

PRIMARY RULES.

Democrats To Make Choice For Appointment Officers November 6th.

The state Democratic executive committee, in session in Jacksonville recently, promulgated rules to govern the primaries to be held on November 6th, next, a synopsis of which is as follows:

An election by primaries is hereby called in each county on November 6th, 1900, to settle the question of the removal of the seat of state government; and also the question of holding a state constitutional convention; and also to nominate candidates for all such appointive offices wherein vacancies shall occur in the next two years; and also candidates for all such appointive county offices that it may be necessary to fill in the next two years.

If no candidate receives a majority vote for any such office, then the two highest candidates shall be voted for at a subsequent primary, to be held on the 4th day of December, 1900.

In said primary election all and only the white Democratic electors, who, in said general election, shall have voted for the candidates of said Democratic party, county, state and national, shall be permitted to participate, and shall have voted in the general election that day, and any elector, whose right to vote is challenged, may be required by the inspectors to swear or affirm to the necessary qualification.

Each such elector in the state shall have the right to vote for one of the cities which are candidates for the location of the state capital; each such elector shall have the right to vote for or against the calling of a state constitutional convention; and each elector shall have the right to vote for one candidate for adjutant-general, and for one candidate for state chemist.

Each such elector in the Second, Third, Fourth and Seventh judicial circuits shall have the right to vote for one candidate for state attorney for his judicial circuit.

Each such elector in Duval, Escambia, Hillsborough, Orange and Volusia counties shall have the right to vote for one candidate for judge and one candidate for solicitor of the criminal court of record for his county.

Each such elector in each county shall have the right to vote for one candidate for county commissioner in each commissioner's district in said county in which a candidate for county commissioner has not heretofore been nominated.

Each such elector in each county in which a supervisor of registration shall not heretofore have been nominated shall have the right to vote for one candidate for supervisor of registration for his county.

Each such elector in the county of Escambia shall have the right to vote for one candidate for custodian of lost timber and lumber, and one candidate for harbor master of the port situated in said county.

Voting in said primary shall be by ballot, prepared in accordance with the state election law, the ticket to include the names of cities which are candidates for the location of the state capital.

Cities desiring to be voted for as a site for the state capital, and all persons desiring to become candidates for appointment to state offices, shall cause their names, together with a statement of their candidacy, to be filed in writing with the chairman of the state executive committee not less than fifty days before the date of said primary election.

Persons desiring to become candidates for appointment to any county office shall cause their names, together with statements of their candidacy, to be filed with the chairman of the county executive committee at least twenty days before said primary election.

If fraud is perpetrated in the returns, the committee reserves the right to correct such fraud or error.

Each candidate or city entering the primary shall be given the right to place a watcher at the polls from the opening to the closing of the election.

Each county committee shall notify the state committee of the number of electors in each county precinct ten days before the date of the primary.

The county executive committee in each county shall appoint, not less than twenty days before said primary election, three intelligent and fair-minded persons, to be designated as inspectors of election, one of whom shall act as a clerk, in each precinct in said county. Such inspectors shall be paid \$1 per diem, and one of them, acting as a returning officer, shall be allowed an additional compensation of 5 cents per mile for the distance traveled in making said returns and going home, and not more than one additional per diem of \$2 for the time so employed. The chairman of the county executive committee shall, in his published call for such primary election, publish the names of the persons so elected to serve as inspectors.

For the purpose of defraying the expense of this primary election the various cities desiring to enter the contest for the state capital site are hereby assessed the sum of \$1,000 each, provided that if less than five cities qualify for said primary election, then the cities that do qualify shall pay pro rata such additional amount as may be necessary to make up the sum of \$5,000. The money paid in by such cities shall be distributed

among the different counties in proportion to the number of election precincts in such county, and the balance of the money necessary to defray the expenses of said primary in any county shall be provided by the several county committees by assessments on the various candidates.

Returns shall be canvassed within six days by the respective county committees, to be qualified to the state committee at meeting to be held in Jacksonville on November 20th.

The primary polling place shall, in each precinct, be as near as practicable to the place of holding the general election on said day.

Republican Ticket In Dade.

At a convention held at West Palm Beach Saturday night the Republicans of Dade put up a full county ticket. It is said that many of the more conservative Republicans are very much disappointed at the outcome of the convention. Mr. J. R. Dewey, of Miami, was nominated for representative; for county clerk, Norman Upp, of Miami; for treasurer, John N. Clarke, of Lake Worth; for tax collector, Geo. S. Rowley, of Mangonia; for tax assessor, F. W. McCurdy, of Neptune; for superintendent of public instruction, Dr. W. W. Faris, of Miami; for sheriff, C. J. Rose, of Miami; for county surveyor, Dr. S. H. Richmond, of Cutler; for member of school board, Lake Worth district, Dr. H. C. Hood, of Palm Beach.

Device For Killing Hyacinths.

Allen and McRae, of Palatka, inventors and owners of a device for destroying the water hyacinths, have attached one of their machines to the steamer LeReve, and will soon make a test under the supervision of Major Sackett. The machine consists of a barrel about three feet in length, in which are set sixty-four steel knives, two and one-half feet long and four inches apart. As the barrel revolves the knives dip into the water deep enough to pick the plants up and cut them into small pieces.

The healing properties of Banner Salve are truly marvelous. It is a thorough antiseptic and heals all wounds, cuts and burns without leaving a scar. Wilson & Son.

Gone To Help the Boers.

Tampa has contributed at least one soldier to the Boer forces. This is Walter Middaugh, a brother of Policeman G. L. Middaugh. He sailed from New Orleans for South Africa and has reported his arrival there. A letter written to his brother, dated July 18, says that he has arrived after a journey of fifty-two days on the water. He reports a heavy frost at Cape Good Hope on the day he wrote. He is going to push on immediately into the Boer camps and get into action as soon as possible. While on the way over the vessel stopped at the island prison of General Cronje, and Mr. Middaugh saw this illustrious prisoner of war, as well as thousands of Boers. He proposes to join Kruger's army and fight for the right of the people.

DeWitt's Little Early Risers are prompt, palatable, pleasant, powerful, purifying little pills. Wilson & Son.

For Presidential Elector.

The state Democratic executive committee on Friday last appointed S. J. Hilburn as presidential elector, vice J. M. Barrs, resigned. In order for Mr. Hilburn to accept the high honor it was necessary for him to resign the chairmanship of the board of county commissioners, and also circuit court commissioner, which important positions he has efficiently and satisfactorily held for some time.

Cuts and Bruises Quickly Healed.

Chamberlain's Pain Balm applied to a cut, bruise, burn, scald or like injury will instantly allay the pain and will heal the parts in less time than any other treatment. Unless the injury is very severe it will not leave a scar. Pain Balm also cures rheumatism, sprains, swellings and lameness. For sale by Wilson & Son.

Now For More Bear Hunts.

In the section south of Orlando, some twenty-five miles distant, the black bears are destroying many hogs, and doing mischief generally. There seems to be a greater number of bears at this time than in over a decade. The farmers, cattlemen and swine herders down there are often seen hunting for bruin and they are usually successful in killing one or more.

His Life Was Saved.

Mr. J. E. Lilly, a prominent citizen of Hannibal, Mo., lately had a wonderful deliverance from a frightful death. In telling of it he says: "I was taken with typhoid fever that ran into pneumonia. My lungs became hardened. I was so weak I couldn't even get up in bed. Nothing helped me. I expected to soon die of consumption, when I heard of Dr. King's New Discovery. One bottle gave great relief. I continued to use it, and now am well and strong. I can't say too much in its praise." This marvelous medicine is the surest and quickest cure in the world for all throat and lung trouble. Regular sizes, 50 cents and \$1. Trial bottles free at B. R. Wilson & Sons' drug store. Every bottle guaranteed. 2

Cattle for Cuba.

Nine hundred head of cattle were loaded at Tampa Saturday last for shipment to Cuba. The general indications are that many thousands will soon be shipped over, as the demand is fairly good and the supply in every way equal to the demand. The only trouble is the lack of transportation facilities.

You assume no risk when you buy Chamberlain's Colic, Cholera and Diarrhoea Remedy. Wilson & Son will refund your money if you are not satisfied after using it. It is everywhere admitted to be the most successful remedy in use for bowel complaints, and the only one that never fails. It is pleasant, safe and reliable.

Congested Court Docket.

That statement of Judge H. D. D. Twigg, in Savannah Tuesday, was a solid shot at Florida's supreme court. He said the reason the case of Mrs. Elizabeth Evans, of Lakeland, Fla., vs. the Savannah, Florida and Western Railway company was tried in Savannah was that the Florida supreme court was so far behind in its work that it would take five or six years to get a final decision. The suit was one for personal damages.
