnson of California have announced their plans for a recount of votes cast in the New Jersey presidential primary last Tuesday, it was announced late today by A. C. Joy, assistant eastern campaign manager, after a conference of Johnson leaders lasting most of the day.

"Senator Johnson has agreed that there is no chance of going further in the matter of securing a recount in New Jersey."

The vote there now is a closed incident in so far as the Johnson managers are concerned. The senator had left the matter of procuring a recount entirely in the hands of his managers and it has been optional with us to institute proceedings to secure the same. Lack of funds sufficient to cover the \$50,000 asked to secure that state by State Supreme Court Justice Gummere won't permit us to go further than we have. We have less than one-third of that sum on hand now.

Indianapolis, May 4.—Indiana voters today will express their preference of candidates for resident, governor and other public offices, and will elect delegates to the state convention of both the Republican and Democratic parties.

275 BEER HELD UP

Senate's President Refuses to Sign Enacted Bill.

Boston, May 3.—The Senate passed today the bill to make 275 per cent beer a legal beverage in this State should the Volstead act be declared unconstitutional, but President McKnight of the Senate refused to affix his signature.

The measure had been passed by the House but cannot go to the Governor until President McKnight's signature is affixed. The vote in the Senate was 26 to 6. President McKnight declined to discuss his reason for withholding his signature, and said he had not decided what his future course would be.

According to Henry D. Coolidge, Clerk of the Senate, there is no provision in the rules specifying the time within which the presiding officer must sign a measure. Speaker Warner of the House signed the bill without question.

Card of Thanks.

We wish to thank our friends and neighbors who assisted us during the recent bereavement of our dear and beloved father, and also for the many floral tributes, especially the Modern Woodmen of America, the spinners department of the Holden, Leonard & Co., the finishing and decorating departments of the Bryant Rug Co., Springfield, Mass., Joseph Kettle and friends and for the many mass cards received.

"LISTEN LESTER" PLEASES

Musical Comedy Delights Large Audience at Opera House.

No matter how good the production there are always some in attendance who do not like the show; that's to be expected. Conceding that it takes all kinds of people to make a world and that no one has been able to please all of the people all of the time, it will be admitted by those who were present at the opera house last night that "Listen Lester" came closer to doing what can't be done than any production seen here during many moons. No more thoroughly enjoyable musical comedy has been seen here in a number of seasons.

The piece was not only artistically acted, it was prettily staged and costumed and it was full of action from the instant the curtain began to roll up on the first act. The music was catchy, the dialogue was exceptionally clever and there was plot enough to follow when one was not so amused by the antics of Lester and Mr. Penn that he didn't care whether there was any plot or not.

RUTLAND FIREMEN QUIT

In Dispute Over Wages—Places Were Quickly Filled.

Rutland, May 3.—All the firemen at Station No. 1, including Chief A. A. Courcels and Capt. Leon F. Polford, walked out yesterday afternoon at 5 o'clock, trouble having started 10 days ago when the men resigned regardless of a wage agreement which contained a two weeks' notification clause in case of a member wishing to quit the department. The four firemen at the uptown station stuck to their posts, and within a few minutes of the time the men at Station No. 1 had walked out Mayor James C. Dunn and Commissioner of Public Safety Fred C. Roberts had enough men in the station to man the big triple combination truck.

The strike, for such it is considered by the officials of the city, is the result of a disagreement between the firemen and the finance board on the board of aldermen over the wage question, although it is understood that within 24 hours the men had agreed to remain until two weeks after the next meeting of the board of aldermen, this for the purpose of ascertaining the action the board might take on the petition asking for an increase.

ANOTHER STREET CAR STRIKE

Motormen and Conductors at Cleveland Going Out.

Cleveland, May 4.—Union motormen and conductors employed by the Cleveland railroad company at a mass meeting last night and early today rejected the maximum offer of seventy-five cents an hour, an increase of fifteen cents with a minimum six hour day and voted to strike at midnight tomorrow. Three thousand men are affected.

JOHNSON AND HOOVER

CLASH IN CALIFORNIA

Registration for Primary Being Held Today Largest in History of the State.

San Francisco, May 4.—Choice between two groups of 26 delegates to the republican national convention, one pledged to United States Senator Hiram W. Johnson and the other to Herbert Hoover, former United States food administrator, was offered to voters at the California presidential primary election today.

Democrats and prohibitionists today also were electing 26 delegates each to their respective national conventions. These were unopposed except that on the democratic ticket Henry H. Childers of Los Angeles, announcing that he favored liberal interpretation of the national prohibition amendment, qualified as a candidate for national delegates in addition to the 26 named by the state central committee. The democratic delegates are unpledged. The prohibition group is pledged to the candidacy of Henry Clay Needham of Los Angeles.

Registration for today's election exceeds that for any previous primary election in California. Of the men and women eligible to vote, 653,767 are registered as republicans, 247,737 as democrats, 16,828 as socialists and 6,321 as progressives; 3,317 are scattering and 125,308 declined to state their party affiliation.

Regardless of party affiliation, voters at this election may choose in the primary the ballot of any party they wish, state officials have announced. As a result, it was expected that many democrats and others would vote the republican ticket where interest centered in the contest between the rival Johnson and Hoover groups of prospective delegates.

The Johnson forces were expected to show their greatest strength in San Francisco and the northern part of the state; while the maximum Hoover vote was expected from Los Angeles and Southern California.

Only delegates to national party conventions will be elected today. The state primary will be held August 24, when candidates for the United States senatorship, eleven seats in Congress and a long list of state officials will be chosen. California presidential electors will be named by the state conventions in September.

MAY 26 IS DATE FOR G. O. P. STATE CONVENTION

To Elect Representatives to Big Gathering in Chicago

MONTPELIER THE PLACE

Call Issued by State Committee and May 15 Designated as Date for Caucuses.

Washington, May 4.—Relief is shown both in government circles and by revolutionary agents today when it became known that Juarez, Mexico, had been taken by the rebels without a fight.

While preparations for the safeguarding of Americans at the east coast ports of Mexico by despatching additional naval units went forward and Carranza's reply to sharp representations made by this government regarding the murder of two more Americans was awaited, the chief interest appeared to be in the modified military plans it was assumed the occupation of the border town would cause the rebel leaders to adopt.

Until now the rebels have succeeded in taking from Carranza almost half his country without a battle but military men here assume that a few more stubborn contests are inevitable unless avoided by further defections in the federal forces.

Juarez, May 4.—Through the bloodless revolt of Juarez and the capitulation of General Urbquijo and the Juarez Indians at Casas Grandes, the Sonora revolutionists today effected virtual control of the state of Chihuahua and the way was paved for an unobstructed advance against Torreón whence the campaign is to be launched against Mexico City.

El Paso, Texas, May 3.—Juarez, Mexico, has revolted. The Mexican authorities have closed the port of Juarez. No transportation is allowed across the international bridge from either side this afternoon.

Juarez joined the rebellion in Mexico at 2 p. m. today. Revolutionary troops entering the city were acclaimed amid wild scenes and the populace crying "Vive Obregon."

Saloons have been closed. Although the border was closed to traffic for a short time, Americans are again permitted to cross to Juarez, although they are advised not to do so.

BURR AND BURTON LOST

TO HIGH SCHOOL 24 TO 6

Manchester Seminary Team Easily Defeated by Hard Hitting High School Boys Monday.

Burr and Burton seminary of Manchester was easily defeated Monday afternoon by the hard hitting high school nine by a score of 24 to 6. In fielding, there was not much choice between the teams but at the bat the seminary students were sadly outclassed. While it has not yet rounded in to form and while it shows considerable weakness on the defence, the Bennington team is showing unusual efficiency at the bat. The boys not only secured more safe hits than their opponents but the batting is clean and hard. Monday's game was the fourth straight won so far this season and each of the victories was due to the batting of the team.

In the game Monday afternoon, Burr and Burton made an excellent start, securing three runs in the first inning. At the end of the fourth inning the score was tied at four runs each and there were prospects of a close contest. In the fifth the Bennington boys began to connect with the ball and the Manchester boys began to go to pieces. Manchester made a shift of players in the sixth in the hope of checking the onslaught but the change resulted in ten runs for Bennington.

Shaw for Bennington pitched a steady game. He showed considerable speed and fairly good control. He also led at the bat, securing five hits, one two-bagger.

Score by innings: Bennington—2 1 1 0 4 10 2 4—24 Burr & Burton—3 0 0 1 0 0 0 2—6
