**GRAY HAIR BECOMES DARK AND BEAUTIFUL**  
Try Grandmother's Old Favorite Recipe of Sage Tea and Sulphur.  
Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays we simply ask at any drug store for "Wyeth's Sage and Sulphur Compound." You will get a large bottle of this old-time recipe improved by the addition of other ingredients, at very little cost. Everybody uses this preparation now, because no one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy and you look years younger. Wyeth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.

**NOW PLAN EMPLOYMENT FLAG**

**Clevelanders Begin Movement in Behalf of the Returned Idle Soldiers.**  
Cleveland, O.—A movement has been started among employment managers for adoption of a uniform soldier employment flag showing the number of men reinstated in their positions. The managers have asked their national association to indorse the movement, which is expected to encourage employment of soldiers.

Several large concerns have worked out their own flag designs, while others are awaiting adoption of a uniform emblem.  
"Cleveland now is a poor place for an outsider to come seeking work," said a member of the chamber of commerce committee investigating unemployment here. C. F. Arndt, United States employment commissioner, said possibly half of the soldiers unable to find work here were not employed in Cleveland before entering military service.  
Estimates of unemployment here run from 20,000 to 70,000. Cleveland manufacturers are reported to be trying to lower the production cost through labor saving machinery and other means rather than by a reduction of wages.

**Picked Wrong Street.**  
Kansas City, Mo.—Earl Cadgne, Topeka Indian, got on the warpath. In court he admitted saying he could "lick anybody on Main street." "Picked too long a street," commented the judge, assessing \$25.

Few persons are willing to admit that they are prejudiced in politics and religion.

A common mistake of some men is to think they can be mean without being found out.

It is easy for a man to be ashamed of his actions without being sorry because of them.

A man's age depends considerably on what he is doing with time he should be sleeping.

There may be vanity in riches, but most persons naturally want to try it out for themselves.
