Among the improvements being made to H. E. Hardy's residence on Fourth street and Philip avenue is an addition which will add to its appearance and accommodation.

H. H. Patterson is today moving his family into the Pacific hotel of which he has assumed the management. The residence vacated by him will be occupied by Dr. H. L. Scoggin and family.

The Pullman and Wagner sleeping coaches used in the transportation of troops destined for the Philippines to San Francisco from Minnesota a few weeks ago are being returned to their destination, empty.

Mrs. Parkinson of Madison, who attended the state federation of Woman's clubs recently held at York, met with the club at the home of Mrs. E. P. Weatherly yesterday afternoon and gave a very entertaining talk.

The price received by J. W. Gibson for the nine fancy birds he shipped yesterday to Des Moines, Iowa, was \$60. This would have purchased several wagon loads of ordinary fowls—the kind that Mr. Gibson does not raise.

Rev. Philip Hoelzel, the new pastor of St. Paul Lutheran church, has arrived with his family from Fond du Lac, Wis. They are stopping at the home of Ferdinand Pasewalk pending their settlement in the residence connected with the church just north of the city.

The meeting of the American Beet Sugar association which was called by Henry T. Oxnard to meet in Omaha October 29 has been postponed to December 5 because so many interested were unable to attend on the first named date on account of being in the midst of a very busy campaign.

G. W. Foster's remains were laid to rest this morning in Prospect Hill cemetery. Funeral services were held at the residence this morning at 10 o'clock and were conducted by Rev. G. H. Main of the M. E. church. The choir of that church also assisted, furnishing appropriate music for the occasion.

Louisiana Planter: Twenty miles of pipe have been laid for the factory at Lohi, Utah, along the line of which there will be stations for the collection and slicing of beets, and from which the juice when extracted will be piped direct to the factory. By means of this the factory obtains control of a much larger territory.

If you have not voted do not fail to do so. The opening battle of next year's campaign is being fought today and your vote will have an influence in determining how it shall be continued. The polls close at 6 o'clock. By the time this paper is issued there will be but a short time left in which to exercise your right of franchise. Do not neglect the duty.

The beets are coming in so rapidly and in such quantities over the Union Pacific that two engines are required on almost every train to carry the extra weight. The beets come from Ames, North Bend, Millard, Schuyler, Columbus and other towns along the branch between this city and Columbus. Numerous cars of slack for use in the factory are also being received over this line of road.

The little daughter of Section Foreman Moran, of the Pacific Short Line at Plainview, died of burns received there Saturday afternoon while playing with her mates about a straw stack. The children had some matches. About 5 o'clock they set fire to the straw and the blazing straw ignited the little girl's

dress. She was terribly burned before help came, all her clothes being burned from her blistered little body. Death came as a relief at 8:45 o'clock.

The Sioux Rapids Press says it knows a farmer who hasn't lost a hog in 12 years, while his neighbors have lost hundreds. This is the way he keeps off cholera: He put a pound of cayenne pepper and a pound of asafetida in a cloth and threw it into the bottom of the swill barrel, letting it lie there until all was dissolved. He also took of sulphur one part, of copras one part and of salt two parts and kept it constantly before the hogs letting them eat all they would. He also took care that no wagon which had been at any place where there was hog cholera should drive into his feed lot.

A special train of stock was transferred from the Elkhorn to the C. St. P. M. & O. yesterday and taken to Sioux City. Three special trainloads, comprising 50 cars, were also transferred from the Elkhorn to the Union Pacific and carried over that road to Ames.

Just as THE NEWS goes to press a dispatch is received from Omaha in regard to the match shoot between Bailey and Glissman for this city who entered for 100 live birds for \$100 a side, the event taking place on the Omaha Gun Club grounds. Glissman won the money by killing 85 birds Bailey quitting at 71.

Commencing tomorrow and continuing during the short days the time of going to press on THE NEWS will be one hour earlier than heretofore, to enable the delivery of the paper to be made before dark. This will mean that items for publication must be in the office by 2 o'clock in the afternoon, unless they are of considerable length, when they should be handed in by noon. Church notices and announcements of society meetings must be in by noon.

The funeral services over the remains of Mrs. Augusta Spiering wife of Herman Spiering of South Norfolk were held in Christ Lutheran church this morning at 10 o'clock. Rev. J. P. Mueller conducted the same. A large concourse of friends attended, and followed the remains to their last resting place in the cemetery of that church east of the city. Mrs. Spiering died at her home on South First street Monday after a protracted illness from cancer of the stomach. She was born August 11, 1845 at Sattmow, Germany, and was married to Mr. Spiering in that country in 1870. The family emigrated to this country in 1892 and took up their residence in Norfolk, where they have since resided. The deceased leaves a husband and seven children, four daughters and three sons.

COUNTY IS FOR REESE.

Republican Gain of 110 for Head of the Ticket.

COUNTY OFFICERS SPLIT EVEN.

Republicans Elect Schavland, Bouch, Miles, Lowe and Smith and the Fusionists Elect the Balance of the Ticket—Allen Elected for District Judge.

From Wednesday's Daily.

The election returns have been slow coming in on account of the new form of ballot with which the boards have had to wrestle. Nothing definite is known of results in the state. The morning papers, however, acknowledge gains for Holcomb and his election is claimed by from 10,000 to 12,000. The figures on which this estimate is based are very meagre and subject to a considerable change.

It is quite evident that if these figures are correct there is quite a different condition of affairs throughout the state than exists in Madison county.

This county last year gave Poynter, fusion, a majority of 26 over Hayward for governor. The unofficial returns so far as received give Reese, republican, a majority over Holcomb, fusion, of 84 votes. A change in favor of the republican state ticket of 110 votes.

It is figured from the incomplete returns obtainable that Allen, fusion, is elected district judge by a majority ranging from 600 to 800, over Welsh, republican.

Returns from Pierce give Allen's plurality in that county about 230.

Madison county gives Allen a plurality of about 310.

Wayne gives Welsh a plurality of about 100 votes.

Results on County Officers.

On some of the county officers the figures are so close that it will undoubtedly require an official count to determine the result, while on others the unofficial returns determine the result beyond a doubt.

Chr. Schavland, republican is elected clerk of the district court over Samuel McElhoes, fusion, by about 542.

For county treasurer the vote is very close, but Bouch, republican, is probably elected over Barney, fusion by about 120 votes.

The vote on treasurer is also hard to determine and it will probably require an official canvass. It is figured, however that Miles, republican, is elected over Brecher, fusion, by about 10 or 15.

Lozey, fusion, for sheriff, is elected over Gardner, republican, by a majority of about 348.

Wm. Bates, the fusion candidate for county judge was elected over S. A. McKay, republican, by a majority of about 426.

The fusion candidate for superintendent of public instruction, C. W. Crum, was elected over Geo. W. Snider, republican by a majority of about 428.

W. H. Lowe, republican was probably elected county surveyor over Hoover, fusion by a fair majority.

It is probable that Salter, of the fusion party, for coroner was elected over Tanner but the returns are not sufficiently complete for any definite figures to be obtained.

On the whole the vote is quite satisfactory to the republicans showing a large gain for the head of the ticket and the election of at least five out of the eight county officers.

County Commissioners.

For commissioner of the First district Chris Smith, republican, was elected over F. H. Kaul, fusion by a majority of 17.

Assessors.

In the vote for assessor in the several wards the result was as follows:

First ward—C. F. Eiseley, rep., 58; Fred Degner, fusion, 80.

Second ward—J. W. Ransom, rep., 110; W. F. Alhman, fusion, 104.

Third ward—M. R. Morris, rep., 172; Alex. Morrison, fusion, 85.

Fourth ward—J. H. Thompson, rep., 48; F. W. Kerber, fusion, 42.

The republican candidates were elected in the second, third and fourth ward and the fusion candidates in the first and outside precinct.

Justices of the Peace.

The vote for justice of the peace resulted as follows:

Hayes, rep.—1st, 49; 2nd, 112; 3d, 123; 4th, 46.—Total, 370.

Gaylord, rep.—1st, 39; 2nd, 98; 3d, 128; 4th, 40.—Total, 305.

Daniel, fusion—1st, 90; 2nd, 109; 3d, 107; 4th, 51.—Total, 357.

Kelly, fusion—1st, 71; 2nd, 91; 3d, 93; 4th, 44.—Total, 299.

Hayes and Daniel were therefore elected.

Constables.

The returns for constable showed the following result:

Wright, rep.—1st, 61; 2nd, 113; 3d, 176; 4th, 52.—Total, 402.

Hemleben, rep.—1st, 57; 2nd, 105; 3d, 146; 4th, 23.—Total, 341.

Hoyt, fusion—1st, 70; 2nd, 88; 3d, 77; 4th, 55.—Total, 290.

O'Banion, fusion—1st, 73; 2nd, 90; 3d, 82; 4th, 33.—Total, 278.

This elects Wright and Hemleben, the two republicans.

Outside Precinct.

In the outside precinct there were no

republican nominees for the positions of assessor, justice of the peace, or constable.

For the first position F. D. Krantz received 175 votes.

For justices of the peace Lindeman received 124 and C. F. Haase 146.

For constables Herman Bastow received 141 and Ferdinand Winter 139.

For road overseer in district No. 1, E. J. Rix, rep., received 23 and W. F. F. Winter, fusion, 39.

In district No. 8 J. W. Boyce, sr., republican, received 34, and Wm. Brummond, fusion, 73.

The two fusion candidates were therefore elected.

George W. Foster.

The following is a brief obituary write up of Geo. W. Foster who died Sunday and was buried yesterday: He was born in Cecil county, Maryland, October 25, 1839. While yet a child his parents moved to eastern Ohio and from there moved to Iowa in 1850, settling near Muscatine. He grew to manhood at that place and after teaching school for some time he went to farming on the old homestead. In 1872 he married Miss Marilla Harbaugh, who survives him.

Three children were born to Mr. and Mrs. Foster, two of whom died in infancy. The remaining and only child is Miss Iva.

The family came to Norfolk in 1892 and have since made this their home. During their residence here they have gained many warm friends who sincerely sympathize with the remaining members of the family over the loss they have sustained. A brother of the deceased, Walter Foster, also makes Norfolk his home.

The deceased has never enjoyed the best of health but on account of his uncomplaining nature, few people realized what he suffered. His last illness was of but a week's duration.

Card of Thanks.

We wish to extend our heartfelt thanks to the kind friends and neighbors who so kindly assisted us during the sickness and burial of our beloved husband and father. Their kindness will never be forgotten.

MRS. G. W. FOSTER,
MISS IVA L. FOSTER.

Winter in the South.

The season approaches when one's thoughts turn toward a place where the inconveniences of a northern winter may be escaped. No section of this country offers such ideal spots as the Gulf coast on the line of the Louisville & Nashville railroad between Mobile and New Orleans. It possesses a mild climate, pure air, even temperature and facilities for hunting and fishing enjoyed by no other section. Accommodations for visitors are first-class, and can be secured at moderate prices. The L. & N. R. R. is the only line by which it can be reached in through cars from northern cities. Through car schedules to all points in Florida by this line are also perfect. Write for folders, etc., to Geo. B. Horner, D. P. A., St. Louis, Mo.

Call For County Suffrage Convention.

All friends of justice and equal rights in Madison county, are urgently invited to meet in mass convention in the lecture room Congregational church, Norfolk, November 14 and 15, 1899. The convention will be held under the joint auspices of the National American Woman Suffrage association, and the Nebraska Equal Suffrage association. Able speakers will be present, and an entertaining, instructive program will be provided.

Four states, Wyoming, Colorado, Utah and Idaho, have already granted full suffrage to women, while twenty-six additional states have admitted the justice of the claim by extending partial suffrage. The states which have had full opportunity to observe the advantages of woman suffrage unite in the testimony that it has proved beneficial in every direction. It has in no way injured men, women or the state. Instead, under its influence, women have become more intelligent and self-reliant; good men have been encouraged by the moral aid of women, and have sought the purification of politics, which they were unable to accomplish alone, while the state has gained a new dignity by the introduction of this moral force.

Important business concerning methods of work best suited to hasten the establishment of woman suffrage, in order that the state may gain its consequent good effects, will be considered in the convention. The friends of suffrage are invited to aid in the formation of these plans; the indifferent are invited to attend the sessions that they may be converted; and the opposed are invited to participate in the discussion, presenting their side of the question. Everyone is invited. Come one! Come all!

Homecoming of Oskaloosa's Gallant Sons.

OSKALOOSA, Ia., Nov. 7.—The Oskaloosa company of the Fifty-first Iowa volunteers arrived last night from Des Moines over the Rock Island. The whole country turned out to welcome the members of the company.

BLOW TO INSURGENT CAUSE

Columbian Warships Sink Rebel Convoy Steamer and Capture Smaller Craft.

KINGSTON, Jamaica, Nov. 7.—Reliable Colombian advices just received here describe the pursuit of and an engagement with the insurgent convoy steamers by the Colombian cruiser Hercules, under General Rodriguez, accompanied by the steamer Colombia, having troops on board. The insurgent steamer, the Drag, was rammed and sunk and four smaller ones were captured after a sanguinary fight. Then the Cisneros, with the surviving insurgents, escaped into Rio Blanco. The insurgents lost 250 men and the loss of the steamers is regarded as a severe blow to the insurgent cause.

Rich Ore From Deadwood.

DEADWOOD, S. D., Nov. 7.—Commodore Grant left for Denver Sunday with two more carloads of rich ore from his mine near this city. He says the 55 tons shipped will bring \$5,000. He has saved out some of his richest ore, which makes the last shipment less valuable than his first carload.

HOLLAND IS A SUCCESS.

Submarine Boat Works Without a Mishap on Official Test.

WAITS 25 YEARS FOR VICTORY.

Tears Stream Down the Inventor's Cheeks When Congratulated by Naval Board on Successful Trial of His Submarine Torpedo Boat in Peconic Bay, L. I.

NEW YORK, Nov. 7.—The submarine torpedo boat Holland was successfully tested in Peconic bay, Long Island, yesterday. At the close of the test the members of the board of inspection, Rear Admiral Rogers, Commander Emory and Naval Constructor Washington E. Capps, shook hands with John P. Holland, the inventor, and congratulated him on his success. He had waited 25 years for victory and tears streamed down his cheeks when the naval officers greeted him.

The course was by compass due north and south. When all was ready, the Holland sank to a depth of 10 feet while going at full speed, which was attained almost immediately. This left the tips of the flagpoles on her deck exposed. But for these it would have been impossible to trace the boat, as while submerged she made no disturbance on the surface. She traveled at the rate of eight knots an hour, making the mile from start to turning point in nine and one-half minutes. Arriving at the end of the mile, she shot to the surface, her turret coming into view. Ten seconds later she had again disappeared. Within the 10 seconds she corrected her course, having deviated only 70 feet from the true course, and fired a regulation Whitehead torpedo weighing 810 pounds, which went spinning off toward the target, 800 yards away. Meanwhile, as the deadly missile hurtled true on its course, the Holland swung about and started on her return. She turned in a radius of 75 feet, or about one and a half times her own length. She was flying back to starting point before the missile had run its course. The return trip was made in about the same time as the outward run and was equally a success.

IOWANS ON HOME SOIL.

Men of the Fifty-First Regiment Given a Royal Welcome.

COUNCIL BLUFFS, Nov. 7.—Never before in the history of the city did Council Bluffs witness such a demonstration as the reception given by the state of Iowa to the returning Fifty-first Iowa volunteers yesterday.

Almost on the hour of 8 the first section pulled slowly to the depot amid a deafening chorus of whistles from all the engines in the neighboring yards. From all the windows of the long train leaned blue-coated forms, waving hats and handkerchiefs. And the crowds about the depot responded with a similar demonstration. The soldiers were given an official welcome by Governor Snav and were feted by citizens, dainty hands serving them a royal spread.

Rousing Reception at Des Moines.

DES MOINES, Nov. 7.—The two Des Moines companies and the Knoxville and Oskaloosa companies of the Fifty-first Iowa regiment arrived here yesterday from the Philippines, after 18 months' service. They were given a royal welcome by at least 50,000 people on the streets and any amount of noise from whistles, bells, cheering and fireworks. The Oskaloosa and Knoxville companies went on to their respective homes and the Des Moines boys were given a reception at the Auditorium. There is great rejoicing that the boys return in such good condition, but few falling by war or disease and few others being detained in hospitals.

Bloodhounds Discover Culprit.

CRAIG, Neb., Nov. 7.—The Beatrice bloodhounds arrived here yesterday and assisted in the capture of John Grothie, a wealthy farmer living five miles southwest of this town, for the malicious destruction of property on the farm of C. M. Hulbert, a near neighbor. Bad blood has been existing between the two farmers for several years.

Train Runs Down Herd of Cattle.

FORT DODGE, Ia., Nov. 7.—The west-bound passenger train on the Illinois Central, which is due to arrive at Fort Dodge at 2:45 a. m., was delayed by running into a drove of 65 high grade cattle at the Dunlap crossing. When an inventory was taken of the accident it was found that 13 were dead and badly injured.

Banker Spengler Found Guilty.

NEILLSVILLE, Wis., Nov. 6.—John H. Spengler has been found guilty of illegal banking by the jury in one of the six cases against him. This is known as the Dorchester bank case. The minimum penalty is a year in the state penitentiary.

TELEGRAPHIC BRIEFS.

At the Hercules club, Brooklyn, Monday night, Martin McCue got the decision over Oscar Gardner at the end of the 25th round.

A dispatch to the war department Monday announced the death of Major Samuel Robinson, surgeon United States Army, at Hot Springs, Ark.

The First Washington volunteers arrived at Seattle Monday on the steamer Queen and were given a reception never to be forgotten by those who witnessed it.

General Charles Shelley of Birmingham Monday announced his candidacy for governor of Alabama. He makes the third candidate so far. The election occurs next Thursday.

In a mine cave-in Monday at Amasa, Mich., Frank Brown was instantly killed. Seward Hughes, Charles Erickson and Abe Gill received severe, but it is not believed fatal injuries.

During the past year the revenues of the postal service increased from \$89,012,618 to \$95,921,354 and the expenditures from \$97,853,407 to \$101,939,160, a net increase in the receipts of \$6,008,755, and in expenditures of \$3,718,752.

The record of the work of the three state employment agencies of Chicago has been compiled in the state bureau of labor statistics. The report shows that the total number of applicants for work during the 13 weeks was 17,089, of which 10,203 procured positions.

REVERINO FOR GOVERNOR.

First Autonomous Government of Philippines Established at Bacolod.

MANILA, Nov. 7.—At Bacolod, island of Negros, the first autonomous government of the Philippines was established today. General Smith, governor of the island of Negros, administered the oath of office to the judge of the supreme court, who, in turn, swore in the governor, three judges, councilmen, auditor and secretary of the interior. The natives of the island attended the ceremonies. Three days' feasting will follow in celebration of the new government and the first anniversary of the surrender of the Spaniards to the Negros revolutionists, ending with a ball in the government house at night. American flags are displayed in the village. The celebration consisted of horse racing and other sports, music, religious functions and an illumination. The ball attracted the wives of the wealthy planters and there was as great a display of rich costumes and jewels as would be seen at a similar affair in America and Europe.

Elections were held Oct. 2, the number of votes cast being 5,428. There were 40 candidates for the various offices. Melecio Reverino was elected governor, receiving 1,505 votes. Suffrage was determined by property qualification and ability to read and write. General Smith, during a speech said: "Your future promises as brightly as Japan's, who today is recognized as among the civilized nations of the world."

Senator Severino, in replying, said the best thing for the future of Negros was the continuance of close relations with the United States.

General Smith then announced the granting of freedom to the political prisoners in commemoration of the event.

General Hughes, in command at Iloilo, tendered a congratulatory speech over the eastern cable from that place
