CHEER UP.

What if we did have a drought! The blessed rain has come, the green fields rejoice, and harvest hopes are quickening. Everyone knew that the enriching showers, though belated, were on the way, and the wise husbandman toiled steadily, preparing to make the most of opportunity when it did arrive. Business, which takes its cue from agriculture, is heartened. Merchants look forward to a season of active trade, manufacturers find a good demand for their products, money is easy, and the future shines propitiously.

If the revival of business in the largest sense has not actually come, it is undoubtedly approaching. In some fields of industry there has been a drought, but watchful men are confident of relief. They know that the sources of business are secure, that a period of vigorous growth and expansion is near, and that the present, far from being a time for discouragement, should be one of hopeful preparation.

"Commerce and Finance," a publication that is never optimistic merely for the sake of optimism, quotes the recent predictions of Judge Gary, of the United States Steel Corporation, Mr. A. F. Houston, of the Lukens Iron and Steel Company, and Mr. W. F. Thomas, president of the Briar Hill Steel Company, to the effect that an era of trade expansion is at hand, and comments in this wise:

"To those men and many others much of the depression has been sentimental (President Wilson, it will be remembered said, 'psychological'), a reflex of the pessimism of the East and particularly of New York. They say conditions are sound fundamentally. They see a healthier state as a result of a rather protracted and forced period of economy."

Men like Judge Gary do not pipe prosperously simply to make music. They know whereof they speak, and they agree that there is no cause or occasion for gloomy foreshadowings in the United States.

The inherent soundness and steady improvement of business conditions

Most Skin Trouble Readily Overcome

The Active Principle of a Famous Remedy Works Wonders.

Many people have marveled the way S. S. S. overcomes skin troubles. The explanation is the fact that S. S. S. works in the blood and the blood is really a most intricate and extraordinary mass of arteries and veins.

When you come to realize that the skin and the flesh beneath are composed of a network of tiny blood vessels you solve the mystery.

There are wonderful medicinal properties about S. S. S. that follow the course of the blood streams just as naturally as the most nourishing food elements.

Not one drop of minerals or drugs is used in its preparation. Ask for S. S. S. and just insist upon having it. And if you desire skillful advice and counsel upon any matter concerning the blood and skin, write to the Medical Department, The Swift Specific Co., 529 Swift Bldg., Atlanta, Ga.

S. S. S. is to feel you with the same mineral drug. Beware of all substitutes. Insist upon S. S. S.

The reason why the average man makes so many mistakes in talking about the situation in Mexico is because it is hard to remember the battling averages of baseball players along with all the gossip of Vera Cruz.

ALMOST CRAZY With Itching—Cured by Saxo Salve

Endicott, N. Y., "I suffered from a severe skin affection so I could not sleep. I was almost crazy with itching. I would scratch and almost tear myself to pieces. I tried a great many remedies without relief, but one tube of Saxo Salve cured me. I recommend it wherever I go."

—A. L. MORGAN, Endicott, N. Y.

are not merely a matter of opinion but of record and fact. The national treasury department reports that customs receipts under the new tariff act are far in excess of estimates, and that it is truly described as "a fair barometer of commerce." In Missouri, Oklahoma and Kansas, there is demand for a hundred thousand laborers to harvest the unexampled wheat crop. Agricultural prospects the country over are distinctly promising. Bank clearings the country over are notably greater than they were a year ago. The New York Herald, which has conducted one of its characteristically fair and thorough investigations, reports that most manufacturing plants are working full time and are disposing of their goods at a rate equal to production.

The fact is, there is but one cloud of doubt on the business horizon, and that, we have reason to hope, will soon be dispelled. The railroads are anxiously awaiting the decision of the Interstate Commerce Commission on their appeal for a rate advance. As a result, those lines of industry that are closely related to the railroads are hesitant. It is expected, however, that this important decision will soon be rendered, and if it is favorable, as most men think it will be, its stimulating effect will be instantaneous and far-reaching.

The calamity croakers have done their worst to create an atmosphere of depression, but they have failed simply because there is no basic reason for depression. The new tariff has not hurt business. The new banking and currency law has incalculably helped business. The forthcoming trust legislation is moderate and constructive.

Good times are ahead.

DEAFNESS CANNOT BE CURED

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

It is our own belief that the old days of Mellens and melons are gone.

It is predicted that fashions will become safe and sane by autumn. That sounds too good to be true.

President Wilson is not the sort of man who asks if it's hot enough for you.

Coughs and Colds Weaken the System

Brown, Muscatine, Ala., writes: "My wife was sick during the hot summer months and I honestly believe Dr. King's New Discovery saved her life." Good for children. 50c. and \$1.00 at your druggist.

Rain, like some other things, will soon cease to be a novelty.

Colonel Roosevelt needn't imagine that the people are going to be stirred to enthusiasm by the Bull Moose literature of George W. Perkins, late of the house of Morgan.

Only One Entirely Satisfactory.

"I have tried various colic and diarrhoea remedies, but the only one that has given me entire satisfaction and cured me when I was afflicted is Chamberlain's Colic, Cholera and Diarrhoea Remedy. I recommend it to my friends at all times," writes S. N. Galoway, Stewart, S. C. For sale by all dealers.

Cures Stubborn, Itchy Skin Troubles
"I could scratch myself to pieces" is often heard from sufferers of Eczema, Tetter, Itch and similar Skin Eruptions. Don't Scratch—Stop the Itching at once with Dr. Hobson's Eczema Ointment. Its first application starts healing; the Red, Rough, Scaly, Itching Skin is soothed by the Healing and Cooling Medicines. Mrs. C. A. Special "Health Warning" for March
March is a trying month for the very young and for elderly people. Croup, bronchial colds, grippe and pneumonia are to be feared and avoided. Foley's Honey and Tar is a great family medicine that will quickly stop a cough, check the progress of a cold and relieve inflamed and congested air passages. It is safe, pure and always reliable. Less happiness results from acquiring a thing than from the pursuit.

Always Lead to Better Health
Serious sicknesses start in disorders of the stomach, liver and kidneys. The best corrective and preventive is Dr. King's New Life Pills. They purify the blood—prevent constipation, keep Liver, Kidneys and bowels in healthy condition. Give you better health by ridding the system of fermenting and gassy foods. A murdered in Sing Sing went on a hunger strike to avoid the electric chair, but at the end of a week he gave it up and "fell to."

Plain Truth That's Worth Money
Using Foley's Honey and Tar for a cough or cold may save you both sickness and money. F. E. Monahan Menomnie, Wis., says: "I am exposed to all kinds of weather and I find Foley's Honey and Tar Compound always fixes me up in good shape when I catch cold or have a bad cough. I recommend it gladly." Refuse substitutes. For sale by Hicks & Hawley.

It's an ill wind just now that brings no rain.

Just Right for Backache and Rheumatism.
Foley Kidney Pills are so thoroughly effective for backache, rheumatism swollen, aching joints, kidney and bladder ailments that they are recommended everywhere. A. A. "Thaw case reaches supreme court." Here's hoping it won't stay long.

Get Rid of Your Rheumatism.

Now is the time to get rid of your rheumatism. You can do it if you apply Chamberlain's Liniment. W. A. Lockhard, Homer City, N. Try This Home-Made Cough Remedy

Costs Little, But Does the Work Quickly, or Money Refunded.

Mix one pint of granulated sugar with 1/2 pint of warm water, and stir for 3 minutes. Put 2 1/2 ounces of Pinex (fifty cents' worth) in a pint bottle; then add the Sugar Syrup. Take a teaspoonful every one, two or three hours.

You will find that this simple remedy takes hold of a cough more quickly than anything else you ever used. Usually ends a deep seated cough inside of 24 hours. Splendid, too, for whooping cough, croup, chest pains, bronchitis and other throat troubles. It stimulates the appetite and is slightly laxative, which helps end a cough.

This recipe makes more and better cough syrup than you could buy ready made for \$2.50. It keeps perfectly and tastes pleasantly.

Pinex is the most valuable concentrated compound of Norway white pine extract, and is rich in quinine and all the natural pine elements which are so healing to the membranes. Other preparations will not work in this formula.

This plan of making cough syrup with Pinex and sugar syrup (or strained honey) has proven so popular throughout the United States and Canada that it is often imitated. But the old, successful formula has never been equaled.

A guaranty of absolute satisfaction, or money promptly refunded, goes with this recipe. Your druggist has Pinex or will get it for you. If not, send to The Pinex Co., Ft. Wayne, Ind.
