AN EXTRAORDINARY OFFER. To All Wanting Employment. We want live, energetic and capable agents in every county in the United States and Canada to sell a patent article of great merit, on its merits. An article having a large sale, paying over 100 per cent profit, having no competition, and on which the agent is protected in the exclusive sale by a deed given for each and every county he may secure from us. With all these advantages to our agents and the fact that it is an article that can be sold to every house-owner it does not seem necessary to make an "extraordinary offer" to secure good agents at once, but we have concluded to make it so now, not only our confidence in the merits of our invention, but in its saleability by any agent that will handle it with energy. Our agent now at work are making from \$100 to \$200 a month clear, and the fact makes it safe for us to make our offer to all who are out of employment. Any agent that will give our business a thirty days' trial, and fail to clear at least \$100 in this time, above all expenses, can return all goods unsold to us and we will refund the money paid for them. Any agent or general agent who would like ten or more counties and work them through sub-agents for ninety days and fail to clear at least \$150 above all expenses can return all unsold and get their money back. No other employer or agent ever dared to make such offers, nor would we if we did not know that we have taken in now making more than double the amount we guaranteed, and by two sales a day would give a profit of over \$125 a month, and that one of our agents took eighteen orders in one day. Our large descriptive circulars explain our offer fully, and these we wish to send to every one out of employment who will send us three one-cent stamps to secure postage. Send at once and secure the agency in time for the boom, and go to work on the terms named in our extraordinary offer. We would like to have the address of all the agents, sewing machine solicitors and car-enters in the country, and ask any reader of this paper who reads this offer, to send at once the name and address of all such they know. Address at once, or you will lose the best chance ever offered to those out of employment to make money. REINNER MANUFACTURING CO. 116 Smithfield St., Pittsburg, Pa.
