PLAN FOR SCHOOL FAIR

Executive Committee Holds Meeting in Dallas and Prepares Premium List.

Although the time for holding the second annual Polk County Children's Fair is over six months away, Superintendent Starr and his assistants on the Executive Committee are already making active arrangements for the preparation of an exhibit that will be even better than the excellent display of last year.

The members of the women's and men's committees met in the Court-house last Saturday afternoon and, in addition to making up a premium list, discussed the enterprise in all its phases and outlined a plan of work. Circulars setting forth these plans will be scattered broadcast over the county in a few days and no effort will be spared to interest the children in every district in the county in the work of preparing an exhibit. Mrs. G. W. Conkey and Mrs. George Wilcox, of Independence, were added to the women's committee at Saturday's meeting and both committees are now complete.

The business men of the county will be solicited for contributions to the prize fund in the near future. The farmers will also be asked to aid the good cause, and prizes in the shape of blooded livestock will be gratefully appreciated.

DALLAS DEFEATS Y. M. C. A.

Basketball Season Closes in Salem With Poor Exhibition of Popular Game.

Salem Y. M. C. A.....	2	167

The Dallas College basketball team defeated the Y. M. C. A. team in Salem by a score of 48 to 8, Saturday night. The Salem Statesman gives the following account of the one-sided game:

"It was only fun for the Dallas boys, and between the times that baskets were being thrown, that is, while the game was going on, the visitors stopped to chat with the local devotees of the nimble leather sphere.

"Dallas furnished half the crowd and the greater part of the game. The local boys were not in it for an instant, and though they made many brave and noble efforts to retrieve their fortunes, it was like the futile efforts of a safety valve trying to blow off without even enough steam to make a hiss. It was an interesting game to those who looked through Dallas eyes or felt the pulse-beat of Dallas blood. Seen through the eyes of a Y. M. C. A. supporter, it was one of the poorest exhibitions of the indoor game seen on a local floor for a great many moons.

"The game, to an impartial observer, seemed like a friendly match, played only for the exercise or for the pleasure of the game. It was almost an 'Alphonse and Gaston' affair when it came to laying hands on the elusive leather sphere. But, nevertheless, all things considered, everyone got their money's worth of pleasure from the game, and fun."

THE NEW R. F. D. LAW Is Received with Satisfaction by Thirty-Seven Thousand Mail Carriers.

The new law relating to the payment of rural letter carriers, which was recently passed by congress, will be a great blessing to that department of the mail service. Statistics show that there are approximately 37,000 rural delivery mail carriers in the United States, and of this number there were 6000 resigned last year, owing to insufficient salary. The new law puts the rural carriers on a living basis, and will no doubt be productive of better service and better satisfaction to the entire postal department. The law reads as follows:

"That on and after July 1, 1907, letter carriers of rural delivery service shall receive a salary not exceeding \$900 per annum; provided that rural letter carriers after 12 months shall be allowed leave with pay not to exceed 15 days; the substitutes for carriers on vacation to be paid during said service at the rate paid the carrier."

On routes of maximum length (24 miles) the law allows the carrier \$900, and on shorter routes the salary will be graded in proportion.

Faster and faster the pace is set, by people of action, vim and get, So if at the finish you would be, Take Hollister's Rocky Mountain Tea. Belt & Cherrington.

APPRECIATED COMMENT

What Some of Our Exchanges Say of the Twice-a-Week Observer.

That very excellent paper, the Polk County Observer, will be published hereafter twice a week.—McMinnville Reporter.

The Polk County Observer comes out as a semi-weekly. Bro. Hayter does not stop at anything that will increase the value of his paper.—Dayton Optimist.

The Polk County Observer, published at Dallas, has become a semi-weekly. It is one of the best county papers in the state.—Eugene Guard.

The Polk County Observer has been changed to a semi-weekly, which shows there is something doing in Dallas. Editor Hayter has all the symptoms of a live newspaper man.—Amity Enterprise.

The Polk County Observer comes out twice this week as a semi-weekly. Brother Hayter says in part: "The increased service is made possible by our splendid mechanical facilities which are excelled by no country newspaper on the Pacific Coast." We wish for him all the success that push and enterprise can and will bring to one so deserving as friend Hayter.—Gresham Herald.

Mutuals Do Business. Representatives of both the Dayton and the Forest Grove insurance companies, recently organized for the protection of merchants and business men's risks on the mutual plan, have been in Newberg in the past few days soliciting business. We understand that both companies received encouragement from our business men.—Newberg Graphic.

Miss Fischer to Receive Benefit. After a month of successive playing at the Klinger-Grand, the Margarita Fischer theatrical company will close next Wednesday evening. The friends in the Elks, Knights of Pythias and Woodmen of the World propose to give Miss Fischer a grand benefit at the Grand Opera House next Friday evening, as she is a favorite with these orders. Miss Fischer will also receive a benefit at Silverton, her old home town, Saturday night, when she leaves for Los Angeles to open an engagement at the Grand Opera House on the 25th inst.—Salem Journal.

Words of Appreciation. In behalf of Dallas College I wish to acknowledge, and express my appreciation of a favor granted us by those who assisted in the presentation of the sacred opera, "Belshazzar," and also to thank the general public whose liberal patronage, not only of this entertainment but of the Lyceum course as well, gave both moral and financial support to the undertaking and assured its success. C. A. MOCK.

H. W. McEldowney, foreman and manager of the Broadmead farm, at Sheridan Junction, was a business visitor in Dallas yesterday.

BETTER PRICES FOR HOPS

Several Hundred Bales Change Hands at Prices Ranging from 9 to 11 Cents.

The hop market continues active and prices are somewhat on the upward trend. The Oregonian says that a good many men in the trade regard the present boom as unhealthy and look for a reaction. One of these is Joseph Harris, of Salem, who has been selling freely at the advance. In the past two weeks he has disposed of 3000 bales. The last lot he sold was 400 bales, which went to E. C. Horst at 10 cents.

Lachmund & Pincus continue their heavy buying, and it is said they secured 1400 bales Friday at prices ranging from 10c to 11c. One of their largest purchases was the D. B. Taylor lot of 514 bales at Corvallis, for which they paid 10 cents.

The E. Clemens Horst Company bought the Roy lot at Buena Vista, 110 bales, at 10c. A. J. Ray is reported to have secured a 140-bale lot at Aurora at 9c.

H. L. Hart secured 100 bales from Hall & Hartman, of Sheridan, at 9 cents; the Biffey lot of 30 bales at Independence at 8 cents; 100 bales from Salem dealers at 8 and 9 cents and a number of small lots from growers, aggregating 100 bales, at 7 to 9 cents. One of Lachmund & Pincus' recent purchases was a lot of 101 bales bought from G. Meucke at about 11 cents.

Wins High Promotion. Captain Milton F. Davis, a former Polk county boy and a graduate of West Point in the class of 1890, has been appointed to serve on the general staff of the United States army under General Arthur MacArthur. He served several years with the Fourth cavalry. He was in the Spanish-American war and his bravery at Santiago was recognized by recommendation for brevet. From Cuba he went to the Philippines and as adjutant-general put in a three-year's service. Captain Davis is the divorced husband of Blanche Bates, whom he married in California a number of years ago.

Advertiser Polk County. Mr. and Mrs. M. L. Causey, of Portland, were guests at the home of Mr. and Mrs. H. G. Campbell, Sunday. Mr. Causey is the president and general manager of the Causey Land & Investment Company, one of the largest real estate concerns in Portland. It is said that this company spends more money in advertising farm properties than any other firm in Portland. Just now Mr. Causey is turning his attention to Polk county and is distributing thousands of pamphlets describing the county and its resources throughout the eastern and middle states. All Polk county business is handled through Mr. Campbell's office in Dallas. Mr. Causey was the promoter of the best sugar industry in Union county and has handled many other important land deals in Eastern Oregon. He is now making a special effort to fill Polk county with homeseekers, and those who know him best do not doubt his ability to succeed.

ROYAL BAKING POWDER

Made from Pure Grape Cream of Tartar

The only excuse for buying anything but a Pure Grape Cream of Tartar Baking Powder is to save a few cents in price.

ROYAL costs you a few cents more per can than Alum or Phosphate of Lime powders, but it is worth far more than the difference keeps your biscuits, cakes and pastry free from the injurious effects of these cheapening substitutes.

Continued use of Alum means permanent injury to health.
