The treatment of many thousands of cases of those chronic weaknesses and distressing ailments peculiar to females, at the Loyalist Hotel and Surgical Institute, Buffalo, N. Y., has afforded a wide experience in applying and thoroughly testing remedies for the cure of women's peculiar maladies. **Dr. Pierce's Favorite Prescription** is the outgrowth, or result, of this great and valuable experience. Thousands of testimonials, received from patients and from physicians who have tested it in the more aggravated and chronic cases which had baffled their skill, prove it to be the most wonderful remedy ever devised for the relief and cure of suffering women. It is not recommended as a "cure-all," but as a most perfect specific for women's peculiar ailments. **As a powerful, invigorating tonic,** it restores strength to the whole system, and to the womb and its appendages in particular. For overworked, worn-out, run-down, debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," housekeepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequalled in its effect in restoring vitality and vigor to an ailing system, and in strengthening the nerves. "Favorite Prescription" is equally valuable in allaying and subduing nervous excitability, irritability, exuding humors, hysteria, nervous spasms and other distressing, nervous symptoms commonly attendant upon functional and organic lesions of the womb. It induces refreshing sleep, relieves mental anxiety and despondency. **Dr. Pierce's Favorite Prescription** is a legitimate medicine, carefully compounded by an experienced and skillful physician, and adapted to the delicate organization. It is purely vegetable in its composition and perfectly harmless in its effects. For the cure of the most delicate and distressing ailments of women, from whatever cause arising, such as indigestion, dyspepsia and kindred symptoms, its use, in small doses, will prove very beneficial. **"Favorite Prescription" is a positive cure** for the most complicated and obstinate cases of leucorrhoea, excessive flowing, painful menstruation, irregular suppressions, prolapsus, or falling of the womb, white discharge, or "female weakness," nervousness, retroversion, bearing-down sensations, chronic congestion, inflammation and ulceration of the womb, in combination with "intermenstrual" pain, accompanied with "intermenstrual" heat. **As a regulator and promoter of functional action,** at that critical period of change from girlhood to womanhood, "Favorite Prescription" is a perfectly safe remedial agent, and can produce only good results. It is equally efficacious and valuable in its effects upon the nervous system, and in derangement of the system, and in all the most critical periods, known as "The Change of Life." **"Favorite Prescription,"** when taken in course with the use of Dr. Pierce's Golden Medical Discovery, and small quantities of Dr. Pierce's Purgative Pellets (Little Liver Pills), cures Liver, Kidney and Bladder troubles combined, and also removes blood poisons, and abolishes cancerous and scrofulous humors from the system. **"Favorite Prescription" is the only** medicine, sold by druggists, under a positive guarantee, from its manufacturers, that it will give satisfaction in every case, or money will be refunded. This guarantee is printed on the bottle-wrapper, and faithfully carried out for many years. **Large bottles (100 doses) \$1.00, or six bottles for \$5.00.** For larger, illustrated Treatise on Diseases of Women (100 pages, paper-covered), send ten cents in stamps.
