W. H. M. ... EDITOR AND PUBLISHER.

Entered at the Monterey postoffice as second class matter.

Monterey, Va., Friday, Feb. 2, 1900.

The editor of the Figaro says that Count Castellane is of no account, and has no accounts left.

Robert's seat has been declared vacant. The mormon was present when the vote was taken. He may go into the courts with his case.

Hon. Wm. L. Wilson who is now in Arizona, writes his family that the indications to a marked improvement in his health, are encouraging.

The Virginia Legislature has invited Col. Bryan to speak in Richmond. A public spirited move—we may have milder weather now.

Recent railway statistics show that the export of grain by way of southern ports has increased enormously in comparison to that from New York and other northern ports. The south is the coming country.

The Secretary of the Treasury has had the impudence to request Congress to appropriate over \$100,000 to pay the rent of the New York custom house. Mr. Gage is undoubtedly a brave man, but it cannot be said that he is a wise one.

Col. Bryan returned to Washington to attend the Gridiron Club dinner. He is delighted with the reception he has met with in the East, and says the republicans will be surprised when the votes are counted, if they really believe, as they pretend to, that all of the Eastern states will support Mr. McKinley and the present policy of the administration. He says he has found the democrats, everywhere he has been, preparing to put up a stiff fight this year, and encouraged to believe that they have a good chance to elect the next President.

I am indebted to One Minute Cough Cure for my health and life. It cured me of lung trouble following gripe. Thousands owe their lives to the prompt action of this never failing remedy. It cures pneumonia, gripe and throat and lung troubles. Its early use prevents consumption. It is the only harmless remedy that gives immediate result. Trimble and Lunsford.

Jack and Jill. Johnnie Bull went up Spion Kop To fetch Uncle Paul Kruger, Johnnie fell down to the bottom of the Kop. And Uncle Paul looked over after. And Johnnie wondered why he had oughter gone up no how. Up Johnnie got And towards home did trot But uncle had crossed the Tagela He couldn't turn a wheel; Nor could he go any faster, To get the sticking plaster, Which was better for the scrapper Than vinegar and brownpaper.

Working Night and Day. The busiest and mightiest little thing that ever was made is Dr. King's New Life Pills. These pills change weakness into strength, listlessness into energy, brain fog into mental power. They're wonderful in building up the health. Only 25c per box. Sold by J. S. Carson.

J. J. Bery, Legation, Pa., writes "I am willing to take my oath that I was cured of pneumonia entirely by the use of One Minute Cough Cure after doctors failed. It also cured my children of whooping cough. Quickly relieves and cures coughs, colds, croup, gripe and throat and lung troubles. Children all like it. Mothers endorse it. Trimble and Lunsford."

Notice—The public are hereby notified that after March 1, 1900, the paths leading across Jack Mt. from the Big Valley through the lands of the undersigned will be closed. The continual inconvenience of having the gates and fences on the same left open as well as stock driven off by drovers going through leads us to take this step. J. H. Terry, Mrs. Wm. T. McClintic, Jesse Hicklin, Agt.

The modern and most effective cure for constipation and all liver troubles—the famous little pill known as Dr. Williams' little pink pills. Trimble and Lunsford.

The Time Comes to every elderly woman when an important functional change takes place. This is called "The Change of Life." The entire system undergoes a change. Dreadful diseases such as cancer and consumption are often contracted at this time. McNEIL'S Wine of Cardui Strengthens and purifies the entire system, and brings the sufferer safely over these pitfalls. Its effects have been wonderful. It is good for all menstrual troubles, but is especially recommended at this time. Ask your druggist for the famous Wine of Cardui. \$1.00 a bottle. For advice in cases requiring special directions, address the "Ladies' Advisory Department," The Chattanooga Medicine Co., Chattanooga, Tenn. THOMAS J. COOPER, Tampa, Fla., says: "My sister suffered from irregular and painful menstruation and doctors could not relieve her. Wine of Cardui entirely cured her, and also helped my mother through the Change of Life."

THE SUN

BALTIMORE, Md. THE PAPER OF THE PEOPLE, FOR THE PEOPLE AND WITH THE PEOPLE. HONEST IN MOTIVE. FEARLESS IN EXPRESSION. SOUND IN PRINCIPLE. A newspaper is an educator, there are all kinds of educators, but the man who spends money judiciously and liberally is better able to impart his knowledge than the man who has little or nothing to spend. The Sun's reports from all parts of the United States are unsurpassed. The Sun's Cable Service is the finest known; the troubles in the Philippines and in South Africa demand competent correspondents and vast expenditure of money and labor in getting the news. When you get The Sun you get the news and intelligent presentation of facts with it, as well as carefully prepared articles of editorial writers of highest standing. When you read a daily paper, whose principal recommendation is its cheapness, you get the dregs—generally very poor dregs at that. By mail Fifty Cents a month; six months, \$2.50; one year, \$4.50.

THE BALTIMORE WEEKLY SUN

THE BEST FAMILIAR NEWS PAPER. All the news of the world in attractive form, an Agriculture Department second to none in the country. Market Reports which are recognized authority; short stories, complete in each number; an interesting woman's column, and a varied and attractive department of household interest. One Dollar a year. Inducements to get-up of clubs for The Weekly Sun. Both the Daily and Weekly Sun mailed free of postage in the United States, Canada and Mexico. Payments invariably in advance. Address A. S. ABELL COMPANY, Publishers and Proprietors, Baltimore, Md.

It's Easy To Take

Thin, pale, anemic girls need a fatty food to enrich their blood, give color to their cheeks and restore their health and strength. It is safe to say that they nearly all reject fat with their food.

It is exactly what they require; it not only gives them the important element (cod-liver oil) in a palatable and easily digested form, but also the hypophosphites which are so valuable in nervous disorders that usually accompany anemia. SCOTT'S EMULSION is a fatty food that is more easily digested than any other form of fat. A certain amount of fish is necessary for health. You can get it in this way. We have known persons to gain a pound a day while taking it. SCOTT & BOWNE, Chemists, New York.

Does your House need Painting?

If so, have it done before the weather destroys the surface. Use the best materials, they are cheapest in the end. Employ honest, competent workmen—otherwise you lose, in both labor and material. No man can do good work cheaper than the one who knows his business. If you want nice work, get a good smooth surface to work on. You never get more than you pay for. When you pay out your money why not have good work done? Very Respectfully, R. F. GILLET, Practical Painter, Monterey, Va.
