QUICK MONEY! I own options on five small modern Kentucky whiskey distilleries. I have had 20 years experience in distilling, rectifying, ageing, blending, bottling, etc. I want to erect these plants at once in Mexico and teach native people to operate them. Each plant will carry an investment of about \$7000.00. I have the money to install them, but not knowing the Spanish language, I need the cooperation of responsible Mexicans. If the right location can be secured, any one of these distilleries will make considerably more than \$500.00 per day net profit. I solicit correspondence in English and shall close each deal with the first reliable person applying who suggests the proper place. (These distilleries are not offered for sale, nor for erection in the United States.) John L. Casper, Winston-Salem, N. C.

EVER BILIOUS? Charleston, Miss.—Mrs. R. V. Heins, of this place, says: "I have never had to use very much medicine, because if I felt headache, dizziness, or colds, bad taste in the mouth, which comes from torpid liver, I would take a dose or more of Black-Draught, and it would straighten me out and make me feel as good as new. We have used in our family for years THEDFORD'S BLACK-DRAUGHT and it certainly is the best liver medicine I ever saw. It has not only saved me money, it has helped keep my system in shape, and has never weakened me as so many physics do. I recommend it to my friends and am glad to do so." Black-Draught is the old, reliable liver medicine which you have doubtless heard much about. When you feel badly all over, stomach not right, bad taste in your mouth, bilious, or have a headache, try Theford's Black-Draught. At all Druggists. Always Insist on the Genuine! 1.77
