The exposure to all sorts and conditions of weather that a lumberman is called upon to endure in the camps often produces severe colds, which, if not promptly checked, result in congestion or pneumonia. Mr. J. O. Davenport, ex-manager of the Fort Bragg Redwood Co., an immense institution at Fort Bragg, Cal., says they sell large quantities of Chamberlain's Cough Remedy at the company's store, and that he has himself used this remedy for a severe cold and obtained immediate relief. This medicine prevents any tendency of a cold toward pneumonia and insures a prompt recovery. For sale by The Chas. Lyle Drug Co.

In a recent editorial the Salem, Oregon, Independent says: "Time and again have we seen Chamberlain's Cough Remedy tried and never without the most satisfactory results. Whenever we see a person afflicted with hoarseness, with a cough or cold, we invariably advise them to get Chamberlain's Cough Remedy, and when they do, they never regret it. It always does the work, and does it well." For sale by The Chas. Lyle Drug Co.
