MORE MONEY FOR NOGALES.

Well Known Bankers Buy Interest in Local Bank.

W. H. Land, formerly vice-president of the First National Bank of Ft. Sumner, N. M., and A. F. Kerr, president of the El Paso Bank & Trust Co., this week became interested in the Santa Cruz Valley Bank & Trust Co., and in future Mr. Land will take an active interest in that institution, as vice president and manager.

Mr. Land, who arrived here last Monday, comes highly recommended both as a banker and a gentleman. We welcome both he and Mr. Kerr, to Nogales.

The Ft. Sumner Review in a recent issue says:

"W. H. Land took charge of the First National Bank of Fort Sumner in October, 1912, and has put the town on the map as a banking town. When he identified himself with the bank its deposits were \$46,000; now they are \$130,000. During that time the bank has made \$16,500 on a capital stock of \$25,000. This during a period of so-called financial depression in which a number of bank failures have occurred in different parts of the state. With the aid of friends the bank has carried each year from \$100,000 to \$200,000 in commercial paper, outside the regular regular resources of the bank."

"Mr. Land has been a friend in need to the farmer and stock-raiser and has helped a number of small stockmen out of tight places and enabled them to get started off right financially. During the past year he has shipped in and sold 5,000 cows, mostly to the small stockmen."

"Mr. Land as a citizen of Fort Sumner and this part of the Pecos valley, will be greatly missed by many. He has been a leader in every movement for the betterment of the town, and has responded liberally in instances where financial aid was required. No one man could leave the town whose departure would be more sincerely regretted."

"Fort Sumner's loss is Nogales' gain and Mr. Land will undoubtedly find himself welcomed to the border city with that whole souled hospitality for which the place is famous."

A GOOD WOMAN GONE.

Mrs. H. W. Kelsey Dies in Los Angeles Hospital.

News announcing the death of Mrs. H. W. Kelsey, formerly Miss Nellie B. Walker, received in Nogales last Tuesday, caused much sadness in this city and throughout the country, where deceased resided many years.

Mrs. Kelsey passed away early Tuesday morning at a hospital in Los Angeles, where she had been the past two months, suffering from pelagra. Her sister, Mrs. W. A. O'Connor, who attended her, was at the bedside when the end came, as was Judge O'Connor.

Thursday the body arrived in Nogales, being accompanied by Judge and Mrs. O'Connor.

The funeral was held at 3:30 o'clock Thursday afternoon from the family residence, hundreds of friends and acquaintances being present to pay a last tribute to the dear departed who was universally loved and respected. Rev. Mobley of the Methodist church officiated, interment being in the Masonic cemetery, beneath beautiful flowers, gifts from friends and acquaintances, of a truly good woman.

To the bereaved husband, aged father, sister and brothers, we extend our sympathy.

RESOLUTION OF CONDOLENCE.

The Women's Home Missionary Society at its meeting passed the following resolution of condolence at the death of Mrs. Nellie B. Kelsey:

The said intelligence of the community's loss in the death of Mrs. Nellie Kelsey cast more than the pall of gloom over her wide circle of friends which a death usually occasions.

Her useful life touched a community's interest and many varied avenues of helpfulness. She contributed so much of good to many that the entire community is the loser that no more she lives and works. Should we say "No more she lives?"

She being dead, yet speaketh and the power of fond memory of her work and blessed influence lives on.

God bless us all who suffer in this loss. Especially her husband, sister and brothers and aged father to whom all friends extend warmest sympathy.

While suffering with you, we cannot refrain from a feeling of joy in her triumph of Christian faith.

The eyes that shortly looked upon fields of earth have looked into the face of Christ who is her Savior.

Over her resting place we breathe the prayer:

Soft earth above, rest light, rest light Warm above, rest bright, shine bright. Good night, dear heart, good night.
