**Effect Temporary  
Fair Organization**

Stockholders Meeting Held Saturday-  
Permanent Organization on  
January Fourteenth.

Saturday last, being the day before  
Christmas, was not conducive to a  
very large outpouring of the people  
in any proposition, yet a very fair  
representation of the public spiri-  
tled men of the county was on hand  
to effect the organization of the  
Wallowa County Agricultural Fair  
association.

After full discussion, however, it  
was resolved that the best permanent  
interests of the fair demanded that  
every precinct of the county should  
be represented, not only among the  
stockholders, but on the various  
committees as well.  
It was decided, therefore, to effect  
only a temporary organization, which  
was done by the election of Jay H.  
Robbin, Sam Wade, Carl Whitmore,  
J. M. Fruits and W. F. Craig as a  
temporary board of directors, and  
from that number W. F. Craig was  
elected to act as temporary secre-  
tary.

The meeting was adjourned until  
Saturday, January 14, at 2 p. m.,  
at which time an effort will be made  
to have every subscriber to stock  
present.

At that meeting a permanent or-  
ganization will be effected.

**TAILOR MAKES FREE WITH  
HIS EMPLOYER'S GOODS.**

Sheriff Edgar Marvin went to La  
Grande Wednesday after Edward  
Smith, a tailor under arrest there  
on a charge of misappropriation of  
goods owned by Max Gummerman of  
this city.

Smith was from The Dalles and  
was left in charge of Mr. Gummer-  
man's shop here last week while  
he owner and his bride were in  
Portland on their wedding trip. It  
is alleged Smith got very busy, sold  
several suits of clothes, traded a gar-  
ment on a diamond ring then on  
Sunday hired a rig and went to Jo-  
seph, whence he took the train for  
La Grande.

A Joseph man brought the rig  
back, suspicion was aroused, the  
nothing traced, and word sent to  
the Union County sheriff to place  
the young man under arrest, which  
was done.

**WEDDING BELLS.**

Married, Tuesday evening, Dec-  
ember 27, at 8 o'clock, at the Lewis  
hotel, Mr. John W. Fine and Mrs.  
Louise Tinsley, Rev. W. P. Summe  
officiating in the presence of a num-  
ber of friends. An elegant wedding  
supper was served at the hotel.

Miss Katharine P. Kay and Mr.  
Herbert L. Browning, both well known  
and very popular young people of  
this city were quietly married at the  
home Sunday morning at 8:30  
o'clock by Rev. B. F. Meredith of  
the Methodist church. The witnesses  
were Mr. Roger and Miss Helena  
Browning, brother and sister of the bride.  
Mr. J. L. Browning, father of the  
groom, Mr. and Mrs. A. B. Conaway.  
After a call at the Browning home,  
the happy young couple went to the  
depot and departed on the morning  
train for a two weeks wedding trip  
to Idaho, where they will visit friends.  
Upon their return they will reside  
in this city.

The many, many friends of both  
bride and groom will join in heartiest  
wishes for a long, bright and joyous  
married life.

**BRIEF NEWS OF THE WEEK**

Ten dollars a minute is the value  
a New York jury has attached to the  
time of Lawyer Samuel C. Harriman,  
who sued the owners of a downtown  
office building for false imprisonment  
because he was locked in a room 10  
minutes by a janitor. The jury gave  
him a verdict of \$100.

Customs inspectors discovered 75  
tins of opium, valued at \$4000, on the  
liner Asta.

Many public men of note attended  
the banquet of the Illinois Society of  
the War of 1812 in Chicago, at which  
plans for the building of a great me-  
morial for Commander Perry at Put-  
in-Bay were discussed.

Led by the United States Govern-  
ment, it is the belief in Wall street  
that the country is about to enter on  
an era of entrenchment and economy.  
According to the wise men of the  
street, the railroads and great indus-  
trial corporations are to take the lead  
in the campaign of economy.

For the first time in Missouri there  
was no Christmas tree at the execu-  
tive mansion for the pleasure of the  
little children of Jefferson City. An  
epidemic of scarlet fever prevails in  
the city and the physicians requested  
Governor and Mrs. Hadley to abandon  
the annual Christmas tree.

**NEWS OF NOTED PERSONS**

After spending 18 years in Folsom,  
California, prison on a life sentence  
for train robbery, it is probable that  
Chris. Evans, one of the leaders of  
the famous highway band known as  
Sontag and Evans, which terrorized  
the San Joaquin valley in the nine-  
ties, will be paroled.

The petition of Abraham Ruef, the  
former San Francisco political boss,  
under sentence of 14 years for brib-  
ery, for a hearing of his case before  
the district court of appeals, was de-  
nied by that tribunal. Ruef now faces  
his last resort—the supreme court.

Some of those who think they are  
gifted with political prophetic vision  
think they see an effort to make Fran-  
cis J. Heney, backed by William  
Kent's money, the United States sen-  
ator from California to succeed Frank  
P. Flint, with Kent coming in to suc-  
ceed Senator Perkins two years  
hereafter.

Joseph Wendling, convicted of the  
murder of Alma Kellner, eight years  
old, at Louisville, Ky., a year ago, was  
denied a retrial.

Every laborer in the employ of the  
New York City Park Department re-  
ceived a bright, new \$5 gold piece as  
a Christmas gift from Mrs. Russell  
Sage.

Standing upon a flower-banked plat-  
form erected near the fountain given  
to San Francisco by Lotta Crabtree,  
before 50,000 persons, Louisa Tetraz-  
zini sang to the people of San Fran-  
cisco, as her Christmas offering.

**FOREIGN NEWS BITS**

In the course of a few years, Ger-  
many in all likelihood will consume  
nothing but imported meat, accord-  
ing to consular reports.

The English election having re-  
sulted in a victory for the progressive  
or Liberal forces, it is predicted that  
within three years the house of lords  
will either be abolished or that its  
power for evil will be taken from it.

The Canadian Railway Commission  
has directed the express companies  
of the Dominion to file lower tariff  
rates within three months.

That the "padlock bill," passed by  
the cortes, designed to separate church  
and state in Spain, is but the forerun-  
ner of more sweeping anti-church  
measures was intimated by prominent  
members of Premier Canalejas' ad-  
ministration.

Determined to stop illegal use of its  
name, the grand lodge of Ancient  
Free and Accepted Masons of Oregon,  
a committee of three has been ap-  
pointed to prepare a bill for presenta-  
tion to the legislature to weed out  
the promoters of imitation orders.

State aid to one high school in each  
county, requiring such school to offer  
a normal course, and a plan of certi-  
fication whereby county certificates  
will be abolished and the examina-  
tions will all be conducted by the  
state, are laws which the superin-  
tendents of county schools of Oregon  
would like to see placed on the sta-  
tute books of the state.

Although it probably will be the  
first of the coming year before the  
final state tax levy is made up, it is  
safe to state the levy will not exceed  
two mills and may be a shade under  
that amount. Basing this on an esti-  
mated valuation of \$330,000,000, the  
two-mill tax will raise \$1,650,000 for  
state purposes.

The United States Geological Sur-  
vey reports that the total produc-  
tion of coal in Oregon in 1909 was  
87,276 short tons, having a spot value  
of \$235,085, differing very slightly  
from that of the preceding year. Only

**Are You Boss  
of Your Own Job?**

Or is some one else assuming the responsibility for your work? The  
trained man is the responsible and well-paid man. The untrained man—the  
chap that does only the detailed part of the work at another's bidding—ass-  
umes no responsibilities and is paid just so much for his labor, and no more.

If you are only a detail man, the International Correspondence Schools can  
fit you for positions higher up—can help you to be boss of your own job. If  
you are earning only a small wage, the I. C. S. can raise your salary. No  
matter where you live, how many hours a day you work, how little spare  
time or money you have, or how limited your education (provided you can  
read and write), the International Correspondence Schools will go to you and  
train you for your chosen occupation. Training means rapid advancement to  
be boss of your own job. The 214 Courses of the I. C. S. offer to you a way  
out of the rut of forever having to take orders from the boss.

The I. C. S. can help you just as it has helped thousands of other ambi-  
tious men that at the rate of 300 every month are voluntarily reporting salar-  
ies raised and positions bettered as the direct result of I-C-S Training. The  
I-C-S way will not require you to leave home, stop work, nor suffer any in-  
convenience. To find out all about the I-C-S way—to get full information

A summary of appropriations re-  
quested for the Oregon School for the  
Deaf Mutes for 1911 and 1912 has  
been filed with the secretary of state  
by the superintendent of that institu-

Plans to establish a new state  
board of agriculture, modeled after  
the Federal Department of Agricul-

transact the duties of the present  
board, with a wider scope for its ac-

the capital, a statistical department  
and investigation of crop conditions  
throughout the state are proposed.
