

MORE STRENGTH FOR OLD PEOPLE

Mrs. Hutchison—Eighty-One Years Old—Uses No Other Tonic but Vinol and Recommends It to Friends.

Greenville, S. C.—"It is with pleasure I tell others of the great benefit I have derived from Vinol, for the past several years. I am 81 years old and I find Vinol gives me strength, a healthy appetite and overcomes nervous disorders. Vinol is the only tonic reconstitutor I have used for several years. I have recommended it to a great many of my friends and it has always proved satisfactory."—Mrs. M. A. HUTCHISON, Greenville, S. C.

Such cases as the above are constantly coming to our attention. If people in this vicinity only realized how Vinol invigorates old people we would not be able to supply the demand.

It is the tissue building, curative elements of the cod's livers, aided by the blood making strengthening properties of tonic iron contained in Vinol, that makes it so successful in building up strength for old people, delicate children and for all run-down conditions. Vinol is also a most successful remedy for chronic coughs, colds and bronchitis. If it fails to benefit any one who tries it we return your money.
