## FOR DRASTIC ACTION

### Taft Inquires About Execution of Americans by Zelaya.

### NICARAGUA CAUGHT IN THE ACT

### President Upholds Cause of Revolutionists and Sets Precedent in American History.

Washington, Nov. 20.—Announcement that this government is tired of the high-handed action of small Central American republics practically was contained in a dispatch sent late today to the Bluefields Steamship company, which sought the protection of the state department from interference by insurgents now operating against President Zelaya.

An hour later a peremptory note, couched in diplomatic language, but none the less direct, was delivered to Senor Felipe Rodriguez, chargé d'affaires of the Nicaraguan legation, demanding a full and complete explanation of the execution of two Americans, Leonard Grace and Leroy Cannon, killed by order of Zelaya when they were found in the insurgent army.

Pending a satisfactory explanation of the occurrence, President Taft has refused to recognize Isidore Hazera, new Nicaraguan minister. Mr. Taft is thoroughly aroused by actions of the Zelayan government, and apparently is determined to make the lives of American citizens much safer and much more respected in Central America than they have been hitherto.

The attitude of the government was clearly shown in the dispatch to the Bluefields steamship company, the headquarters of which is in New Orleans. The company's steamer was about to set sail for Bluefields with a miscellaneous cargo, in which were a number of rifles and other munitions of war. The corporation was warned by agents of the Nicaraguan insurrectionary forces that the vessel would be liable to seizure, and the steamship people promptly called on the state department to declare the protection of this government in such cases. The state department replied promptly. The answer was the result of a conference between President Taft and Secretary Knox and carried full weight.

It gave the steamship concern no encouragement, and practically recognized the revolutionary forces operating against the Zelaya administration, a proceeding for which there probably is no parallel in the records of this government.

### CLAIM AGAINST CHILE.

### United States Makes Demand for Settlement of Old Case.

Washington, Nov. 20.—The Alsop claim against Chile for more than \$1,000,000, pending for 35 years, has assumed a critical stage. Mr. Dawson, American minister to Chile, is now on his way to Washington, having left Mr. Pierpont in charge of the legation.

It is not improbable that, if the Chilean government does not consent to a final settlement within the next few days, the American legation in Santiago will be closed and its archives placed in the hands of the American consul for safekeeping. Intimation to this effect has been given to Minister Cruz, representing Chile in Washington.

This action on the part of the state department is not to be taken as an ultimatum to Chile, but this government's purpose in withdrawing its diplomatic representatives from that country is a protest against Chile's in-terminable delays concerning this claim.

It is not thought probable that Chile will willingly continue to be exhibited before the world as a country which resorts to every possible effort to avoid the payment of admittedly just debts. Only a week or ten days ago Minister Dawson entered into an agreement with the Chilean foreign office as to the form of a protocol which was to be the basis for a reference of the Alsop claim to The Hague tribunal.

The Chilean government, however, refused to comply with conditions agreed upon, and in effect repudiated its own foreign office.

### Denver Tong Warned.

Denver, Colo., Nov. 20.—Denver's Chinatown is in a reign of terror today, as the result of warnings received from San Francisco that a band of 30 hatchet men are en route to Denver to exterminate members of the Yee tong, of whom there are nearly 100 here. This action is a result of the feud that is now raging in San Francisco between the Yee tong and the On Yiek tong. Yee Onung, proprietor of a chop suey restaurant, received a letter yesterday containing the warning. Watch will be kept for the strange Chinese.

### Kin of Diaz Breaks Back.

Enid, Okla., Nov. 20.—Vincente Diaz, who declares he is the grandson of President Diaz, of Mexico, was arrested here today on a charge of disorderly conduct. Failing to get bonds, he was put to work on the street. Later he telegraphed to Mexico City for financial aid, and produced letters and papers which satisfied the police of his identity. In the belief that the young man's story was true, the police announced he would be released. Diaz said he was the victim of circumstances.

### Floods Create Havoc.

Cape Haytien, Nov. 20.—According to advices from Monte Cristi, Santo Domingo, the Yaqui river has overflowed its banks and inundated virtually the entire town. The river in some places rose 15 feet. Inhabitants were forced to take refuge on rocks.

### Voice of the People.

No matter how long your neck may be or how sore your throat, Hamlin Wizard Oil will cure it surely and quickly. It drives out all soreness and inflammation.

### A Secret Society.

Carrie—I've got a dandy idea for a girls' secret society. Belle—A secret society! Do you think it would be practical? Carrie—Surely. We wouldn't keep secrets; we'd swap them.—Puck.

### One Distinction.

Irate Caller—Your paper accused me this morning of running over a man with my motorcycle. It isn't true. It was an automobile. Editor—Well, what's the difference? Irate Caller—The difference? About \$550!

### Nipped by a Late Frost.
