New York Stock Market.

New York Nov. 18.—The stock market to-day under the leadership of the Grangers, and notably Burlington, gave promise of sustaining strength which was not borne out to the finish. There was no special pressure of foreign seling and in leading exchange circles the opinion was expressed that no gold would go out until Wednesday at the earliest. Soon after the expiration of the first hour an effective raid was made by the bear traders and stop orders were caught in a number of instances.

Special pressure was brought against New York Stock Market.

caught in a number of instances.

Special pressure was brought against Tobacco, which broke 3½ on rumors of impending unfavorable legal decision. The selling movement practically ceased at midday, although for some little time thereafter Tobacco and Manhattan continued to sag. There were no important subsequent movements in prices until the last bour when, on the announcement of a decision by Justice Harlan, at Washington, adverse to the contract of the Western Union Telegraph Company with the Union Pacific railroad, the stock of the former fell 2 per cent. on rather liberal sales. The closing was steady.

CHICAGO, Nov. 18.—Wheat made a struggle to advance this morning, but a 3,000,000 bushel increase in the visible and 5,000,000 bushel exports for the week from black seaports proved too much for it and it fell back to %c per bushel under the price it closed at on Saturday. The falling off in Northwestern receipts which at first caused an advance of %c generally supposed to have decreased only temporarily. Corn, cats and provisions were very dull and each closed slightly lower for the day.

. Electric Bitters.

ELECTRIC BITTERS is a medicine suited for any season, but perhaps more generally needed when the languid, exhausted feeling prevails, when the liver is torpid and singuish and the need of a tonic and alterative is felt. A prompt use of this medicine has often averted long and recharacters. long and perhaps fatal billious fevers.

No medicine will act more surely in counteracting and freeing the system from the malarial poison. Headache, Indigestion, Constipation, Dizziness yield to Electric Bitters. 50c and \$1.00 per bottle at Massie's Pharmacy.

Headache.

This distressing malady is caused by a run-down state of the health, and is often a forerunner of other and more dangerous diseases.

Brown's Iron Bitters cures headache by removing the

cause of it; and this is the way it does it. It purifies and enriches the blood,

quickens the action of the kidneys, the liver and the bowels, and gently and pleasantly stimulates the digestive organs, and in fact thoroughly renovates and tones up the whole system-and you have no more headache. And besides it is pleasant to take, and will not stain the teetli nor cause constipation.
Is this not better than dosing

yourself with disagreeable and dangerous drugs, which at the best can do no lasting good?

Don't be deceived by imitations. See the crossed red lines on the wrapper. Our book, "How to Live a Hundred Years," tells all about it; should be read by everybody; free for zc. stamp.
