

EVERYTHING SEEMED WRONG

Until "Fruit-a-lives" Made Everything Right

MORROW, VERMONT.
"For years, I suffered with Kidney and Liver Complaint; my back ached; my liver was sluggish; and my whole system seemed out of order.
"Fruit-a-lives" was the only remedy to help me. They strengthened the Kidneys, made my bowels move regularly and freed me of all the distress."
MOSES MURPHY.

These "Fruit Laxo Tablets" will always cure such troubles.

New York World says: "The picture industry possesses far too few Priscilla Deans to a low this charming young brunette to take such chances with her life as those shown in 'Conflict'. We do not wonder that her insurance company warned her against repeating such risks."

MRS. HATFIELD SABINA, OHIO

In Pitiable Condition when she Began Taking Lydia E. Pinkham's Vegetable Compound

Sabina, Ohio.—"I took Lydia E. Pinkham's Vegetable Compound for weakness and irregularity. I was weak and nervous and could hardly stand on my feet long enough to cook a meal. I was this way for about a year and had tried several medicines and had a physician, but to no avail. My sister was taking your medicine and finally induced me to try it. I now feel fine and can do my housework without any trouble at all. You can use this letter for the sake of others if you wish."—Mrs. WELDON G. HATFIELD, R. R. 3, Sabina, Ohio.

Housewives make a great mistake in allowing themselves to become so weak and nervous that it is well-nigh impossible for them to attend to their necessary household duties. Lydia E. Pinkham's Vegetable Compound should be taken when you first notice such symptoms as nervousness, backache, weakness and irregularity. It will help you and prevent more serious trouble. Give it a fair trial. It surely helped Mrs. Hatfield, just as it has many, many other women.

Others Relieved— Why Not You?

Catarrh Does Harm—Get Rid Of It.

Catarrh of the nose or throat when it becomes chronic weakens the delicate lung tissues, deranges the digestive organs, and may lead to consumption. It impairs the taste, smell and hearing, and affects the voice. It is a constitutional disease and requires a constitutional remedy. Take Hood's Sarsaparilla, which by purifying the blood removes the cause of the disease and gives permanent relief. This alternative and tonic medicine has proved entirely satisfactory to thousands of families in three generations.

If there is biliousness or constipation, take Hood's Pills—they are purely vegetable, gentle, thorough.

fined in the North Adams hospital after an operation for appendicitis and gall stones continues to gain slowly. It will be several days before she will be able to leave the institution.

A citizen caucus will be held in the town hall Saturday night at 7:30 o'clock to put into nomination candidates for office for the coming town meeting. The principal rivalry is for road commissioners, there being four candidates, F. J. Davis, William Crozier, Francis Morgan and E. F. Green.

The new male quartette of the Methodist church made its first appearance at the Epworth League meeting last Sunday night. It consists of Charles F. Mason, George H. Dunn, Warren Mason and Frank F. Mason. The singing was pleasantly rendered and made a fine addition to the services.

Mrs. Jannette Armstrong, who has made her home with her daughter, Mrs. Arthur Merchant, for the past two years, has been gradually failing in health as a result of old age. She has been removed to the Putnam Memorial hospital in Bennington because of the illness of her daughter, Mrs. Merchant, who is confined in the North Adams hospital.

magnetizing steel.

Magnetism is put into steel or iron by induction from some other magnet or by electric action. If a piece of steel is brought into the field of a magnet it becomes magnetized, and if it is touched or stroked with one end of the magnet it retains this magnetism. Another method of magnetizing is to wrap the steel in a coil of wire through which is passed an electric current. The steel gradually and slowly loses its magnetism, particularly if it is heated to a high temperature or is subjected to mechanical treatment such as hammering, twisting, etc.
