

FEMALE WEAKNESS

542 1-2 Congress St.
Portland, Maine, Oct. 17, 1902.
I consider Wine of Cardui superior to any doctor's medicine I ever used and I know whereof I speak. I suffered for nine months with suppressed menstruation which completely prostrated me. Fatigue would shoot through my back and sides and I would have blinding headaches. My limbs would be discouraged for it seemed to be beyond the help of physicians, but Wine of Cardui came as a God-send to me. I felt a change for the better within a week. After nineteen days treatment I menstruated without suffering the agonies I usually did and soon became regular and without pain. Wine of Cardui is simply wonderful and I wish that all suffering women knew of its good qualities.

Miss Oza Waldrop, well known to many Oregon people, is playing the part of "Mintie" in the "Dairy Farm" now being produced in Oregon. Miss Waldrop was recently interviewed as to her liking for stage life. Her answer was: "I'm perfectly miserable and almost sad at this business. All that there is to this stage life is very fleeting. Many a night you come home to your lonely room and cry yourself to sleep. I've had many a heart-ache in the three years that I have been on the stage. I have gone to rehearsals day after day in tears, and each line that I read has been followed by a call-down. Stage managers don't know everything, but they simply tear you to pieces. A domestic home life, a home, a husband and little ones should be the ideal of a woman's life."

A Love Letter
Would not interest you if you're looking for a guaranteed Salve for Sores, Burns or Piles. Otto Dodd, of Ponder, Mo., writes: "I suffered with an ugly sore for a year, but a box of Bucklen's Arnica Salve cured me. It's the best Salve on earth. 25 cents at Belt & Cherrington's Drug Store."

Many Mothers of a Like Opinion
Mrs. Pilmer, of Cordova, Iowa, says: "One of my children was subject to croup of a severe type, and the giving of Chamberlain's Cough Remedy promptly, always brought relief. Many mothers in this neighborhood think the same as I do about this remedy and want no other kind for their children." For sale by Wilson Drug Company.

It is now Greater Salem, and several prominent men who have been residing in the country to keep from paying city taxes will have to put up. Serves them eminently right, says the Albany Democrat.

Saves Two From Death.
"Our little daughter had an almost fatal attack of whooping cough and bronchitis," writes Mrs. W. K. Haviland, of Armonk, N. Y., "but, when all other remedies failed, we saved her life with Dr. King's New Discovery. Confessions of a Priest.
Rev. John S. Cox, of Wake, Ark., writes: "For 12 years I suffered from Yellow Jaundice. I consulted a number of physicians and tried all sorts of medicines, but got no relief. Then I began the use of Electric Bitters and feel that I am now cured of a disease that had me in its grasp for twelve years." The editor of the Astorian perpetrates this one: "Because a girl baby chanced to be born in a merry-go-round at an Indiana county fair, it does not necessarily follow that she is to be a member of the Daughters of the Revolution."

Chamberlain's Cough Remedy.
No one who is acquainted with its good qualities can be surprised at the great popularity of Chamberlain's Cough Remedy. It not only cures colds and grip effectively and permanently, but prevents these diseases from resulting in pneumonia. It is also a certain cure for croup. Whooping cough is not dangerous when this remedy is given. It contains no opium or other harmful substance and may be given as confidently to a baby as to an adult. It is also pleasant to take. When all of these facts are taken into consideration it is not surprising that people in foreign lands, as well as at home, esteem this remedy very highly and very few are willing to take any other after having once used it. For sale by Wilson Drug Company.

Unofficial estimates put the annual cut of lumber and shingles of the three Pacific States at 4,600,000,000 feet, of which California supplies 860,000,000 feet, Oregon 740,000,000 feet, Washington 2,300,000,000 feet. Shipments by water alone at Seattle were 564,472,801 feet of lumber in 1902, and 506,964,749 feet in 1901. In 1902 rail shipments to the interior amounted to 562,175,000 feet, and in 1901 to 364,530,000 feet. Portland shows a traffic toward the interior by rail ranking next to Seattle in importance. In the calendar year 1900, 11,986 cars of lumber were shipped from that port, 13,517 in 1901 and 15,876 cars in 1902.

Better Than Pills.
The question has been asked—In what way are Chamberlain's Stomach and Liver Tablets superior to the ordinary cathartic and liver pills? Our answer is—They are easier and more pleasant to take and their effect is so gentle and so agreeable that one hardly realizes that it is produced by medicine. Then they not only move the bowels but improve the appetite and aid the digestion. For sale at 25 cents per bottle by Wilson Drug Company.

The New Issue in Temperance.
"WHISKY MEDICINES."
THE VOICE,
The Leading Temperance Paper, Sounds the Call to a New Crusade in the Following Article.

"ANOTHER HEAD ON THE HYDRA."
"It is time attention was drawn to a form of alcoholic traffic that seems to have been overlooked by those engaged in the crusade against the rum power. If, as is believed and taught, alcohol is most dangerous when it lights in ambush, if it is most to be dreaded when it finds its first entrance to the system in the guise of medicinal and dishes of the food, then the form of alcoholic traffic in question is doubly dangerous, for it comes in the guise of medicine and attaches a system prepared by weakness and easily surrender to the assault. In many cases which are largely consumed throughout the country, by all classes of people, there is a percentage of alcohol which puts them on a level with beer, rum and whisky as intoxicants. It is the smallness only of the dose prescribed, which is the cause of recognition of the intoxicating effects of these so-called medicines to those who use them.

Women as Well as Men Are Made Miserable by Kidney Trouble.
Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one dollar sizes. You may have a sample bottle by mail free, also pamphlet "Home of Swamp-Root," including many of the thousands of testimonials, letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper.

Don't make any mistake, but remember the name—Swamp-Root. Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

A Mother's Plain Words
"I suppose you will be astonished when I tell you that six years ago I was in a most dangerous condition with bronchitis and it was a trouble, because you can see how well and strong I am now. The fact that at that time caused terrible pain in my chest and lungs. I could hardly move, and to stoop caused intense suffering. Someone advised Ackers' English Remedy, and I thought I would try it, although I confess that down in my heart I had little faith in it. The first bottle gave great relief, and the second bottle made me the healthy woman I am today. My husband's life was a wreck also, and he cured him with the same grand old remedy. Our boy and girl have both been saved by it from death by cough. I know this is so, for when they were attacked in the night I had a bottle in the closet, and by acting quickly that fatal malady was easily overcome. We always give it to the children when they have a cough or cold, and we would not be without it for anything. My sister will tell you also, if you ask her, that it is a medicine that can always be depended upon for all the troubles of the breathing organs. I tell all our neighbors about Ackers' English Remedy whenever I get a chance, and there are plenty of people around Mechanicsville, N. Y., where I live, who would no more think of going to bed at night without a bottle of it in the house than they would of leaving their doors wide open. As I look at it, parents are criminally responsible when they allow their children to die their very eyes with cough, because here is a certain remedy that will conquer the terrible monster every time."

(Signed) Mrs. FLOYD POWLER.
