### "THE HEART OF MARYLAND"

Famous Drama in Pictures at Opera House Thursday and Friday

David Belasco's memorable success, "The Heart of Maryland" has been adapted to the screen and will be shown at the opera house tomorrow and Friday. In the screen version of this famous play all the action that thrilled audiences of a dozen years ago has been retained to a remarkable degree. In many respects the scenes have been elaborated to a degree not possible in the stage production and the result is a picture with action in every foot of film. The cast is headed by Catherine Calvert.

Over a score of Bennington golf enthusiasts went to Manchester yesterday to see a match on the Ekwanok course between Jim Barnes, the American open champion and W. A. Christie on one side and Abe Mitchell and George Duncan, visiting British golfers, on the other. Mitchell and Duncan won 5 and 4 in a splendid exhibition of high class golf.

The Second Congregational chapel service will be omitted tomorrow night. The people are invited to High school hall to hear Baron Sergius A. Korff, the distinguished Russian, who is lecturing in the Institute of Politics, which is being held in Williamstown. An offering will be taken at this meeting for Russian Famine Relief. The hour is eight o'clock.

The Veterans of Foreign Wars, Bennington Post No. 771, will hold a meeting in Grand Army hall Thursday evening, August 11 at 8 o'clock. All members are requested to be present. Men desiring membership must bring discharge papers. The meetings are held in Grand Army hall every second and fourth Thursday of each month. Hugh G. Ellsworth, Commander.

Baron Korff has turned out to be one of the most popular lecturers of the session. When he appeared on the platform yesterday it was some time before the applause allowed him to begin speaking. He speaks almost without notes and is perhaps the most personal and appealing of all the speakers. He is frank in discussing his own country's faults in the past; he spares no one. He is slight and tall, with dark brown hair and has a small mustache. Like Lord Bryce, he is always ready to discuss his addresses. His lectures when published will make a most fascinating book—"Correspondence of the Boston Herald.
