STRIKE ENDS IN SAMOA

Commission Completes Its Labors and Will Start Home.

MATAAFA'S FOLLOWERS YIELD.

Government Is Thoroughly Reorganized and Country Resumes Peaceful Appearance—Report Recommends Abolition of King in Favor of Governor.

APIA, Samoan Islands, June 15.—(Via Auckland, N. Z., June 21.)—Mataafa has surrendered 1,850 rifles and the loyalists have given up 2,000. The natives have returned to their homes. Malietoa Tann was recognized as king by the commissioners of the three powers, and the decision of Chief Justice Chambers in the matter of the kingship was proclaimed valid and binding.

Malietoa Tann then abdicated in favor of the commissioners, who appointed a provisional government consisting of the consuls of the three powers, empowering a majority to act in all cases where unanimity is not required by the Berlin treaty. Chief Justice Chambers continues to hold office and the various municipal officials are confirmed. Dr. Wilhelm Solf has been authorized to act as president of the municipality of Apia. The commission expects to leave June 28, but they have requested Chief Justice Chambers to remain. Their reports recommend the abolition of the kingship and the presidency of Apia and the appointment of a governor, with a legislative council consisting of three nominees of the interested powers, assisted by a native house.

COMBINE AGAINST HARDIN.

Stone-Goebel Combination Wins First Bout in Kentucky Convention.

LOUISVILLE, Ky., June 22.—The race for the Democratic nomination for governor of Kentucky lies between William J. Stone and William Goebel. A committee of the followers of these two candidates yesterday secured the organization of the convention in the election of Judge David B. Redwine of Breathitt county, to be temporary chairman.

In the district conventions they secured all but four of the 11. This, with the two members of each committee to be named by the temporary chairman, will give them a good working majority. But there is doubt as to just what the Stone-Goebel combination will develop. On the surface, the plan is to nominate Stone for governor, and give Goebel's friends the remainder of the ticket and the state central committee.

It is not improbable, however, that Goebel may show sufficient strength in the convention to secure his nomination to the post of the ticket. The net result of yesterday's work was the elimination, temporarily at least, of Hardin as an important factor in the convention.

At the afternoon session, the convention, after sweltering for three hours under a tedious hearing of contests, broke up in great disorder, caused by an attempt to eject a noisy guest from the stage. This caused a stampede, but no one was injured.

GOES OUT FOR GOOD.

Fugitive Falls in the Ring and Falls to Regain Consciousness.

CHICAGO, June 22.—At the Adelphi theater last night "Dutch" Neil of St. Louis, in a glove contest with Harry Pepper, colored, was knocked out in the sixth round. He failed to recover consciousness and at midnight was taken to St. Luke's hospital.

The men were in the last round of a six round contest, which had been lively throughout, both were fighting hard. Neil suddenly fell to the floor without being hit, and refusing to rise, was counted out. Neil soon lapsed into unconsciousness and was carried to the hospital, where it was announced that his heart affected and that he probably would die.

Gillett Leaves Chihuahua.

KANSAS CITY, June 22.—Grant G. Gillett, the Kansas cattle plunger, whose failure last winter for nearly \$2,000,000 caused a sharp flurry in financial circles, is reported to have suddenly left Chihuahua, Mex., where he has been in the hotel business since his flight from his creditors. The Kansas City Star states that Gillett has taken his family to the City of Mexico, whence they will go into Central America, where the plunger hopes to engage in business and be safe from the creditors and others who have hounded him in Chihuahua.

Decision in Paving Case.

KANSAS CITY, June 22.—Judge Phillips, in the United States circuit court, has rendered a decision declaring illegal the present method of assessing property for street improvements in cities throughout Missouri and in many other states. If upheld the decision will invalidate hundreds of thousands of dollars' worth of bonds in the state of Missouri.

If your child has thin, pale cheeks, uncertain appetite and restless sleep, it has worms, and curing with strong medicine only makes conditions worse, by irritating its delicate stomach. White's Cream Vermifuge is mild but certain in effect, and is a superior tonic as well as a positive worm destroyer.

Dr. Kay's Renovator.

It would be difficult for me to find language to describe my suffering for three years before taking Dr. Kay's Renovator. Several physicians pronounced my case one of Nervous Dyspepsia and Nervous Prostration. A little exercise, excitement or worry would cause great prostration, extreme nervousness, headache, indigestion and severe vomiting which at times kept up continually for two or three days in spite of all my physicians could do. I became very thin, lost flesh and lost nearly all of my hair, the top of my head being entirely bald. I suffered terribly with my stomach, being unable to digest anything. I tried several physicians without getting any relief. Finally last August a friend sent me Dr. Kay's Renovator and I began to improve as soon as I took it and the change was wonderful. No one was ever benefited more than I nor could they be more thankful for such a panacea as my physicians could not help me. As soon as I began to improve my hair began to grow and now it is thicker than ever. I could not exaggerate my case nor the benefits I have received from taking

Dr. Kay's Renovator. It is a positive cure for the worst cases of Dyspepsia, Liver and Kidney diseases and all nervous and blood diseases, headache, biliousness, dyspepsia, female disease etc. AT THIS TIME OF YEAR it is invaluable as it renovates and invigorates the whole system and enriches the blood, giving new life and vigor to the whole body. The very best nerve tonic known. Very pleasant and easy to take. IT HAS TWO TO FOUR TIMES AS MANY DOSES AS LIQUID PREPARATIONS BEING SOLD BY THE DOZENS. Sold by druggists. It treats all diseases and many say it is worth \$5 if they could not get another; sent free from our Western Office, Dr. B. J. Kay Medical Co., 650 E. 10th St., Omaha, Neb.
