## THE ADMINISTRATION DENOUNCED

Platform of the South Carolina  
Democratic Convention.

It Declares That Cleveland's Adminis-  
tration Has Been Undemocratic and  
Tyrannical—Says the Issue of Bonds in  
Time of Peace Deserves Impeachment.  
The Free and Unlimited Coinage of  
Silver at 16 to 1 Demanded.

COLUMBIA, S. C., May 20.—The Demo-  
cratic State convention met at noon to-  
day, appointed committees and took a  
recess until 8 p. m. When the conven-  
tion reassembled at 8 p. m. Senator  
Tillman, chairman of the committee on  
platform, presented the report of the  
committee, of which the following is an  
abstract:

"The Democratic party of South  
Carolina reaffirms its allegiance to the  
principles enunciated by Jefferson, Mon-  
roe and Jackson and pledges itself to  
stand by those principles as the creed of  
our political faith.  
"We denounce the administration of  
President Cleveland as undemocratic and  
tyrannical and as a departure from those  
principles which are cherished by all  
liberty-loving Americans.  
"The appointive power has been used  
to subsidize the press, to debauch Con-  
gress and to overawe and control citi-  
zens in the free exercise of their con-  
stitutional rights as voters.  
"We repudiate the construction placed  
on the financial plank of the last Demo-  
cratic national convention by Presi-  
dent Cleveland and Secretary Carlisle.  
"The issue of bonds in time of peace  
with which to buy gold to redeem coin  
obligations payable in silver or gold at  
the option of the Government and the  
use of the proceeds to defray the ordi-  
nary expenses of the Government are  
both unlawful and usurpations of au-  
thority deserving impeachment.  
"The sudden reversal of the decision  
in the income tax cases has never been  
satisfactorily explained to the Ameri-  
can people, and the court has lost the  
respect and confidence of the people as  
a natural result. To restore confidence  
in the judiciary and make the courts  
the bulwarks of liberty, to protect the  
people against the brood of vampires in  
the shape of monopolies, trusts and  
combinations, which have grown up  
under vicious laws badly administered;  
to provide for the election of Senators  
and high Government officials by the  
people so as to reduce the dangers of  
unscrupulous Presidents; to restore gov-  
ernment of the people, by the people  
and for the people, we demand the call-  
ing of a constitutional convention to  
form an organic law suitable to the  
changed conditions and to the growth  
of the country.  
"We demand a more economical ad-  
ministration of our national affairs.  
"We demand the restoration of the  
money of the constitution by giving  
silver the same rights and privileges  
now given to gold.  
"We demand the free and unlimited  
coinage of silver at a ratio of 16 to 1  
regardless of the action of any and all  
other nations, and that such coinage be  
a legal tender for all debts public and  
private. Congress alone has the power  
to coin and issue money and President  
Jackson declared that this power could  
not be delegated to a corporation; there-  
fore, we demand the national banking  
system be abolished.  
"A minority report signed by two mem-  
bers was presented and asking elimina-  
tion of the condemnation of Cleveland  
and demanding a pledge to abide by the  
action of the national convention. A  
number of speeches were made.  
Senator Irby supported the anti-bolting  
declaration, charging that Tillman's  
ambition to be President, which could  
not be gratified in the Democracy, was  
at the bottom of the bolting proposi-  
tion.  
Senator Tillman replied in a bitter

speech, and the platform as presented  
by him was then adopted.

## THE QUADRENNIAL CONFERENCE.

Most of the Day Spent in Balloting For  
Book Agents.

CLEVELAND, O., May 20.—Bishop Fos-  
ter presided to-day at the Methodist  
conference, and it was decided to per-  
mit but one nomination and one second  
to be made.  
The first ballot for book agent in  
the Western Book Concern at Cincin-  
nati was announced. The whole num-  
ber of votes cast was 496. Of these  
Louis Curtis received 301, thus re-elec-  
ting him.  
Resolutions denouncing, as disgraceful,  
the sale of intoxicating liquor in the  
capitol at Washington and commending  
the bill reported by the House commit-  
tee prohibiting, were adopted. The res-  
olutions closed with a strong appeal to  
both the Senate and House to pass the  
bill.  
The fourth ballot for agent for New  
York was announced, Dr. Manis receiv-  
ing 339 votes, which elected him, thus  
making the New York agents Dr. Eaton  
and Dr. Manis.  
The fourth ballot on the Cincinnati  
book concern was taken. In all 510  
votes were cast; necessary to a choice,  
256. Dr. H. C. Jennings received 344  
votes, thus electing him, and making  
the Cincinnati agents Louis Curtis and  
H. C. Jennings.

## NEW HAMPSHIRE DEMOCRATS.

The State Convention Endorses Cleve-  
land and Declares for Gold.

CONCORD, N. H., May 20.—The New  
Hampshire Democratic State convention  
met to-day to choose delegates at large  
to the national convention. The Hon.  
Harry Bingham presided. The plat-  
form adopted says on the financial  
question:  
Under present conditions there can be  
but one standard of value, and every  
kind of currency should rest upon a gold  
basis, so long as gold is the standard  
recognized by the great commercial na-  
tions of the world; and we heartily  
commend the action of President Cleve-  
land in so firmly maintaining our public  
credit and faith in the face of formi-  
dable opposition.  
The following delegates at large were  
elected by acclamation: Hon. Frank  
Jones, of Portsmouth; Hon. W. Alvah  
Subway, of Franklin; Hon. Irving W.  
Drew, of Lancaster, and Col. Charles A.  
Sinclair, of Portsmouth. These alter-  
nates were chosen: Frank N. Chase, of  
Somersworth; Sylvester H. Danforth,  
of Concord; Col. Frank G. Noyes, of  
Nashua, and William A. Plummer, of  
Laconia.

and will return to work to-mor-  
row morning. The thousands or more  
employees in different departments of  
the plant, who were laid off because of  
lack of work, will also be reinstated.  
The firemen gave in an increase of 1 1/2

and pleaded guilty, but the court re-  
fused to accept the plea and ordered a

## AN IMMIGRATION BILL PASSED

The Barthold-McCall Bill Passed  
the House Yesterday.

As Modified by the Corliss Amendment  
Male Foreigners Between Sixteen and  
Sixty Years Who Cannot Both Read  
and Write Excluded—Mr. Gorman's  
Proposition to Issue Treasury Cer-  
tificates Was Defeated.

WASHINGTON, May 20.—After two  
days' debate the House to-day, by the  
overwhelming vote of 195 to 26, passed  
the Barthold-McCall immigration bill  
as modified by the Corliss amendment.  
The Stone consular inspection bill,  
which was offered as a substitute, was  
defeated by 75 to 131. The bill as  
passed adds to the classes of aliens ex-  
cluded from admission to the United  
States all male persons between the  
ages of 16 and 60 (except parents of  
persons living in this country) who  
cannot both read and write English or  
some other language.  
The Corliss amendment added to the  
bill excludes aliens who come across  
the border year after year to perform  
labor in the United States with no in-  
tention of settling therein. It declares  
all labor contracts with aliens void, and  
makes parties thereto within the juris-  
diction of the United States punishable  
by a fine of \$1,000, or imprisonment not  
exceeding one year; makes it a misde-  
meanor for naturalized citizens who  
have returned to a foreign country mak-  
ing the same his home, to again  
perform labor in the United States;  
makes it a misdemeanor for any alien to  
cross the border at a port of entry and  
imposes a head tax of fifty cents on  
each immigrant.

Before the debate began to-day a special  
order was adopted setting aside to-  
morrow for the consideration of the  
Phillips commission bill and Friday for  
the Erdman arbitration bill. The order  
provoked the vehement protests of the  
friends of war claims, who charged the  
leaders of the House with treating them  
unfairly. Both Mr. Mahon (Rep., Pa.),  
chairman of the war claims committee,  
and Mr. Walker (Rep., Mass.), served  
notice that at the short session, begin-  
ning in December, no bills would be al-  
lowed to pass by unanimous consent.  
Their threat is for the purpose of forc-  
ing the consideration of bills on the cal-  
endar.

**Senate Proceedings.**  
The Senate to-day defeated a propo-  
sition by Mr. Gorman for the issue of  
\$100,000,000 of 3 per cent. Treasury cer-  
tificates to meet prospective deficiencies.  
This was followed by the defeat  
of another proposition by Mr. Peffer,  
of Kansas, for the issue of greenbacks  
to meet the appropriations made by the  
fortifications bill.

Both propositions were offered as  
amendments to the fortifications bill,  
which is the last but one of the appro-  
priation bills to be passed. Mr. Gor-  
man's amendment developed an inter-  
esting financial debate, with Mr. Sher-  
man and Mr. Gorman as the main par-  
ticipants. Mr. Sherman resisted the  
amendment and urged that the proper  
step was to pass the Dingley emergency  
tariff bill.

Mr. Gorman made an offer to Mr.  
Sherman that both sides of the cham-  
ber join in a non-partisan relief mea-  
sure, imposing a tax on tea and coffee,  
and repealing the rebate on alcohol  
used in the arts, which would, he said,  
add \$40,000,000 to \$50,000,000 to the  
revenues, and would reduce rebates by  
\$15,000,000. Mr. Sherman did not  
respond to the suggestion.  
A motion by Mr. Mills to lay the Gor-  
man amendment on the table prevailed,  
yeas 43, nays 9. Mr. Peffer's greenback  
proposition was defeated without debate  
yeas 43, nays 12. The fortification bill  
as passed carries \$10,763,883, or \$4,918,-  
051 more than the House appropriated.

## AMERICAN MISSION LOOTED.

A Chinese Mob Attempts to Remove a  
Native Child.  
SHANGHAI, May 20.—Details received  
in regard to the anti-missionary riots at  
Kiang-Yin on May 12, during which a  
mission was looted, show that the dis-  
turbance was caused by the admission  
of a native child to the hospital.  
This caused the assembling of a mob,  
which demanded the child, and, upon  
the refusal of the missionaries to give it  
up, the infuriated crowd wrecked the  
mission buildings, which, it is added,  
were American property and not the  
property of the British missionaries.  
The missionaries, however, escaped.

**Queen Victoria's Birthday.**  
LONDON, May 20.—The official cele-  
bration of the queen's birthday, which  
occurs next Sunday, took place to-day

the guards there was the usual attrac-  
tive ceremony of trooping, and it was  
witnessed by large crowds.

NORFOLK, Va., May 20.—Richmond  
took to day's game from the locals on  
account of critical errors. McFarlan  
led in batting, making two singles and  
a home run. Both pitchers put up a  
stiff game.

over it.

## THE NATIONAL LEAGUE.

CLEVELAND, May 20.—Cleveland hit  
Pond hard during the three innings he  
lasted, and that, combined with costly  
errors by Baltimore's infield, gave  
Cleveland the game. Cuppy was hit  
hard, but not effectively. Attendance,  
2,000. Score:  
Cleveland..... 504001030—12 11 1  
Baltimore..... 010010122—7 12 2  
Batteries—Cuppy and Zimmer; Pond, Hem-  
ming and Robinson.  
CINCINNATI, May 20.—The Reds  
batted Orth hard and won easily, as  
Philadelphia could not hit Rhinos. At-  
tendance, 2,400. Score:  
Cincinnati..... 11110000x—4 10 1  
Philadelphia..... 00000000—0 2 3  
Batteries—Rhines and Feltz; Orth and Cle-  
ments.

PITTSBURG, May 20.—After the third  
inning the game was a farce. Hastings  
was batted too hard and Gosar was sent  
in in the fourth. It began to rain dur-  
ing the fourth inning and the home  
team played for a called game. The  
umpire compelled the teams to play,  
though it rained until the sixth inning  
had started. Attendance, 1,500. Score:  
Pittsburg..... 000000024—6 14 4  
Brooklyn..... 222472303—25 21 1  
Batteries—Hastings, Gosar and Merritt; Abbey  
and Grim.

CHICAGO, May 20.—Today's game  
needs no description. The New Yorks  
simply toyed with the Colts, batting  
Parker all over the lot and playing per-  
fectly in the field, excepting for a muff  
by Van Haltren. Although the locals  
are credited with fifteen hits, they were  
so badly scattered that they counted for  
but little. Weather cloudy and  
cool. Attendance, 1,800. Score:  
Chicago..... 110000110—4 15 5  
New York..... 302900005—19 20 1  
Batteries—Parker and Kittredge; Meekin and  
Wilson.

ST. LOUIS, May 20.—Breitenstein,  
who was to have pitched for the Browns  
to-day, tore the nail of the index finger  
of his left hand and will be laid up for  
two weeks. Kissinger, who took his  
place, kept the visitors down to seven  
hits, two of which they scored. Stivets  
did equally well by the Browns, but  
they were unfortunate on the bases and  
made several costly errors, losing the  
game. Attendance, 1,500. Score:  
St. Louis..... 000000001—1 7 2  
Boston..... 300010001—5 7 2  
Batteries—Kissinger and Murphy; Stivets and  
Ganzel.

**DEDICATION SERVICE AT CALVARY**  
Dr. Brown's Address on "Our  
Church Home."

A Most Interesting Occasion—Charles  
Lunsford, the Oldest Member of the  
Church, Delivers an Appropriate Ad-  
dress—Dr. Wellington, of Richmond,  
to Speak To-night—Dr. Pilcher, of Pe-  
tersburg, Will Also Address the Meet-  
ing.

The dedication services of Calvary  
Baptist Church began last night. A  
large congregation, representing largely  
the church, assembled in the lecture  
room. Excellent music was rendered  
by the choir. After some introductory  
remarks and prayer by the pastor, Dr.  
Broughton, Charles Lunsford, the oldest  
member of the church, made a very in-  
teresting and touching address on the  
history of Calvary Church, and brought  
out some interesting facts which are  
not recorded. He said this was the third  
church home he had helped to build in  
eight of each other and was now 72  
years old and would never help build  
for himself another, as he expected to  
go from this to the better home.  
Rev. Dr. H. A. Brown, of Winston, N. C.,  
the guest of the evening, was then  
introduced by the pastor and delivered  
a very thoughtful, tender and thrilling  
address on "Our Church Home." Among  
other things he said our church home  
should be happy, beautiful, attractive,  
convenient and substantial. He said a  
church home should be as the hearth-  
stone to the family where the young  
are trained for the active duties of life.  
He made a special plea for the recog-  
nition of the young people.  
He said he believed in making church  
services so interesting that the young  
would be attracted by them. This  
would solve the problem "How to reach  
the masses." He said he verily be-  
lieved a bouquet of flowers oft-times  
was a great means of grace and urged  
the importance of flower committees in  
the work of our churches. "But," said  
he, "don't forget after all that the main  
purpose of a church house is to afford  
opportunity for worship."  
Dr. Brown is a very attractive speaker,  
noted for his consecration and zeal for  
souls. He has been pastor of the First  
Baptist Church of Winston for eighteen  
years and is one of the foremost men in  
his denomination in North Carolina. In  
closing his very interesting address he  
complimented the church and its pastor  
in what they had done, saying it was  
one of the great marvels of the present  
time. He said he had the honor of being  
the first to recommend Dr. Broughton  
to Calvary Church. He will spend the  
week attending these services and be  
the guest of Dr. Broughton.

The programme for to-night will be  
exceedingly interesting and the house  
should be packed.  
Rev. Dr. R. J. Willingham, of Rich-  
mond, the corresponding secretary of the  
foreign mission board of the South-  
ern Baptist Church, will deliver an ad-  
dress, and Rev. Dr. J. M. Pilcher, of Pe-  
tersburg, will also speak. They will ar-  
rive on the 4 p. m. train to-day. Music  
will be a special feature.

**GENERAL WEYLER'S ORDER.**  
Likely That It Will Stop the Manufacture  
of Havana Cigars.  
CHICAGO, May 20.—The Times-Herald  
says: "With few exceptions, every  
manufacturer in Chicago engaged in  
making Havana cigars will be shut  
down within ninety days as one result  
of General Weyler's orders forbidding  
the exportation of leaf tobacco from  
Cuba. This is the opinion expressed by  
some of the largest tobacco importers in  
the city who are thoroughly posted on  
the condition of the market. Another  
result of the Spanish general's proclama-  
tion will be the enforced idleness of  
thousands of cigar makers until the em-  
bargo is removed.  
"What is true here may also, it is  
said, apply everywhere where Cuban  
tobacco is necessary to the manufacture  
of cigars. There is no more Havana  
wrapper tobacco in sight than has  
already been brought to this country and  
this cannot last longer than three  
months.  
"The new crop for which importers  
have been waiting has just matured,  
but might as well have been burned by  
the Cuban insurgents for all the good it  
will do the American manufacturer.  
There is plenty filler tobacco but it is  
useless without the proper kind of  
wrapper.  
"The small manufacturers will suffer  
most by General Weyler's proclamation.  
They find it next to impossible to buy  
wrapper tobacco at any price in a few  
weeks. A few of the largest importing  
firms will profit immensely by the situa-  
tion. These firms have been investing  
largely during the past month in Ha-  
vana tobacco, fully anticipating the con-  
tingency that has arisen.  
"It is no secret in the tobacco trade  
that two or three Chicago importers  
have been making the heaviest ship-  
ments in their history since the begin-  
ning of the month, hoping to lay in a  
stock that would carry them through."
