The farmhouse of J. M. Sealey at
Oak Grove burned to the ground
Wednesday night. This was one of
the handsomest homes in Polk county,
and the loss to its owners will be
keenly felt.

Miss Bessie Butler, of Independence,
has organized a music class in Dallas
and will be here on Thursday of each
week. She is a graduate of the Will-
amette Conservatory of Music, and is
a skilled performer. For information
and terms, inquire of Mrs. Chas. Mc-
Devitt.

The public school declamation con-
test held on Wednesday, Thursday
and Friday nights of last week was a
great success. Large crowds were
present each night, and the programs
were highly entertaining and enjoy-
able. Winnie Launer won the C. L.
Starr gold medal, and Herman
Hawkins was the winner of the school
medal. The winners in the several
rooms were: Room one, Jack Eakin,
Vera Wagner; room two, Herman
Hawkins, Nellie Shew; room three,
Merle Myer, Lila McDaniel; room
four, Bessie Coover, Wayne Green-
wood; room six, Winnie Launer,
Cordia Gooch; room seven, Allie
Fuller, Earl Burk; room eight, Eula
Phillips, Earl Shelton. The receipts
were \$73 and the expenses \$25, leaving
a balance of \$48, which will be spent
for supplies for the school by Prin-
cipal W. I. Reynolds.

The intercollegiate prohibition ora-
torical contest to be held in Dallas on
May 1 will be the greatest event of the
college year—greater than basketball,
or any athletic event, as it will be of
an instructive nature. Eight colleges
will be represented in the contest. The
admission will be 50 cents and 35
cents. Because of the expense at-
tached to working up the contest and
the amount of cash prizes that must
be given by the college where the con-
test is held, and also because of the
limited room that is to be had in
Dallas, this admission must be
charged. The men who will speak
are men who stand high in their
classes, and who are preparing for a
work in life that will be of benefit to
their fellow men. This contest will
not be held in Dallas again for eight
or nine years at least, and all should
avail themselves of the opportunity to
attend. The names of the orators will
be published next week.

Every day will be a special day.

The Sheridan Woodman band has
been secured for the occasion.

The dates and rates of the railroad
excursions will soon be announced by
the committee.

Ten gentle teams wanted to draw
floats and cars in the parade. Apply
to Frank Kerslake.

The confetti privilege has been sold
to C. W. Matthews, and the main tent
concession to Mistletoe Circle.

Many business houses are already
making arrangements for decorating
their fronts and windows with the
carnival colors.

The carnival grounds will be opened
at 1 p. m. and 7 p. m. daily. Promen-
ade concerts at 1:30 and 7:30. Perfor-
mances commence in the main
pavilion at 2 and 8 p. m.

In answer to many inquiries, it can
be said that the Ferris Wheel which
will be used at the Dallas Carnival is
made of steel and is perfectly safe.

The carnival colors are red, white
and black—the colors of the W. O. W.
A large amount of bunting has been
ordered by the merchants for decora-
tions.

The coronation ceremony, with the
attending court ladies and gentlemen,
will be one of the most brilliant of the
many attractions.

Dallas is being advertised as it
never was before. Matter pertaining
to the carnival is appearing in the
oratorical press. The Portland
and Salem papers are devoting con-
siderable space to the event.

Elsewhere in this paper is an official
plat of the grounds. Bids for stands
will be received up to May 16. Highest
bidder will get choice of location.
Bids to read per diem; decisions of
committee to be final.

From present indications there will
be the largest crowd here during car-
nival week ever seen in Dallas. In
order to accommodate all who come,
the committee requests all persons
having one or more rooms to rent to
notify Charles Baker or J. B. Thomp-
son, with the price per night, and
whether they will accommodate ladies.

Saturday evening, the closing night
of the carnival, will be Mardi Gras
night, when all are requested to attend
in masses. It is expected that prizes
will be awarded to the best lady and
gentleman masker. King Rex will reign
supreme on this occasion. There will
be plenty of fun and frolic.

An insane Indian woman was
brought over from the Grand Ronde
reservation Wednesday, and was con-
veyed to the asylum by Sheriff Ford.

The track-laying gang on the Dallas
and Falls City railroad have reached
the high trestle on the Harris farm,
two miles south of town. The grading
will probably be completed within the
next week or ten days.

The shelving and counters for
Jacobson & Bird's new clothing store
in the Abel Uglov building are near-
ing completion. The room will be
ready for occupancy May 4.

The Johnson Lumber Company's
big sawmill at this place is running
on full time, and a large amount of
lumber is being shipped.

The company made a heavy drive of logs
down the LaCreele, Wednesday.

Little Early Risers are different from

restoring the liver to the full per-

"I was a sufferer from chronic diarrhea for five
years," writes Mrs. Mary A. Austin, of Falls
City, Mo. "I tried different remedies,
which would give me relief for a short time
only. My trouble would return as bad as ever.
I consulted you in July, 1920, and by your advice
I commenced using Dr. Pierce's medicine. I took
three vials of the 'Pellets,' and some of the
two bottles of the 'Golden Medical Discovery.'
I have not had any return of my trouble since
using your medicines. And now several years
old, I never had anything to relieve
me so quick. I think Dr. Pierce's medicines the
greatest on earth for your trouble. I shall use
your medicine for my trouble shall use your medicine.
My thanks to you for your advice and thanks
to Almighty God for restoring me to health
through your hands."

Accept no substitute for "Golden Medical
Discovery." There is nothing "just
as good" for diseases of the stomach,
blood and lungs.
