TRIBUTE
 To the memory of the late Oscar F. Thomson.
WHEREAS; It has pleased the all wise Father of us all to remove from our midst our beloved brother and fellow Mason, Oscar F. Thomson, who departed this life on Friday, June the 4th, A. D. 1909, A. L. 5909.
BE IT RESOLVED; That in the death of Brother Thomson we have sustained an irreparable loss of one who was a loving and faithful husband and father and a prominent and useful citizen, whose disposition was such as to cast a ray of sunshine on all he met, and whose life was full of kind deeds.
RESOLVED; That he was a charter member and one of the founders of Echo Lodge No. 94, A. F. & A. M., which was subsequently merged into Umatilla Lodge No. 40, in which he first

imbibed the principles of Masonry, we recognize that he did much to promote the interests of Masonry in our midst, which he so much cherished.
RESOLVED; That we tender to the wife and children of our departed brother, our most heartfelt sympathy in their sad bereavement, and as a solace in their hour of sore affliction, we point to the bright promises held out to all the faithful votaries of Masonry.
RESOLVED; That these resolutions be spread on the minutes of Umatilla Lodge No. 40, A. F. & A. M., at Echo, Oregon, and that copies thereof be furnished to the widow and family of our deceased brother, and to the press for publication.

Of Interest to Farmers and Mechanics.
 Farmers and mechanics frequently meet with slight accidents and injuries which cause them much annoyance and loss of time. A cut or bruise may be cured in about one-third the time usually required by applying Chamberlain's Liniment as soon as the injury is received. This liniment is also valuable for sprains, soreness of the muscles and rheumatic pains. There is no danger of blood poisoning resulting from an injury when Chamberlain's Liniment is applied before the parts become inflamed and swollen. For sale by Dorn & Dorn.
