

## THEO. FORD'S

# BLACK-DRAUGHT

## THE ORIGINAL LIVER MEDICINE

A yellow complexion, dizziness, biliousness and a coated tongue are common indications of liver and kidney disease. Stomach and bowel troubles, severe as they are, give immediate warning by pain, but liver and kidney troubles, though less painful at the start, are much harder to cure. Theo. Ford's Black-Draught never fails to benefit diseased liver and weakened kidneys. It stirs up the torpid liver to throw off the germs of fever and ague. It is a certain preventive of cholera and Bright's disease of the kidneys. With kidneys reinforced by Theo. Ford's Black-Draught thousands of persons have dwelt immune in the midst of yellow fever. Many families live in perfect health and have no other doctor than Theo. Ford's Black-Draught. It is always on hand for use in an emergency and saves many expensive calls of a doctor.

Mrs. S. C. March 10, 1901. I have used Theo. Ford's Black-Draught for three years and I have not had to go to a doctor since I have been taking it. It is the best medicine for me that is on the market for liver and kidney troubles and dyspepsia and other complaints. Rev. A. G. LEWIS

### BRIGHT'S DISEASE.

The largest sum ever paid for a prescription, changed hands in San Francisco, August 30, 1901. The transfer involved in coin and stock \$112,500.00 and was paid by a party of business men for a specific for Bright's Disease and Diabetes, hitherto incurable diseases.

They commenced the serious investigation of the specific Nov. 15, 1900. They interviewed scores of the cured and tried it out on its merits by putting over three dozen cases on the treatment and watching them. They also got physicians to name chronic, incurable cases, and administered it with the physicians for judges. Up to Aug. 25, eighty-seven per cent of the test cases were either well or progressing favorably.

There being but thirteen per cent of failures, the parties were satisfied and closed the transaction. The proceedings of the investigating committee and the clinical reports of the test cases were published and will be mailed free on application. Address JOHN J. FULTON COMPANY, 420 Montgomery St., San Francisco, Cal.

### The New Issue in Temperance.

## "WHISKY MEDICINES."

### THE VOICE,

The Leading Temperance Paper, Sounds the Call to a New Crusade in the Following Article.

"ANOTHER HEAD ON THE HYDRA."

"It is time attention was drawn to a form of alcoholic traffic that seems to have been overlooked by those engaged in the crusade against the ruin power. If, as is believed and taught, alcohol is most dangerous when it fights in ambush, it is most to be dreaded when it finds its first entrance to the system in the pleasant sauces and dishes of the home, then the force of alcoholic traffic in question is doubly dangerous, for it comes in the guise of medicine and attacks a system prepared by weakness to easily surrender to the assault. In many PATENT MEDICINES which are largely consumed throughout the country, by all classes of people, there is a percentage of alcohol which puts them on a level with beer, rum and whisky as intoxicants. It is the smallness only of the dose prescribed which prevents a prompt recognition of the intoxicating effects of these so-called medicines by those who use them.

"It is safe to affirm that they are MEDICINES NAME ONLY. Their chief value lies in their alcoholic effect as a stimulant. In fact, those who know, attribute the benefits ascribed to this class of medicines wholly to the stimulative effect of the alcohol they contain. They are used largely by persons who are suffering from chronic weakness and the little dose taken three or four times a day is as stimulating to these people as his regular "finger" of "biters" is to the regular liquor-drinker.

WHAT CAN BE DONE?

"What ought to be done at least is to compel every patent-medicine manufacturer to state on the wrapper of his bottle the quantity of alcohol it contains. That would at least leave people to exercise their own judgments. More than that, no paper truly interested in temperance reform should print or advertise the use of any alcoholic medicine. It should be the duty of every temperance organization and branch in the country to look into this question, agitate it, and deal with the facts just as earnestly and as honestly as other facts have been dealt with."

Appreciating the gravity of the issue raised by the strong statement of facts made in the foregoing article, we wish Dr. Pierce's Golden Medical Discovery and Dr. Pierce's Favorite Prescription contain

NO ALCOHOL, NO WHISKY, NO INTOXICANT OF ANY KIND.

These medicines are equally free from opium and other narcotics.

"They are in the strictest meaning of the word, *temperance medicines*. No other medicine, put up especially for woman's use can it be truthfully affirmed, as Dr. Pierce's Favorite Prescription, that it contains neither alcohol nor opium or other narcotic in any form.

While the negative features of Doctor Pierce's medicines may only interest some of the readers of this article, the positive features of these medicines must be of interest to every one. The great value of "Golden Medical Discovery" in the cure of diseased or deranged conditions of the stomach and digestive and nutritive organs is testified to by tens of thousands who have found health and healing in this great remedy. The "Discovery" increases the action of the blood-making glands, and by curing the diseases which corrupt and cripple the stomach and digestive and nutritive organs, it enables a full and pure supply of blood to be sent to every part of the body.

WOMEN KNOW ITS WORTH.

Women who have been especially appreciative of the benefits following the use of Dr. Pierce's Favorite Prescription. Its wonderful cures of irregularities, inflammations, ulcerations and female troubles, have caused it to name it "the God-sent" women." It is entitled to wear the "blue ribbon" of merit as well as the blue ribbon of temperance.

### Women as Well as Men Are Made Miserable by Kidney Trouble.

Kidney trouble preys upon the mind, disorganizes and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh or if, when the child reaches an age when it should be able to control the passage. It is yet afflicted with bed-wetting, depending upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one-dollar sizes. You may have a sample bottle by mail free, also pamphlet letter. Home of Swamp-Root, Inc., 111 South Second Street, New York, N. Y., including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
