## GRANTS AMNESTY

### PHILIPPINE PRISONERS TO BE GIVEN LIBERTY.

#### JULY 4TH IS THE DATE GIVEN

Cabinet Decides to Take This Step When Philippines Bill Shall Have Passed—Other Matters Under Consideration.

WASHINGTON, D. C., June 28.—At the meeting of the cabinet yesterday the terms of an amnesty proclamation to the Filipinos, which it is contemplated to issue on the Fourth of July, were agreed upon. The war department for some time past has had under consideration the draft of a proclamation and has found it necessary to make a number of changes in its text. In its modified state it was agreed to by the cabinet and Secretary Root will cable it to Acting Governor Wright for his inspection. If it meets the latter's approval nothing will remain but for the president, if the Philippine civil government bill is a law on that day, as is now expected it will be, to issue on Independence Day a formal proclamation setting forth terms of amnesty for all political offenders in the islands, including Aguinaldo and those held at Guam.

The proclamation is based upon the general objects of the Philippine government bill, namely, to restore peace in the archipelago and substitute a civil for a military administration. The proclamation will declare that a state of peace now exists in the Philippine islands save in the parts of the archipelago where the Minandao or Pagan tribes are giving the United States a great amount of trouble, and will declare in effect that, with the transfer of the government of the archipelago from a military to a civil status, all those arrested and held for political offenses shall be restored to liberty, granted full amnesty and allowed to participate in the civil government that is to be inaugurated in the islands.

While the proclamation is subject to changes in text, the general language of the document is pretty well mapped out.

There was a general discussion of the treatment that should be accorded the political prisoners of the islands. There is no intention, it is stated, to release those convicted of other than political offenses, the benefits of the amnesty being limited to those in custody as a result of breaches of military law, leaving criminal offenders to the action of the proper authorities under the coming civil government. The purpose is to demonstrate that motives of humanity and generosity dictate our course toward the Philippines. When the islands are turned over to the civil authorities they will not be left without adequate military protection, as no more troops will be ordered home for the present and every precaution will be taken for the military safeguarding of the islands under the new civil administration.

Another subject under consideration at the cabinet meeting was the negotiations for the purchase of the friars' lands in the Philippines. Secretary Root took with him to the meeting all the correspondence which has passed between himself and Governor Taft while the latter has been carrying on negotiations at Rome. It is understood that Secretary Root feels great confidence in a successful outcome of Governor Taft's efforts.

The cabinet meeting was held in the president's temporary quarters on Lafayette square and was the first time in eighty-eight years that a regular session of the cabinet has been held outside the white house.

## FARMERS UP AGAINST TRUST.

### Confronted by Threshers Combine in Dodge County.

FREMONT, Neb., June 30.—When the farmers of this vicinity began to make contracts for threshing their grain recently they were much surprised to find an advance of about 20 per cent in the charges made by threshers, and it now appears that there is a threshing combine or trust in this vicinity which is likely to make the farmer pay more than usual to get his grain ready for the market.

In April last a meeting was held here which was attended by the principal owners of threshing machines in this and adjoining counties, at which it was decided that on account of the general advance in the price of machines, repairs, coal and other things they decided to advance the price. Committees were appointed and an organization perfected, which is likely to be a success. Last week another meeting was held at Hooper, which was quite well attended.

Farmers are satisfied that a combine exists, including practically all the machine owners in this vicinity and extending throughout this entire portion of the state, and are contriving some means to get their grain ready for market at the usual prices. Some say they will buy machines of their own before they will pay the prices charged.

## NEBRASKA MAN IS MURDERED.

### Body With That of Companion Found on Indian Reservation.

WOOD RIVER, Neb., June 30.—John Donaldson, living two miles east of this city, but who has been in Idaho for the last two months looking after some mining interests, was found murdered on the newly opened reservation near Fort Hall, Idaho. Charles Fritz of Pocatello, Idaho, was found with him, he also having met death by the assassin's bullet. Mr. Donaldson had been shot twice. No motive is known for the commission of the crime, but it is supposed it was either for robbery or in a dispute over a mining claim.

Mr. Donaldson came to Wood River in 1866 and has made this his home ever since. He left here May 7 and was expected to return in the middle of July. He leaves a wife and four children. He was 64 years old and a member of the Modern Woodmen of America lodge of this city, in which order he carried \$2,000 insurance.

## PHILIPPINE BILL

### AFTER LONG DEBATE HOUSE TAKES FAVORABLE ACTION.

#### VERY LITTLE CHANGE IS MADE

Measure Goes Through by a Party Vote With Two Exceptions—Some of the Minor Changes That the Lower House Made.

WASHINGTON, June 27.—At 8 o'clock last night at the end of a nine hours' session and of a debate lasting night and day for a week the house passed the Philippine civil bill, practically as it came from the committee. It was a party vote, 141 to 97, with the exception of Mr. McCall of Massachusetts, who voted with the democrats. The minority substitute for the establishment of a temporary government in the islands and their permanent independence as soon as a stable government could be established was defeated by 95 to 156. The debate during the day was at times of a lively character. The democrats offered a multitude of amendments, but all were voted down, including one offered by Mr. Patterson of Tennessee to prohibit slavery or involuntary servitude in the islands. The greatest interest attached to an amendment offered by Mr. McCall, republican of Massachusetts, to the end that the bill to declare the policy of the United States be to develop the capacity of the Filipinos for self-government and pledging the faith of the United States to grant the self-government mentioned in the bill issued at 11 o'clock tonight are quite inconsequential compared to the fact, which the Associated Press has learned, that his majesty again took food tonight and was afterward allowed to smoke a cigar.

Queen Alexandra sat with her husband all the evening and only left him after he had fallen into peaceful sleep.

To night King Edward is better in every way that he was last night on this morning. The return of pain in his wound is not accompanied by any appreciable increase of temperature. In fact, King Edward's doctors are inclined to regard the patient's pain and his appetite as healthy symptoms, although with the reserve they refrain from commenting thereon.

NEW YORK, June 27.—Owner of two yachts and a member of the New York Athletic club, Edward S. N. Dix is locked up in the toms, having been indicted on the charge of stealing \$500 from Ulan G. Buckley, president of from Julian G. Buckley, president of considerable real estate.

Buckley alleges that a large sum is missing from his rent roll. The alleged shortage was discovered in the course of a damage suit by Buckley against one of the rapid transit contractors for encroachment. The contractor demanded figures showing the amount in which the buildings had been damaged.

Dix, who Buckley alleges, has on a yachting trip. The books were examined and alleged discrepancies were discovered which led to the arrest of Dix.

## Two Men Murdered.

### POCATELLO, Idaho, June 27.—Late Tuesday afternoon the body of E. M. Fritz, a citizen of Pocatello, was found on the north fork of Pocatello creek, about eight miles from here. ## SITUATION VERY CRITICAL.

### Venezuelan Government Forces Are Again Defeated.

PORT OF SPAIN, Island of Trinidad, June 28.—The Venezuelan government forces have been defeated again near Urica, in the state of Cumana, by the rear guard of General Mato's revolutionary army.

Deserters and fugitives are entering Cumana and Barcelona by the hundreds. Among them is Garido, son of the war minister. The new disaster complicates General Castro's position in Barcelona, the headquarters of President Castro's largest army. General Velutini, the chief commander, quarrels daily with General Castro (who is a brother of the president), and he will abandon the command. The situation is more than critical.

The government is compelling importers at Carupano to pay again the duties collected on goods received during the late occupation of the town by the revolutionists. The first payment was made to the revolutionists, which causes a new diplomatic incident.

The United States vice consul, Juan A. Orsini, has left Carupano for Trinidad. His life was daily menaced by soldiers for having tried to protect the interests of French citizens, he being also consul for France.

## KING ABLE TO SMOKE.

### England's Ruler Grows Better as the Hours Pass, and Enjoys a Cigar.

LONDON, June 27.—Midnight.—Those around King Edward continue to be astonished at his rapid recovery. GRAND ISLAND, June 28.—After being in session from 3 o'clock Tuesday afternoon until 11 Wednesday morning, the Nebraska democratic and populist conventions agreed on the name of W. H. Thompson of Grand Island as a candidate for governor. After convening the democrats nominated C. J. Smyth of Omaha on the first ballot, sending word to the populists to that effect. The populists had appointed a conference committee to enter into negotiations, and on receiving news of denials, an action nominated M. F. Harrington of O'Neill for governor. This inaugurated a deadlock that many efforts for a time failed to break. Finally at 4 o'clock Wednesday morning the populists nominated W. J. Bryan by acclamation, but the democrats did not second the nomination and the wait was still on. Later the democrats withdrew the name of Mr. Smyth and substituted that of W. H. Thompson of Grand Island. The populist convention, after some discussion and deliberation, accepted the nomination on the tenth ballot and that gentleman was thereupon declared the nominee of both conventions for the office of governor.

Mr. Bryan, when nominated by the populists, expressed thanks for the honor conferred, but announced that he could not accept for reasons already made familiar to the public.

Mr. Harrington's name was then brought forth, and five out of the first six counties voted solidly for him, when he appeared to declare that he could not accept the nomination, and asked the convention to nominate W. H. Thompson.

The suggestion was acted upon, and Mr. Thompson was nominated by an overwhelming vote, which, on motion of a Douglas candidate was made unanimous.

## A TRAGEDY AT SEWARD.

### One Man Dead and Another Not Expected to Live.

SEWARD, Neb., June 28.—This place is all worked up over a sensational shooting which occurred in the street here, resulting in the instant death of one man, prominent in business circles, and the probable death of another, who is also holding a respected position. The dead: John Hand, aged about 45. The fatally injured: Alex Lange, aged about 40. For some time past stories have been floating around connecting the name of Hand and Mrs. Lange in an unfavorable manner. Lange frequently heard of these tales but apparently paid no attention to them until a few days ago, when he began brooding over his family troubles.

Late in the afternoon he met Hand on the street and the two became involved in an altercation about the relations between Hand and Mrs. Lange. The meeting was a stormy one, but to the onlookers did not seem to portend anything more than a wordy battle. However, in a flash of anger Lange drew his revolver. Hand saw the motion and turned away. At that instant Lange fired. The bullet entered Hand's head, just behind the right ear, and he fell to the ground. Death was instantaneous. Examination showed that the bullet had crashed through his head, the ball coming out through the forehead.

Lange walked hurriedly away and disappeared in his barn. There he placed his revolver to his head and fired twice, the first bullet having done him but little damage. He was later found on the barn floor by a searching party. The physicians say there exists little chance for his recovery. He became unconscious soon after he was found and has not spoken of the affair since it occurred.

### Decides That Circumstances Do Not Warrant Meeting Protests of Labor.

LINCOLN, Neb., June 28.—Governor Savage and his military staff will attend the laying of the keel of the battleship Nebraska at Seattle, in spite of the protests of labor organizations of that city, Omaha and other places. The party will leave either Lincoln or Omaha on the night of June 30.

The governor at first was inclined to take sides with the union men, but after investigating the trouble concluded that the fact that non-union men were employed in the construction of the battleship was no reason why he should join the boycott.

The governor will be accompanied by nearly all members of his military staff, as follows: Colonel George E. Jenkins, quartermaster and commissary general, and wife; Colonel Charles J. Bills, inspector general, wife and daughter; Colonel Carroll D. Evans, surgeon general, and wife; Colonel John H. Brown, judge advocate general; General Leonard W.
