

THE VALENTINE DEMOCRAT.

THE OFFICIAL NEWSPAPER OF CHERRY COUNTY, NEBRASKA

VOLUME XVI

VALENTINE, NEBRASKA, APRIL 4, 1901.

NUMBER 11

LIKE WINE,

The "RED FRONT" improve with age, until now it's the most popular trading place for the majority of Cherry Co.'s shoppers. The reason why 'tis so easy to explain: We never disappoint if we can help it; we always give our customers what we advertise; our prices for the same quality of merchandise are always lower than our neighbors. We don't only say, compare prices, but we do say, compare quality as well. We carry nothing for our customers that we do not use ourselves. Our goods are always clean and fresh; no shelfworn or bankrupt stock, and when we advertise a sale we always sell goods lower than the regular price. Hence the reason of our phenomenal success, and the household word, 'it pays to trade at the "RED FRONT."

THE RED FRONT

CLOTHING

Is our principal line, and ordinarily we are proud of the fact that we have the largest assortment in Cherry county, but at present we are sorry to say that we have

TOO BIG A STOCK

Especially of Winter goods, owing to mild weather, and in order to reduce it we are making discounts on heavy goods, amounting in some instances to 50 per cent.

The appearance of Mr. Sanford Dodge and his talented company of dramatic artists in this city in "The Three Musketeers" will be greeted with delight by all lovers of the drama. The name of Sanford Dodge is a synonym of dramatic excellence, as it has ever been connected with the highest class of dramatic work, and this season his productions are superior to any he has ever before attempted. No other attraction touring the North-west can afford to carry the high class artists engaged by Mr. Dodge, as no other actor has the confidence of the play-going public in this territory to such an extent that they will give sufficient financial support to pay the immense salaries commanded by the artists who support Mr. Dodge this season. Of the many plays of Mr. Dodge's repertoire, he is featuring this season the celebrated drama that made the late Alexander Salvini famous, "The Musketeers" or "The Three Guardsmen." This fascinating drama is founded on the famous story by Dumas of the same name, and is one of the very best productions Mr. Dodge has ever attempted. Some of the other plays presented, by this talented company this season are "Quo Vadis," "Merchant of Venice," Hamlet and "Monte Cristo." Great plays, beautiful costumes, special scenery and talented company all combine to make this event one never to be forgotten by those who witness it. Although the theater going public has ever been most generous with its patronage to Sanford Dodge, he has ever been equally generous with the public by giving splendid productions of high class dramatic masterpieces costing much money and an infinite amount of study and labor; but regardless of all obstacles he can ever be relied upon to give better satisfaction and more for the money than any other organization on the road. This talented, well equipped and specially selected dramatic attraction will positively appear in this city Apr. 5, 1901. You should not fail to attend.
