Dr. Hughlett was called across the river to Merritts island last Friday to attend a serious case of fracture of the thigh bone. Hazard P. Brown, an aged resident of the peninsula, in attempting to cross a drainage canal, fell from the plank that lay across the ditch to the bottom, the fall fracturing the bone of his right thigh. Last Saturday E. C. Johnson's horse, while hitched to the wagon, made a dash for home but was held in by Mr. J. who, with Tom Cox, was in the wagon. Mr. Johnson got off with some slight bruises, but Mr. Cox sustained a badly bruised knee.

How To Gain Flesh

Persons have been known to gain a **pound a day** by taking an ounce of **SCOTT'S EMULSION**. It is strange, but it often happens.

Somehow the ounce produces the pound; it seems to start the digestive machinery going properly, so that the patient is able to digest and absorb his ordinary food, which he could not do before, and that is the way the gain is made.

A certain amount of flesh is necessary for health; if you have not got it you can get it by taking

Scott's Emulsion

You will find it just as useful in summer as in winter, and if you are thriving upon it don't stop because the weather is warm.

HAIR HELP

So many persons have hair that is stubborn and dull. It won't grow. What's the reason? Hair needs help just as anything else does at times. The roots require feeding. When hair stops growing it loses its luster. It looks dead.

AYER'S HAIR VIGOR

acts almost instantly on such hair. It awakens new life in the hair bulbs. The effect is astonishing. Your hair grows, becomes thicker, and all dandruff is removed. And the original color of early life is restored to faded or gray hair. This is always the case.

\$1.00 a bottle. All druggists.

"I have used Ayer's Hair Vigor, and am really astonished at the good it has done in keeping my hair from coming out. It is the best tonic I have tried, and I shall continue to recommend it to my friends."
 MATTIE HOLT, Burlington, N. C.
 Sept. 24, 1898.

If you do not obtain all the benefits you expect from the use of the Hair Vigor, write the Doctor about it.
