Support Your County Paper. It is to the interest of the Merchants. To support it well. For a good county paper is an honor to the town and country in which it is published...

Mechanics. Should support it, because it maintains the dignity and nobility of labor, and contends for the rights of the workman.

Farmers. Should take it, for each week a portion of the paper will be devoted especially to their department. Hints and suggestions from the very best agricultural journals will be given in every issue.

Ladies. Should take it, for it will always contain beautiful stories, poetry, and other literature suited to their taste.

Mothers and Fathers. Should take it, for it is a well-established fact that in those families where newspapers are found, the children are far more intelligent and creditable to their parents.

Everybody. In Franklin county should take it, for it will keep you posted upon all local matters, as well as matters in general, and this knowledge will give you influence among your neighbors...

"OUR FATHER'S HOUSE;" OR, THE UNWRITTEN WORD. By Daniel March, author of the popular "Night Scenes." This master thought and language shows its untold riches and beauties in the Great House, with its blooming flowers, singing birds, waving palms, rolling clouds, beautiful bow, sacred mountains, delightful rivers, mighty oceans, thundering voices, blazing heavens and vast universe, with countless beings in millions of worlds, and sends to us in each the Unwritten Word, Rose-tinted paper, ornamental engravings and superb binding.

Night Scenes in the Bible. Many of the most affecting and important scenes described in the Bible, transpired under the splendors of oriental night.

Moral and Social Advantages. We claim as many moral and social advantages as any other portion of our State. This is evinced in the many well-organized churches which are to be found in every part of the county.

Health, Location, Soil, Etc. The elevation of this county (it being situated upon what is termed the table land of Cumberland Mountain) gives it superior advantages in point of health, freedom from those malarious diseases which are to be encountered in some other portions of the State.

Manufacturing Facilities. The manufacturing advantages of our county, in the way of water power, are equal perhaps to any in the State.
