Halstead Lumber Company are located.

Yesterday morning Mrs. Augustine McCleary, an old-time resident of Nogales, passed away, after a long illness, from tuberculosis. Deceased was forty-nine years of age. She leaves five children to mourn her passing. They are Mrs. Ellis Lewis, Michael, Kirk, Frank and Willie, all of whom have the sympathy of the entire community. The funeral will be held this afternoon at 2:30 from the family residence, and later from the Catholic church, interment being in the Nogales cemetery.

D. N. Phillips, superintendent of the Malachite Mining Company, is a business visitor in the city, having come up from the mines to consult with his associate, Tim Healey, the mining engineer. Superintendent Phillips reports his company's property looking good, shipments of copper silver ore now being made from Santa Ana, to which place it is hauled on wagons from the Altac mining district.

One of the most delightful social functions given this winter was that at the elegant home of Mr. and Mrs. Ferd VanMourick, given recently in honor of Mrs. Ralph Gabey, of Memphis, Tenn., who is visiting in the city, a guest of Mr. and Mrs. Sam Leeker. At bridge, which was played after luncheon, the following ladies were winners of handsome prizes: Mrs. Gabey, guest prize; high scores, Mrs. Edward Titcomb, Mrs. S. Doherty and Mrs. Fuqua.

The gentlemen who visited Douglas last Sunday as guests of the International Gas Company, for the purpose of investigating the street lighting system of the Smelter City, report having had a interesting, pleasant trip. They were shown every possible courtesy by City Engineer Woods of Douglas, to whom the committee is indebted for much valuable information. On the cross country trip home, the party visited Bisbee and Ft. Huachuca. To Messrs. Proto and Kelsey of the International Gas Company, the gentlemen extend their thanks.

Early Thursday morning Jose J. Vergobbi, a well known Hermosillo architect and builder, and Miss Delfina Rochin, one of Nogales' best known, most successful business women, were united in the holy bonds of matrimony, the ceremony being performed in the presence of a few intimate friends of the high contracting parties. Immediately after the wedding Mr. Vergobbi and his bride left for their honeymoon trip in California, going to Tucson by automobile. We join the happy couple's many friends here and throughout Sonora in wishing them much joy.

The corporation commission will on March 12 hear the application of the Arizona Southern Railroad company for permission to advance its freight and passenger rates. The hearing will be held at Sasco. The following day the commission will conduct investigations of the stage lines operating between Tucson and Hayden and Tucson and Nogales. These hearings will be held at Tucson. Another case which will come before the commissioners while at Tucson, is the application of the Southern Pacific company to change the name of the station at Amado to Arivaca.

Last Wednesday Harry Kelsey, Spiro Proto, Colonel Bird and William Schuckmann motored out to the Three R mines, where they went to witness the starting up of the new concentrator, which has a capacity of one hundred and fifty tons per day. Electricity for the Three R mines and camp is furnished by the International Gas Company of which Mr. Kelsey is manager and Mr. Proto president. At the present time about one hundred and seventy-five men are employed by Mr. Harrison, who purchased the great copper bonanza from Colonel R. R. Richardson of Patagonia. The new owner is a practical mining man of many years experience both in Mexico and the United States.
