Mr. and Mrs. Jacqui expect to go to housekeeping this week. A. B. Carter and son George, and Ray Lindabury are rushing the repairs as fast as possible.

Mr. Stattel, son and daughter and Mr. and Mrs. Veit, of Long Island, are located in the Taylor cottage for the next two months. Mrs. Veit's cousin, Miss Berger, is also with them.

Our cold snap ended up Saturday with a white frost, but for all its crisp greeting, New Year's day was very fine and bright and quite warm before noon. During the cold snap the thermometer went to 28, 26 and 24 but was never down long enough to hurt the fruit, this was in the coldest place possible, exposed to the N. W. wind and out of the sun. All of the bananas were killed, beans, cucumbers and squash were frozen. Tomato tops were killed but in some of the gardens near the river the leaves underneath are still fresh and the tomatoes may ripen all right. Maagoes on the high ground, also guavas, will lose their leaves, but bushes near the river are green.

Your Hair Contrary?

Is it inclined to run away? Don't punish it with a cruel brush and comb! Feed it, nourish it, save it with Ayer's Hair Vigor, new improved formula. Then your hair will remain at home, on your head, where it belongs. An elegant dressing. Keeps the scalp healthy.

We certainly believe this, or we would not say so. Ayer's Hair Vigor, as now made from our new improved formula, is a great preparation for the hair and scalp. Stops falling hair. Cures dandruff. Promotes the growth of hair.

were accompanied by Mrs. McNabb's sister, Mrs. Snodgrass, Mr. Snodgrass and daughter Alice.

The news of the sudden death of Mrs. Robottom at her home in Titusville on Sunday was a great shock to the community. Dean Robottom was here expecting to fill his pulpit on Sunday evening when a telegram was sent calling him to the bedside of his wife, but he was too late as the death angel had taken her before he reached there. The many friends of the dean sympathize with him in these sad hours.

Rev. J. T. Carson, assisted by his wife, entertained his Sunday School class and friends with a watch party at the parsonage, on Friday (New Year's eve). Progressive games were played and Mr. Gilbert Macy won the prize for winning the most games, and Herbert Spiller the booby prize. Those present were Misses Carrie Shave, Francenia Houston, Edna Snell and Anna Worthington. Messrs Leland MacMillan, Gilbert Macy, Harry Powell and Herbert Spiller. Delicious refreshments were served by the host and hostess and all spent a very enjoyable evening. At 12 o'clock they went to the church and the bell sounded far and near wishing all a happy New Year.

Against Convict Lease System

Judge Wall has been lecturing the jurors down about Tampa for "recommending to the mercy of the court" certain criminals. But our distinguished friend has touched the root of the evil. It is the greed for money that is in the heart of every one. The juror figures out that a dead criminal is a matter of expense, is the purchase of cheap pine coffin. Whereas, if he is given a life sentence, he is worth something over \$200 per year, to his state and county. Until the people forget this feature of it there will be very few hangings in Florida.—Lake City Index.

Correct you are, Bro. Tommus. The News and The Index stand together against this miserable system of hiring out human beings to private greed. A great state that farms out a governmental function to punish gets money. The other side is full of suffering, cost and human degradation.

The system corrupts juries. It turns into the convict camp men who are guilty of murder. And the system is not calculated to make these fellows better. Still it brings in money.

But, how about another system that gets its support largely from "greed for money?" It exists because of the added appetite of the user and ambition of the politician. We mean the licensed liquor traffic, the most colossal, corrupt, powerful organization today in politics in America. It has its dirty hands on city, state and national government. It has millions to use. Its evils are known to all men. Yet some good men favor and foster it, and never lift a finger to destroy or lessen its deadly work.

"Personal liberty" "local self-government," "prohibition never prohibits," we hear. The same old chestnuts—so old they are mouldy.

HOUSEHOLD WORRIES

There is not the Slightest Need for Some of them Existing in Titusville

The average mother finds sufficient annoyance and worry performing the ordinary duties in the rearing of a family, but the cares and anxiety are doubled when there is added to ordinary conditions that of weakened kidneys in a juvenile member of the family. How to cure it should be of untold value to Titusville mothers. Read this:

Mrs. John Noble, of Titusville, Fla., says: "Our little girl suffered from a kidney weakness for three years and seemed to have but little control over the kidney secretions, especially at night. She doctored and took several remedies but nothing helped her in the least until we finally learned of Doan's Kidney Pills and procured them. The use of one box completely cured the child, she is now able to retain the kidney secretions and is steadily growing better. We are thankful indeed, for the benefit she has received from Doan's Kidney Pills."
