The summer of 1900 has thus far been an ideal one on the east coast. The breezes wafted by the breath of old Neptune are cool and caressing, and the mosquito, the one great drawback to a summer in Florida, has decided to spend his vacation elsewhere, at least he is not tarrying in this section. Plenty of quiet and plenty of rest-time for reading and recreation. The nights are the most comfortable imaginable, and some of them have been most glorious.

No Right To Ugliness. The woman who is lovely in face, form and temper will always have friends, but one who would be attractive must keep her health. If she is weak, sickly and all run down she will be nervous and irritable. If she has constipation or kidney trouble her impure blood will cause pimples, blotches, skin eruptions and a wretched complexion. Electric Bitters is the best medicine in the world to regulate stomach, liver and kidneys and to purify the blood. It gives strong nerves, bright eyes, smooth, velvety skin, rich complexion. It will make a good looking, charming woman of a run-down invalid. Only 50 cents at B. R. Wilson & Son's drug store.

You assume no risk when you buy Chamberlain's Colic, Cholera and Diarrhoea Remedy. Wilson & Son will refund your money if you are not satisfied after using it.
