Good tea costs about 1/2 cent a cup. Poor tea costs more—it is weak in tea-flavor; doesn't go so far.

So what's the use of paying the same price for poor tea and good tea?

Don't think so much of the cost per pound. Think of good tea—that comes first.

Schilling Tea costs less per cup.

There are four flavors of Schilling Tea—Japan, Ceylon-India, Oolong, English Breakfast. All one quality. In parchment-lined moisture-proof packages. At grocers everywhere. A Schilling & Co San Francisco

### WATERSHED SAID TO BE MENACED

Word comes from up the canyon that the fences constructed by the cattle men some years ago by order of the city and government forestry department, to keep stock off the Ashland watershed has been in many places destroyed and in others let down and rocks piled on the wires so cattle can get through and graze on the watershed and drink from Ashland creek. If this be true it is a great menace to our water supply and should not be tolerated. It is said that last year about one hundred head of cattle were let in and the number doubled this year. Two hundred head of cattle wading in the headwaters of Ashland, with their filth, constituted a tremendous menace. The matter should be looked into by the proper authorities and if found to be true drastic action should be taken at once.

Besides the danger of disease arising from filth in the water shed the grazing of stock will soon result in denuding the ground of grass and foliage thus diminishing the ability of the soil to conserve waters during the dry season.

## IT'S NOT YOUR HEART IT'S YOUR KIDNEYS

Kidney disease is no respecter of persons. A majority of the ill-afflicted people today can be traced back to kidney trouble.

The kidneys are the most important organs of the body. They are the filters, the "livers," of your blood.

Kidney disease is usually indicated by weariness, sleeplessness, nervousness, despondency, backache, stomach trouble, pain in loins and lower abdomen, gall stones, gravel, rheumatism, sciatitis and lumbago.

All these derangements are nature's signals to warn you that the kidneys need help. You should use GOLD MEDAL Haarem Oil Capsules immediately. The soothing, healing oil stimulates the kidneys, relieves inflammations and destroys the germs which have caused it. Do not wait until tomorrow. Go to your druggist today and insist on GOLD MEDAL Haarem Oil Capsules. In twenty-four hours you should feel health and vigor returning and will bless the day you first heard of GOLD MEDAL Haarem Oil.

After you feel that you have cured yourself, continue to take one or two capsules each day, so as to keep in first-class condition and ward off the danger of other attacks.

ASK for the original imported GOLD MEDAL brand. Three sizes. Money refunded if they do not help you.
