Great Oaks from Little Acorns Grown, Is a line from the trite old verse we used to is a line from the true old verse we used to recite in our school boy days. It has a for-cible application to those small ailments which we are apt to disregard until they reach formidable proportions. A fit of in-digestion, a "slight" attack of constipation, it is assumed, will soon pass off, but it is very apt to get worse, and in the meantime is neglected until the ailment becomes chronic, and then, if not entirely eradicated, carnations.

Is a constant annoyance and menace of more consequences, for diseases, recollect, beget one another. How much wiser to resort to a course of Hostetter's Stomach Bitters at the outset of the malady than to temporize with it at the start, or treat it with violent remedies in its maturity. Be on time with disease, or it may "floor" you. Malarious, rheumatic and kidney complaints, dyspensia, constination, billiousness and distributions and state of the start o dyspepsia, constipation, billiousness and nervousness are all disorders of rapid growth, and should be "nipped in the bud" by a timely resort to the Bitters.

Fletcher-Shattuck.

One of Owosso's prettiest weddings occurred on Wednesday afternoon at the home of the bride's father, C. E. Shattuck, Miss Edith I. Shattuck being married to Thomas D. Fletcher, by Rev. Geo. H. Wilson, formerly pastor of the Congregational church in this city, now of Paxton, Ill.

The occasion was one of very delightful informality. The guests, about seventy-five his aides; committee on finance, J. E. Clark, in number, were very largely young people, friends of the contracting parties. H. W. Holman; grounds, stands and water They were received by the bride-elect in a supply, L. P. Dowdigan, entered the room, followed by the bride and groom, who were met by the officiating clergyman. From the library, two rooms away, came the quiet murmur of music from the Ideal Mandolin Club as the hum of voices quieted. Then softly, as if caught in rythmic motion of that music, as from the skies, the preacher prayed-he sought to grasp the heart wishes of the guests there and the hosts of friends not there, and presented them at love's eternal throne. Then the simple service went on till the goldens band encircled the finger of the bride. The hands of benediction were laid on the heads of the twain and they were declared one.

The congratulatians were hearty and sin-

It was moved and carried that we adopt the recommendation made by the county executive committee, that is that we have a rally, and that it be held in Owosso, August tee to confer with the railroad agents and secure rates for the rally. Moved that three from each school here represented be appointed to meet and make necessary arrangements for the rally. From the Baptist school, Miss Adah Curliss, H. K. White, E. O. Dewey, L. P. On Wednesday evening representatives from the schools met as arranged for.

The committee on the union meeting reported that arrangements had been made and a union meeting would be held in the Baptist church, Sunday evening, Aug. 2d. M. H. Reynolds, Miss Adah Curliss and Miss Helen Shanafelt were appointed a committee to arrange a program for the union meeting, who will announce same next week. The following officers and committee were, upon motion, duly appointed: For president of the day, Charles Holman, Corunna; for vice presidents, E. O. Dewey and M. L. Parker; for marshal, F. W. Townsend, with authority to appoint J. H. Laverock, M. L. Parker, H. K. White, select his assistants; banners and flags, C. C. Duff and Geo. H. Bedford; music, vocal T. J. Horsman,

It was decided that the rally exercises be held in the grove, near Emerson school building. Also that the superintendents of all the Owosso and Corunna schools be a committee to arrange rally program, and that the meeting for that purpose be at the Y. M. C. A. rooms, Monday evening, July

Also moved and carried that for several reasons strongly urged, no vehicles be allowed in the line of march. It was thought that for the accommodation of the small primaries, the line of march for them could be shortened.

It was suggested that copies of these minutes be sent to all the county papers, and also to local officers, pastors and superintendents. The chair also announced the unanimous action taken at the Sunday conference, to-wit: That every school in the county, including Lutherans, Evangelicals and Catholics be invited to, and feel free to enter into the demonstration and parade if they so desire. It was also urged that special efforts be made to reach all the schools in the county, and induce them to participate in the doings of the day. The necessary circulars, programs, etc., will be issued and distributed among the schools of the county, in due time.

M. H. REYNOLDS, Sec.
P. S.—Will township officers who may receive this notice, set immediately to work awakening an interest in the rally in the schools of their townships.
