Our New FALL STOCK Is Attracting Much Attention

And it deserves to, for certainly it is not only the largest and best that we have ever shown, but also superior to any other in this locality. No city dealer will show better styles in fine Dry Goods or quote lower prices. Our steadily increasing business has been obtained by meeting both local and outside competition with better goods and lower prices than could be found elsewhere. We always invite inspection and comparison, and in every instance can offer good inducements to trade here.
