**THURSDAY TIDINGS.**

A baby girl was born yesterday to Mr. and Mrs. Ray Gleason of Hoskins. Telephone No. 157 has been placed in Bohner's grocery store and No. 158 in Ludwig Koenigstein's music studio. Some one fell against one of the

windows in Eberhart's restaurant last night and knocked out a portion of one of the large lights of glass.

John Doe, real name unknown, was on trial before Police Judge Hayes yesterday morning charged with disorderly conduct. He was assessed a fine of \$2 and costs, a total of \$7.10

In the case of J. P. Lord of Omaha against Ed Wagner of this city which was on trial yesterday before Justice of the Peace Fuller, the jury returned a verdict in favor of the defendant.

There were rumors of a hold-up and another robbery in Norfolk last night but careful inquiry has failed to verify the rumor and no one has reported any such occurrence to the police officers.

A lot of men, under the supervision of W. L. Mackay, passed through the city yesterday enroute to Cheyenne, Wyoming, where they will work on the Union Pacific grading west of that city.

Fromont Tribune: An odd circumstance attending the marriage of Lon Mosley and the 14-year-old Pearl Luke at the county judge's office yesterday was that the mother of the Luke girl was married about 20 years ago in Saunders county by Judge Winterstein's father.

R. H. Reynolds and his assistants are today measuring off the site of the new opera house, establishing grades and levels and otherwise preparing for the work of construction. The excavating is completed with the exception of leveling it off for the foundation. Brick and other material will probably be hauled tomorrow.

Work on the new Catholic church has begun and a force of men is now engaged in laying the stone foundation, which, judging from the size and quality of the stone being used, will be very substantial. The work was commenced yesterday morning and is moving along very satisfactorily.

S. S. Wolpton, an insurance man from Omaha is at present without a grip, the result of a misunderstanding. The article in question was put on No. 33 by the landlord of the Stanton hotel and it was supposed that it was put off at Norfolk but diligent search has thus far failed to reveal its whereabouts.

"One day," says a writer in the Boston Transcript, "the mother of a ten-year old boy gave him two slices of buttered bread, telling him to give one of them to his little sister. He carried out the order. That night when he went to bed he was evidently disturbed in his mind and remorseful about something and his mother questioned him in a way to bring out the truth. 'I—I wasn't nice to Peggy about that bread and butter,' he owned. 'Why?' asked his mother. 'Did you take the bigger piece?' 'No' he answered, 'her's was a little bigger than my piece was, but mine was a good deal butterer!'"

Chief of Police Widaman has been having a "morning of it" with Wm. Howe, who was formerly employed on the F. E. & M. V., but who has lived in Sioux City for the past year and a half. He arrived in town this morning and was evidently out of his head, as he talked most wildly, and it is feared by some that he may have permanently lost his mind. His family in Sioux City were telegraphed to for instructions and Mrs. Howe desired him sent home but said they had very little money. He was finally taken in charge by members of the A. O. U. W., of which order he is a member, and they will probably either take him home or to a place where he may receive treatment and care. All who know Mr. Howe speak of him in the highest terms, both in regard to his habits and industry and all hope that he may soon recover his health.

"Adversity flattereth no man," but the pains of dyspepsia turn his attention to Hood's Sarsaparilla and in its use he finds a cure.

"Pride Goeth Before a Fall."

Some proud people think they have strong constitutions, and ridicule the idea of disease. Such people neglect their health, let the blood run down, and their stomach, kidneys and liver become deranged. Don't be foolish about your health. Use Hood's Sarsaparilla and you will prevent the fall and save your pride.

**B. P. S. PAINT.**

This Paint is Absolutely Pure White Lead, Zinc and Linseed Oil, having been analyzed at the Nebraska State University, with a proof of 92 per cent. The U. S. Government has adopted this paint for the use in the navy, being the best goods they could find upon the market. We also state with pleasure that this paint is being used very largely by the East Sugar Factory. They recently painted the cottage out there with B. P. S. It has given absolute satisfaction, to the management and is a pleasure to the eyes of all who see it. We now offer to the people of Norfolk the "BEST PAINT SOLD," so if you are contemplating painting, let us show you a good paint that gives the best of satisfaction.
