LOCAL ITEMS

Mr. and Mrs. George Bloomer are spending the week in Tucson.
 Manager Ferd VanMourick of the Sonora News Company, visited Hermosillo this week on company business.

Constable A. D. Page, of Patagonia precinct, was a visitor at the county seat Wednesday, having come down on official business.

W. E. Foster, of Phoenix, Territorial Public Examiner, is in the city on official business. Tomorrow he will return to Phoenix, his home.

W. D. Gregory, a prominent mining engineer of Toronto, Canada, has this week been a business visitor in Nogales, being a guest at the Montezuma hotel.

Ranger Jeff Kidder has been in from the hills a couple of days. Jeff is a mighty efficient experienced officer; where he is there reigns peace and quiet.

Attorney Bowman, one of the best known members of the Arizona bar, was a business visitor in Nogales yesterday, having come down from Tombstone on mining business.

Paymaster George Leaser of the Sonora railway was here Monday with his paycar making the railroad lads happy. As a result the "root of all evil" is more plentiful in this section.

BRICK FOR SALE—Moore & Jones, of Nogales, Arizona, have just finished burning a kiln of 175,000 first-class brick. If you contemplate building, now is your chance to buy brick—cheap.

When it is known that one night last week twelve railway locomotive engines pulled in and out of the local yards, an idea of the large amount of business being transacted at this point by the Espee can be had.

H. E. Gravelle, an experienced machinist, has been in the city this week, and may decide to locate here permanently. Mr. Gravelle is a native son of dear old Arizona, and says he's mighty proud of the fact.

George Jaunel, the expert German barber, opposite the Sonora News Company, guarantees his work, and respectfully invites you to give him a trial. Everything neat and clean. Hair-cutting a specialty. tf.

Tom Bentley, for many years with one of the big mining companies at Minas Prietas, Sonora, has gone into the interior of Mexico on mining business in the interest of eastern capitalists. Tom sure knows a mine when he sees one.

George B. Earnshaw, manager of the Cerro Colorado Mining Company and Mr. Williams, treasurer of the company, came up from the mines in Sonora the forepart of the week and spent a couple of days here on company business.

Bias Torres, manager of L. B. Fleischer's Nogales, Sonora mercantile establishment, is a very sick man at his home on West Elm street, being threatened with a serious attack of pneumonia. Dr. Chenoweth is the attending physician.

The snow storm last Wednesday night was the best ever; as a result all our ranchers and stockraisers are wearing broad smiles of contentment. Surely the year 1908 is going to be a banner year for Santa Cruz county, the youngest but best in Arizona.

Mr. Dave Loeb, formerly of Nogales when he was manager of L. B. Fleischer's Boston Store, has for several days been here taking measures for clothing. Mr. Loeb is now travelling for Strauss Brothers of Chicago. He recently visited Sonora, where he did a good business.

Arthur E. Noon who has been in from Oro Blanco several days this week, reports his section looking better from a mining standpoint and hopes soon to see things doing out Oro Blanco way, where he and his family have splendid mining property on which considerable profitable work has been done.

Ed. Heinline, the mill-wright, who for some time past has made his headquarters at Patagonia, was here a couple of days this week. Ed. says he is open for an engagement and if anyone is in need of a first-class man, Ed. is it. We recommend him first, last and all the time, for he always makes good.

A letter recently received here from J. A. Naugle, who for many years was superintendent of the Sonora railway, states that the colonel is no longer connected with the Mexican Central railroad, where he has been since severing his connection with the Sonora. Colonel Naugle at present is visiting in the east.

Mr. R. L. Drane on February 7th, was appointed assistant chief engineer of all the Randolph lines in Arizona and Mexico, of which Colonel Epes Randolph is president, and Mr. E. A. McFarland chief engineer. The lines are Sonora railway, Cananea, Yaqui River & Pacific, Arizona Eastern, Gila Valley, Globe & Northern, Phoenix & Eastern, Maricopa & Phoenix and Salt River Valley, and the Arizona & Colorado. The new assistant engineer will have his headquarters at Tucson.

Mr. Barker, former president of the Sonora Bonanza Mining Company, is a business visitor in Sonora, having passed south Tuesday morning.

Henry Stewart is up from Sonora. Henry says he was not murdered by the Yaquia, nor does he expect to be. Nevertheless, the gentlemen's Nogales friends were given a sure enough scare the time of the massacre of Mexicans on the Dolores ranch several months ago, and he is receiving the "glad hand" on every side.

John McCafferty, an old mining engineer of many years practical experience, who recently returned from Panama, is a guest at the Brickwood Hotel. Recently Mr. McCafferty contributed a very interesting and instructive article to the El Paso Herald on the subject of mines and mining promoters, in which he hit the nail on the head many times.

The following gentlemen, all residents of Harshaw, were visitors here a couple of days this week, in connection with the case tried in Judge Gildes' court this week, which was brought here from Judge Trickey's court at Washington Camp: Neil McDonald, James Hale, Al. Hopkins, A. L. Wood, E. J. Barke, Harry Fryer, Nick Farrell, J. Williamson.

Tommy Paschael, who recently resigned the position of railway agent at Empalme, Sonora, to which he was succeeded by P. J. Munch, of this city, is in the city on his way to the City of Mexico, where he goes to accept a responsible position in the traffic department of the Mexican Central railway. Tommy' numerous friends here and in Sonora, wish him good luck, always.

Rev. Geo. A. Chatfield, Superintendent for the Congregational Mission Board of Arizona and New Mexico, arrived in the city Wednesday evening and will remain over Sunday looking after the interests of the Trinity Congregational. He will conduct services tomorrow both morning and evening. A cordial invitation is extended to all to attend these services.

The forepart of the week Hon. D. G. Chalmers and family were visitors at the county seat where they have many friends. Mrs. Chalmers is a sister of Hon. J. A. Harrison, chairman of the board of supervisors. Mr. Chalmers for many years has been in the service of Uncle Sam, at present being deputy collector of customs at Lochiel, where he and the family reside.

Mr. E. J. Oraig accompanied by his family has arrived in the city from El Paso, Texas, and will make this his future home. The gentleman has accepted the responsible position of material agent for the Cananea, Yaqui River & Pacific railway, at this place. We welcome Mr. and Mrs. Oraig to the best little town on the international border and hope their stay here will be both pleasant and profitable.

W. D. Fredrick, accompanied by his interesting little girl and boy, who have been spending a month with their father at the mines down in the Llano district, is in town, having come up to the border to meet Mrs. Fredrick, Master Teddy and the baby, who arrived this morning from California, where they have been for the purpose of having an operation performed on Master Teddy's eye, which was very successful.

L. G. Oster, the efficient, accommodating manager of the Western Union Telegraph Company's local office, is one of the most experienced chicken raisers in the southwest, or for that matter in any other section of Uncle Sam's domain. If you want to learn a lot about high-grade poultry, ask Lew; he is a pastmaster in the business, having raised some of the finest thoroughbred fowls ever seen in Nogales.

Last night Prof. Gospodri Stark Hermann, the French magician, delighted a large audience at Ramirez Theatre, both his clever sight of hand work and with his moving pictures, which alone are worth the price of admission. Tonight and tomorrow night Hermann will again appear at the theatre with new and interesting program. If you want a seat secure one early, for standing room promises to be at a premium.

Mr. Isaac King, the mining man who has a number of very valuable mining properties in this county, a short distance from Nogales, has been on the sick list for some time past, but is able now to circulate among his friends. Mr. King has unlimited faith in the future of his mining claims, both north of the city and out in the Santa Cruz district. He has acquired large holdings and has great hopes of one day making a fortune. Certainly he deserves it.

Mr. Eduardo Camou, owner of the splendid ranch property just south of Nogales, Sonora, has purchased the large, handsome residence in Noon addition built by Mr. F. E. Oranz, the mining engineer. The price paid was not learned. Yesterday Mr. Camou and family moved into their elegant new home, which is one of the most pleasant and convenient in Santa Cruz county. In a few days Mr. and Mrs. Oranz will go to California, where Mr. Oranz will have specialists perform an operation on one of his eyes which he has not had use of for many years. We join everybody in Nogales in hoping the operation will be successful and that the very best of everything will always come Frank Oranz' way.

Friends of Miss Elena Marin, Sonora's sweet singer, will be sorry to learn that she was compelled to cancel her engagement last Thursday evening on account of illness. Miss Marin is greatly admired by everybody in the state of Sonora; all hope for her speedy, complete recovery from the severe cold she recently contracted. The little lady is a guest at Hotel Moderno.

Friends of Jim Traynor will be sorry to learn that he is laid up for repairs at the Sisters' Hospital, with a broken leg and several ribs, the result of wrecking of his special auto train near San Blas, on the Cananea, Yaqui River & Pacific railroad. None of Traynor's friends ever suspected him of being speed wild, but his present condition proves him guilty on the first ballot. Dr. Nicholson, his physician, reports Jim getting along nicely and it is only a matter of a very short time when he'll be as sound as a dollar.

THE VIDETTE regrets to announce that Superintendent A. R. Oster of the Sonora and Cananea, Yaqui River & Pacific branches of the Southern Pacific, who with his estimable family has been making Nogales their home, will in future reside at Guaymas, where according to the concession granted the C. Y. R. & P. R. R., by the Mexican government, the superintendent and other officials are required to reside. During the short time Mr. Oster and family have resided here they have made a large number of friends, all of whom deeply regret to see them remove from here, and hope to see them return often, if only for a visit.

R. Zellner, Jr., the piano man who makes Tucson his headquarters, was a business visitor in the city a couple of days this week. Mr. Zellner has been coming to Nogales many years and has done an enormous business in this section where he is well and favorably known. Zellner pianos can be found in hundreds of homes here and throughout the state of Sonora, all of them having been sold by Mr. Zellner, who is the head of the big firm which bears his name. When you do business with Dick Zellner you are sure to get a fair deal and a run for your money. The gentleman's home is at Hollywood, a delightful Los Angeles suburb, where his parents reside.

An American \$5 silver certificate of the series of 1889 and bearing the portrait of the Indian Chief "One-papa," has for several days been in circulation in Nogales. The counterfeit is a rough photomechanical production printed on two pieces of paper, no attempt being made to imitate the fiber paper of the genuine American paper money. The printing is a very heavy green blotch, the lathe work and ruling being broken and disconnected. The phony bill was in the possession of the writer—about a minute—who lost no time returning it to the party from whom he got it. Brother newspaper men are hereby notified to look out for "One-papa."

Mr. Richard Farrell, ex-supervisor of Santa Cruz county, who with his family has resided at Harshaw many years, was here Wednesday and Thursday on court business, being a witness in the case against Messrs. Sayre, Williamson and Stump, which was tried in Justice Gildes' court, and decided in favor of the defendants, who were charged with unlawfully occupying a vacant house in Harshaw. Attorney Frank J. Duffy, who represented the defendants, conducted their case in a very able manner, proving to the satisfaction of the jury that no damage had been done the house which was the property of the estate of the late E. L. Oakes, who more than twenty five years resided at Harshaw.

Manager G. D. Gross of the Four Metals Mining Company, of which Jack Glissan, of this city is superintendent, has been in the city several days this week chaperoning a party of eastern stockholders of his company who have been visiting the mines on a tour of inspection. They were so well pleased that they gave Mr. Gross instructions to push exploration and development work with greater vigor than in the past, which he will do at once. A large amount of valuable work has been done under Manager Gross' able direction, economically and honestly, as all who have seen the results of his efforts, can attest. Superintendent Glissan is also a very competent man of many years practical experience.

Late last Tuesday evening County Recorder Phil Herold and Otto Herold, assistant cashier of The First National Bank of Nogales, received a telegram from Sonica, Kansas, stating that their father was dying. At about one o'clock, at the Catholic church, Father Duval, officiating Mr. Phil Herold and Miss Minnie McIntyre, the lovely daughter of Mr. and Mrs. P. J. McIntyre, were married, the affair being very quiet, none but relatives of the high contracting parties being present. Wednesday morning the bride and groom accompanied by Mr. and Mrs. Otto Herold, left for Kansas, hoping to arrive in time to see their father alive. Everybody in Nogales joins us in wishing the happy married couple much joy; all hope the father of the Herold boys will recover. During Recorder Herold's absence from the county Hon. Bo. J. Whiteside will act as deputy recorder.

Manager Hyman of the Boston Store, Incorporated, visited Tucson last Wednesday, having accompanied Mrs. H. and the boy that far on their way to San Francisco, where they have gone to visit the lady's parents.

Manager John Cave of the Coast Line Copper Company, has arrived from California and will go down to the El Oro mines near Poza to take personal charge, being accompanied by Mr. Archbald, the company's attorney, who is an experienced accountant.

The grand ball at Ramirez Theatre, last Saturday night, was indeed a most successful affair in every respect. All who attended had a royal good time and desire to extend to our Mexican friends across the line hearty thanks. Members of the various committees vied with each other in their efforts to make everyone happy, and the event one long to be pleasantly remembered.

Early yesterday morning the store of the Western Commercial Company at Empalme, Sonora, the junction of the Sonora and Cananea, Yaqui River & Pacific railroads, was destroyed by fire. Amount of damage sustained was not given in a telegram received here by Agent Grace, but is not thought to be very great, as the company did not carry a large stock of goods at Empalme.

At the present time, according to Dr. Nicholson, assistant to Chief Surgeon Goodfellow of the Randolph lines, there are eleven railway patients from the Nogales-Cananea branch, now in the Sisters' Hospital. They are being well cared for by the Sisters and Miss Ortega, an experienced professional nurse, who was recently transferred here from the company field hospital out at Buena Vista ranch, where Dr. Powers is in charge.

Last Saturday evening members of the Board of Trade and members of the Board of Supervisors met at the board rooms to discuss with Mr. George F. Kitt, representative of the Tucson Chamber of Commerce, the narrow gauge bond matter so important to the counties of Pima and Santa Cruz. With the assistance of Delegate Smith the two counties are earnestly working to bring about relief, and it is thought Mr. Kitt's visit here last Saturday will result in much good. Mr. Smith is taking a deep interest in the matter and his efforts are fully appreciated by taxpayers of the counties of Pima and Santa Cruz.

Opera and Zuzuela.

Commencing next Tuesday evening the popular, well known Mexican Opera and Zarzuela company of Professor A. Mendoza, N., which is pleasantly remembered by hundreds of Nogales theatre-going people, will appear at Ramirez Theatre, for a week's engagement.

The company is said to be the best ever, being composed of thirty-five artists, carrying handsome scenery and elegant costumes.

"La Traviata," will be played the opening night; Wednesday night "Cavalleria Rusticana," Thursday "Campanone Mascota," and the remainder of the week other popular plays so dear to lovers of music.

Tickets will be on sale at the usual places at the usual prices.

Mrs. Geo. W. Atkinson Dead.

Yesterday at Tucson Mrs. George W. Atkinson, for many years a highly respected citizen of Ocala, this county, passed away at the family's city residence.

Mrs. Atkinson, who during the many years of her residence at Ocala with her husband, Hon. George W. Atkinson, was loved and respected by everybody, on account of her kind, generous disposition. For a long time the good lady had been confined to her bed, and while news of her death has for some time been expected by friends here, all will join us in expressing sympathy for the bereaved husband and the two adopted sons to whom the dear departed was a friend and mother.

The funeral will be held tomorrow, interment being in the Tucson cemetery.

Notice of Time for Proving Will.

In the Probate Court, of the County of Santa Cruz, Territory of Arizona. In the matter of the estate of Manuel M. Monreal, deceased.

Notice is hereby given, that Monday, the second day of March, 1908, at 10 o'clock a. m., of said day in the court room of said court, at the court house, at Nogales, in the county of Santa Cruz, territory of Arizona, has been appointed as the time and place for proving the will of Manuel M. Monreal, deceased, and for hearing the application of Teresa Perez de Monreal, for the issuance to her of letters testamentary thereon.

Dated February 10th, 1908.
 M. MARSTELLER,
 2-15-3t. Clerk of said Court.
