A GENTLE HINT.

The following preamble and resolution are signed by twenty-four business men and firms of Nogales. Men only who are proprietors of their business. No clerks or government officials' names are on the signed roll. "We, the undersigned, do hereby form ourselves into a club to be known as the Nogales Business Mens' Club, for the purpose of protecting our business interests in our community as well as the good names and reputation of our well known citizens here.

(Signed) BUSINESS MENS' CLUB.
A RESOLUTION.

The "Nogales Business Mens' Club," observing the fact that the editor of the "Oasis," who has unfortunately settled in our once peaceful town has rendered himself to us obnoxious and detestable by keeping this little burg in constant turmoil, has this 11th day of September, 1897,

Resolved, that, unless he shall reform and cease to use his paper for the purpose of abusing our well known citizens, we will withdraw all support from said paper and we request all good lawabiding and fair-thinking citizens to join in stamping out this discord in our midst.

(Signed) BUSINESS MENS' CLUB.
The above was handed THE VIDETTE by one of the signers with the request to publish it without the names. The originally signed document is on file in THE VIDETTE office.

Something to Know.

It may be worth something to know that the very best medicine for restoring the tired out nervous system to a healthy vigor is Electric Bitters. This medicine is purely vegetable, acts by giving tone to the nerve centres in the stomach, gently stimulates the Liver and Kidneys, and aids these organs in throwing off impurities in the blood. Electric Bitters improves the appetite, aids digestion, and is pronounced by those who have tried it as the very best blood purifier and nerve tonic. Try it. Sold for 50c or \$1.00 per bottle at Chenoweth & Mix.
