Catarrh Cured

Catarrh is a very prevalent disease, with distressing and offensive symptoms. Hood's Sarsaparilla gives ready relief and speedy cure, from the fact it acts through the blood, and thus reaches every part of the system.

"I suffered with catarrh fifteen years. Took Hood's Sarsaparilla and I am not troubled any with catarrh, and my general health is much better." I. W. LILLIS, Postal Clerk Chicago & St. Louis Railroad.

"I suffered with catarrh 6 or 8 years; tried many wonderful cures, inhalers, etc., spending nearly one hundred dollars without benefit. I tried Hood's Sarsaparilla, and was greatly improved." M. A. ABBEY, Worcester, Mass.

Hood's Sarsaparilla is characterized by three peculiarities: 1st, the combination of remedial agents; 2d, the proportion; 3d, the process of securing the active medicinal qualities. The result is a medicine of unusual strength, effecting cures hitherto unknown. Send for book containing additional evidence.

"Hood's Sarsaparilla tones up my system, purifies my blood, sharpens my appetite, and seems to make me over." J. P. THOMPSON, Register of Deeds, Lowell, Mass.
