DOINGS OF THE PRESENT WEEK

Pungent Notes Pertaining to Events Transpiring About Town

Mrs. Wm. Cleveland, of Ft. Meade, arrived a few days ago on a visit to Mr. and Mrs. J. M. Osban.

Mr. F. P. Ziy and mother, Mrs. J. Ziy, of Shiloh, left this morning for their summer home at Varnell Station, Ga.

Mrs. D. A. Blodgett and family left Daytona Thursday of last week for their northern home in Grand Rapids, Mich., via Charleston, Washington and New York.

Main street is being improved this week by filling in the gullies and holes in the road with cinders and brick bats. A roller will be applied to level and harden the same.

Mr. R. W. Haile, cashier of the Indian River State bank, has been compelled to get about on crutches for a week or so on account of having injured his right foot by stepping onto an iron pipe while in bathing near the city dock.

Mr. E. Fitzgerald, state inspector of prisons and jails, was here Wednesday and yesterday, and inspected the convict camp at Mims before proceeding to Sebastian. Under new management the condition of the state convicts has been greatly improved at Mims.

A special meeting of the town council was held this week and the right granted to Mr. W. F. Green to have a gun trap built out in the river on the south side of the Hotel Dixie dock. The gun club will hold its regular contests on the water front as soon as the trap can be erected.

Manager W. F. Green, of Hotel Dixie, and Mr. C. J. Denham have been trying to console each other over the departure of their "better halves" last Saturday. Mrs. Green's charming presence at The Dixie will be missed indeed for the entire summer, while Mrs. Denham's pleasing personality will be noticeably absent from our social circles for at least two months. The disconsolate men will start in pursuit a few weeks later.

After the closing of school last Friday the teachers soon left for other parts where vacation and duty called them. Miss Miller went to Melbourne Sunday afternoon for a visit to her sister, Mrs. Peek, and Miss Waldron to her home in White Springs; Miss Teeter left Monday morning for St. Petersburg to visit her sister, and Prof. Overstreet left Sunday for Tropic, where he will teach the public school for four months.

5 or 6 doses "666" will cure any case of chills and fever. Price 25c.

Steamer St. Lucie Sunk

The Miami News-Record of last Saturday says that information received the day before was to the effect that the steamer St. Lucie went down in a storm and sank in Spanish Harbor, near Bahia Honda, Wednesday night, and that the vessel is probably a total wreck in 12 feet of water.

The captain and crew of 16 men were rescued by a sloop and carried into Key West.

In a letter to the editor of THE STAR Mrs. M. A. Scrimgeour informs us of her return to Florida from California, where she went last June. Mrs. Scrimgeour first goes to Lakeland for a visit and then will probably return to Titusville.

Mr. J. W. Taylor, of Shiloh, went to Cocoa last week after the team and buggy, which was the property of the late R. A. Bobbitt, returning to his home Sunday. Mr. Taylor is administrator of the estate and will sell the horse, mare, buggy and harness.

The Concert Tuesday Night

The concert given under the auspices of the ladies of the Progressive Culture Club at the Hotel Dixie Tuesday night by Miss Klebs' vocal classes was a great success and was listened to by a large and appreciative audience.

The following members of the Cocoa class were present and participated in the recital: Mrs. G. Gingsras, Mrs. L. S. Andrews, Mrs. J. A. Fiske, Mrs. T. G. Ronald, Miss Evelyn Travis.

The members of the Titusville class were Mrs. G. M. Robbins, Mrs. P. Nelson, Mrs. F. A. Morgan, Miss Susie Gladwin, Miss Merle Scobie, Miss Shaw and Miss Saidee Duren.

The programme comprised a fine selection of solos, duets and choruses of a high order, all of which were well rendered and received vociferous and deserved applause. Miss Klebs, as accompanist, was fully equal to that exacting position.

After the concert was over the spacious dining room was thrown open and over 150 people were served refreshments consisting of ice cream, cake, fruits and other delicacies. Mine Host Green was equal to the occasion and Dean Robottom extended the thanks of the Culture club to those present.

About 11 o'clock our Cocoa friends returned homeward, part on Mr. Fiske's roomy cruiser and part in Col. Travis' automobile.

Aside from those participating in the programme above mentioned the following were present from Cocoa and Rockledge: Hon. G. S. Hardee, Mrs. S. F. Travis, Mrs. W. G. Pater-son, Mr. and Mrs. H. G. Stillman, Miss Anita Canova, Miss S. Baldwin, and Mr. Theo. Travis and Mr. Floyd. The excellent training of Miss Klebs was manifest in all the members of her classes and one could hardly realize that we possess so much real vocal talent right here on our beautiful river as to be capable of being assembled in such a delightful concert.

The club netted about \$22.00 after defraying all expenses and this will be applied to the new book account.
