That Snow Story.
The information regarding the snows
of last winter was incorrect, so says
Uncle Andy Davis. He furnishes the
information that only eleven snows fell
during the winter between the dates of
December 26 and March 20. The snow
fell to the depth of seventy three inches
by actual measurement. This winter
we have had three snows to the depth
of less than three inches.

He Broke His Arm.
An entertainment was given at the
old Opera House last night, which was
quite well attended. One of the features

of the occasion was the excellent sing-
ing of a quartette, which was repeatedly
encored. Several sparring matches took
place between colored youths, much to
the amusement of the audience. The
main feature of the entertainment was
the scientific sparring match between
Jno. Hanna of this city, and Edward
Pierce, the light-weight boxer of New
York. The men were well matched and
the first round resulted in favor of
Hanna, the second was a draw and in
the third Hanna broke the large bone
in his left arm.

Police Court Yesterday.
In the police court yesterday morning
Thos. Jackson was fined \$2.50 for drunk-
ness, R. O. Karnes, drunk and fight-
ing, \$5; Sam Foutz, drunk, \$3.50; Albert
Hicks and Fannie Brown \$1 each for
being disorderly. Nick Arthur was sent
to the grand jury on the charge of for-
gery, and was given fifteen days in jail
in each of two cases, and thirty days in
another on the charge of obtaining
money under false pretences.

A Hustling Firm.
In looking over the newspapers of
Southwest Virginia there is hardly a
daily or weekly published in this sec-
tion but what has an advertisement of
the Hobbie Music Company. This firm
knows the value of printers ink and
does not hesitate to use it freely. Such
enterprise in connection with unques-
tioned reliability is sure to bring busi-
ness, as the extensive sales of the Hob-
bie Music Company demonstrates. In
to-day's issue of THE TIMES they have a
new advertisement to which special at-
tention is called. Always with a full
stock of pianos, organs and other mu-
sical instruments on hand and with the
best guarantees of good faith in all
their dealings, the public can trust them
fully and be sure of value received for
all the money expended with them.

Mr. Tillett in the Field.
T. R. Tillett, the present city ser-
geant, announces in THE TIMES this
morning that he is a candidate for re-
election. It has been evident for a long
time that the city of Roanoke was to be
congratulated upon having Mr. Tillett
fill the office of sergeant, for he is a
painstaking, industrious and thoroughly
reliable official—one who is endorsed
by all having business with the courts
as being uniformly courteous and care-
ful in his treatment of people and all
business committed to his care. His as-
sociates in the city government speak
in warm praise of his official career and
of the large volume of business which
he transacts. His bureau is up-to-date
in every respect.

Robert Mitchell Dead.
The remains of Robert K. Mitchell,
who died at East Radford of pneumonia
Friday, were brought to Roanoke yes-
terday on No. 4 in charge of C. B.
Boomer and F. S. Camper, of Montgom-
ery Castle No. 4, Knights of the Mystic
Chain, of which deceased was a member.
The remains were met at the depot here
by a committee from Roanoke Castle No.
2, and conveyed to the family residence
at 514 Commerce street. The funeral
services will take place at 2 p. m. to-
day at Greene-Memorial Church, after
which the remains will be interred in
the City Cemetery. The funeral will be
attended by the Order of the Knights of
the Mystic Chain, of this city. Mr.
Mitchell was well known in this city.
He was respected by all who knew him,
and the general verdict is that a good
young man is gone.

Y. M. C. A. NOTES.
The Services To-day to be Conducted by
Secretary Meacham.

The association building is becoming
one of the most popular places of resort
in the city. There were 186 visits by
young men to the building yesterday,
and the bathing facilities were taxed
to the utmost.

Secretary Meacham will address the
men's meeting this afternoon at 4
o'clock; subject, "Some Lessons From
the Recent State Convention at Ports-
mouth." All men are cordially invited
to attend the song service at 3:45 o'clock.
The red and blue contest classes Mon-
day night at 9 o'clock. The committee
will probably be prepared to state the
results at 10 o'clock and will meet the
members of both teams in the Y. M. C.
A. lecture room at that time. Both
teams have been doing excellent work
and many more additions are expected
to come in during Monday.

The management wish to announce
that there is some mistake regarding
the announcement through the press of
the city that the Y. M. C. A. quartette
would appear in an entertainment given
last evening. The Association has no
quartette at present, and has author-
ized no one to use their name.

FINE RACING.

The Greatest Crowd Ever congregated in
Recent Years in Attendance.

SAN FRANCISCO, Cal., Feb. 23.—The
greatest crowd that ever congregated
within a race track course in this city in
recent years assembled at the Bay dis-
trict track, the unusual feature of a
four mile stake race proving an attrac-
tion sufficient to draw visitors from all
sections of the State.

It was the Thornton stakes, and was
valued at \$3,000. There were three
starters, Green B. Morris' Imp Star
Ruby, the Elmwood stock farms Claud-
ius and the Sycamore stables' Gilead.
This event was won last year by the
latter horse, but notwithstanding this
win, he was overlooked in the betting to
the post as a third choice. Imp Star
Ruby was the virtual favorite, but there
was such a strong play at post time that
they were both even money.

Grassan, Pittsburg, Philadelphia and
the plungers were down on Claudius on
the strength of a very fast work-out.
When the flag fell Claudius took the
lead, closely followed by Gilead. Star
Ruby was kept about an eighth of a
mile behind the two leaders for about
three miles and a half. The first mile
was run in 1:56½; the second in 1:51½;
the third in 1:47; and the last in 1:48½.
When the horses had negotiated three
miles and a half, Martin sent Ruby for-
ward with a rush and turning into the
stretch, the two leaders fought it out,
Star Ruby winning in a hard drive by a
scant length.

Imp Star Ruby's time in the last mile
was 1:45. The time for the four miles
was 7:33½, but three seconds slower
than the California record. The six
furlong handicap went to Nagles Burk's
coit, Bellicose who was to all third
favorite. Four favorites and the second
choices secured first money. The
weather was fine and the track very
fast.

Destructive Fire at Baltimore.
BALTIMORE, Md., Feb. 23.—Eleven
houses were burned and seven others
badly damaged by fire early this morn-
ing in the extreme eastern section of
the city. The fire originated in the rear
of 1241 Harris street and rapidly spread
to adjoining buildings, consuming
almost the entire block. Twenty
families were turned out into the street
with scarcely any clothing in the bitter
cold morning.

Maher's Backers Not Satisfied.
EL PASO, Tex., Feb. 23.—Maher's
backers are going to challenge Fitzsim-
mons for another battle for \$5,000 a side.
It is understood Julian will offer Maher
inducements for a four round glove
contest between Maher and Fitzsim-
mons at Madison Square garden, New
York, February 29.

Minister De Lome on Cuba.
MADRID, Feb. 23.—The Spanish min-
ister at Washington, Senor Dupuy de
Lome, replying to an enquiry on the
subject, has telegraphed that he regards
it as impossible that the United States
should recognize the Cuban insurgents
as belligerents.
