**Death of Mrs. Breuklander**

Mrs. Nellie Breuklander died at her home in this city Sunday night, April 15, aged 36 years, after a lingering illness of nine weeks. Funeral services were conducted Monday afternoon at the Methodist church, by the Rev. Oastler, and interment in the local cemetery followed.

Nellie Vansteenis married E. Breuklander in Iowa during the month of June, 1881, and with her husband moved to Cherry county in 1886, and this has been her home ever since. The marriage resulted in the birth of eleven children, eight of whom, six boys and two girls are living, the youngest being but nine months old. It is this which makes her death a peculiarly sad and regrettable one, as it will result in breaking up a once happy home. Her only relative is Henry Vansteenis of Woodlake.

Mrs. Breuklander was a consistent member of the Presbyterian church, in which organization her husband is a deacon, and was one of those members who show by their lives instead of activity their faith in God. She also was a social member of the Degree of Honor, and that lodge and the A. O. U. W. attended and assisted at her funeral. Her death came not as a surprise, but it nevertheless caused a shock to the community at large, and all unite in paying her that greatest of tributes, "She was a good woman."

**CARD OF THANKS.**

To the kind friends and neighbors who so willingly assisted and consoled with us in the sickness, death and burial of our beloved wife and mother, we desire to express our sincere thanks.

E. Breuklander and Children

Valentine, Nebr., April 18, 1900.

Whereas, Our Heavenly Father has seen fit to remove by death our beloved sister, Nellie Breuklander, a charter member of Hope Lodge No. 110, Degree of Honor, and whereas, By her death we have lost a worthy sister, her husband a kind wife and her children a loving mother. Therefore be it Resolved, That we extend to the family and relatives our heartfelt sympathy in their hour of affliction.

We shall miss her pleasant face in our lodge room, but knowing that our loss is her eternal gain we bow in humble submission to the call of Him who doeth all things well.

Resolved, That our charter be draped in mourning for thirty days, that this tribute to her memory be spread upon our records, that a copy be sent to our bereaved brother, and a copy be given the Valentine papers for publication.

**The Citizens' Duty.**

Five thousand women have registered in Cleveland. The Ohio man is not to have the exclusive voice in politics forever. - Chicago Record.

Even in conservative Ohio woman is waking up to the call of duty which has been sounded from the crest of the Rocky Mountains. In Ohio women possess only the limited form of school suffrage, and the fact that in one city five thousand of them have registered indicates that a deepening sense of responsibility is taking possession of them.

In about twenty other states women may vote on school questions, and the fact that they have not universally exercised their right has been used as an argument against the further extension of the suffrage to them. It is said that women do not feel any sense of duty about voting.

But more and more are both men and women coming to realize that every citizen owes his vote to the government as a solemn duty which none have the moral right to evade. Especially do women feel this when there is an issue in which the welfare of their children is at stake. Thus on special occasions when a moral question arises in the school election, women register and vote in large numbers. As they study other political questions more deeply they will find that the most of them have a direct or an indirect relation to the home and the child, and that it is not only their duty to vote if they have the privilege, but to demand it if they do not already possess it.

This paper made a mistake last week in reporting the death of Elmer Dillon, instead of Frank. Elmer died in Cuba. The other facts were correct. The county had to pay to get this soldier boy into the government hospital; and yet we donate money to support and enlighten the heathen.

C. W. Allen, one of the old-time democratic newspaper men of the northwest, formerly of this place but now the owner of a fine ranch north of Merriman and a resident of Gordon, was in town Tuesday shaking hands with old friends and making new acquaintances. The C. T. A. U. Still Scatters the Letter Among the Churches.

The Rev. Father Alexander P. Doyle, president of the Catholic Total Abstinence Union of America, speaking of the influence of Bishop Watterson's work for the temperance cause, and especially of his famous decree, said last week to a representative of The New Voice:

"Bishop Watterson's decree has been and continues to be a great moral force in the cause of temperance. It was in perfect accordance with the council of Baltimore, where Bishop Watterson's eloquent address created much enthusiasm. It is the stand that all Catholic bishops take on the question. It continues to be scattered broadcast by the publication bureau of the Catholic Temperance Union of America, and the moral good it has accomplished, as I have said, has been immense. At the present time in New York city there is not a member or officer in the Society of St. Vincent de Paul who is connected in any way with the liquor traffic. There was a time when this could not be said."

The W. C. T. U. will meet next Tuesday at 2 o'clock at the Y. M. C. A. rooms. Come!

**A Testimonial from Old England.**

"I consider Chamberlain's Cough Remedy the best in the world for bronchitis," says Mr. William Savory, of Warrington, England. "It has saved my wife's life, she having been a martyr to bronchitis for over six years, being most of the time confined to her bed. She is now quite well." It is a great pleasure to the manufacturers of Chamberlain's Cough Remedy to be able to publish testimonials of this character. They show that great good is being done, pain and suffering relieved and valuable lives restored to health and happiness by this remedy. It is for sale by Quigley & Chapman.
