

RIVER NEWS NOTES

CANAVERAL

Miss Pauline Jeffords has gone to spend the holidays with relatives. Master Oldfield will return to Ocala Thursday with his grandfather, Mr. St. Clair. Mr. St. Clair, of Ocala, is spending Christmas week with his daughter, Mrs. H. L. Holmes. Jack frost visited our gardens last Sunday night and played havoc with beans, tomatoes and potatoes. A party of government surveyors in charge of Capt. Waters, of U. S. army, were here last week taking levels and surveying in connection with the proposed ship canal across the peninsula of Florida.

Many persons find themselves affected with a persistent cough after an attack of influenza. As this cough can be promptly cured by the use of Chamberlain's Cough Remedy, it should not be allowed to run on until it becomes troublesome. Sold by all dealers.

GEORGIANA

Mr. and Mrs. Ulrich took Christmas dinner with Mr. and Mrs. F. W. Munson. Miss Mary Witfield came home last week to spend Christmas with her father and brother. L. A. Peek is getting the Lee launch in order as fast as possible. Mrs. Lee and her son, Fred Lee, and family will be here soon. Lumber has arrived for the repairs on the Canatta house (formerly owned by Bert Robbins) and Ray Lindabury will soon begin work there. Miss Mary Wittfield and Miss Maggie Carter left for DeLand Tuesday a. m. They will attend the teacher's association which is being held there this week.

Some of the gardens here that were protected by a windbreak were quite badly frosted last Monday a. m. Those not protected were not hurt at all.

Mr. and Mrs. Dan Holmes came down from Daytona and spent Christmas day with E. V. Hall and family. They were obliged to leave Virginia on account of Mr. Holmes' health, so came back to Florida.

The Christmas celebration last Friday night was enjoyed by all present, and the church was full. The program was given by the school children, and Miss Maggie Carter deserves much praise for her faithful work there. Many of the very little people made their first appearance in public and all did their best. The young people met Friday a. m. and decorated the church with evergreen and holly, and the tree that Messrs. Brown and Tuttle selected was a very fine one. Mrs. Pierce sent up some fine bouquets of roses. The superintendent, Lee Baldwin, made some clever remarks when the presents were distributed. He selected Mr. Copeland to read off the names, because of his beautiful voice, and Messrs. Coleman and Underwood to strip the tree, "because of their many feet." Miss Ned Bond gave a violin solo, with organ accompaniment by Miss Bell Bond, and this was greatly enjoyed by all, also the songs by the little children.

"Walter," said a guest at a hotel as he inspected his bill before leaving, "there is one item omitted." "What item, sir?" inquired the waiter. "The manager said 'Good morning' to me yesterday, and has forgotten to charge for it!"—London Telegraph.

A Cough Medicine

Ayer's Cherry Pectoral is a regular cough medicine, a strong medicine, a doctor's medicine. Good for easy coughs, hard coughs, desperate coughs. If your doctor endorses it for your case, take it. If not, don't take it. Never go contrary to his advice.

The dose of Ayer's Pills is small, only one at bedtime. As a rule, laxative doses are better than cathartic doses. For constipation, biliousness, dyspepsia, sick-headaches, they cannot be excelled. Ask your doctor about this. Made by the J. C. Ayer Co., Lowell, Mass.

The readers of this paper will be pleased to learn that there is at least one dreadful disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength in building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J. HOUSEHOLD WORRIES

There is not the slightest need for some of them existing in Titusville.

The average mother finds sufficient annoyance and worry performing the ordinary duties in the rearing of a family, but the cares and anxiety are doubled when there is added to ordinary conditions that of weakened kidneys in a juvenile member of the family. How to cure it should be of untold value to Titusville mothers. Read this:

Mrs. John Noble, of Titusville, Fla., says: "Our little girl suffered from a kidney weakness for three years and seemed to have but little control over the kidney secretions, especially at night. She doctored and took several remedies but nothing helped her in the least until we finally learned of Doan's Kidney Pills and procured them. The use of one box completely cured the child, she is now able to retain the kidney secretions and is steadily growing better. We are thankful indeed, for the benefit she has received from Doan's Kidney Pills."
