When pipes begin to leak and the bathroom floor is flooded, look out for a fall in the ceiling below. All small leaks become Niagaras if neglected, and it costs lots of money to repair a ceiling. The surest way to avoid a Plumber's bill is either to put in the best plumbing at the start, or to watch out for possible leaks and rusty joints. WE are expert Plumbers, use only the best materials, the best workmanship, and guarantee all work done. THINK AHEAD! If you have plumbing that you want done in the cheapest manner do not come to us. We don't do that kind of work; but if you have Plumbing that you want done in a first-class manner, Plumbing that's fully Guaranteed, better see us. That's the kind of work we want and our price will be as cheap as that kind of work can be done.

### CAPTAIN CADLE IS IN OREGON

With His Family He Has Reached Portland, Near Which Place He Will Buy a Farm.

A letter has just been received in this city, dated Portland, Oregon, April 16, from Captain William H. Cadle, in which Captain Cadle states that he and his family have arrived in that city, near which he will buy a farm. Captain Cadle has been a prominent man in East Tennessee for twenty-five years, having filled various offices in Grainger and Claiborne counties, and served a long term in the Internal Revenue Service. Besides he has been a successful farmer and stood high in the councils of the republican party, to which he belonged. Some years ago two of his sons went west and settled in the state of Oregon and recently the father disposed of his farm and all other property and now settles with his two sons near the city of Portland where his many East Tennessee friends know that he will make his adopted state a successful and respected citizen.—Knoxville, Tenn., Sentinel.

Captain Cadle and family, after visiting for several days at the home of Mr. and Mrs. I. F. Yoakum, have decided to locate in Polk county. They are at present living in one of J. W. Crider's houses on Main street, and will remain in the city until they can purchase a desirable farm. The family will be warmly welcomed to Polk county.
