### Get a Full Set if You Use Jiffy-Jell

Pint Mold—Style—D  
For a Jiffy-Jell Salad or Meat Loaf

Individual Molds  
A Set of Six for Jiffy-Jell Real-Fruit Desserts

Jiffy-Jell is for salads as well as for desserts. And we offer this 50-cent aluminum mold for use in making salads.

Use Lime Jiffy-Jell for salads. Each package contains a bottle of lime-fruit essence, sealed. Added to Jiffy-Jell it makes a tart, green salad jelly.

Some serve it with the salad as a zesty garnish. Some mix the salad into the jelly while cooling. With cooked or uncooked vegetables this makes a salad loaf.

A meat loaf is made by mixing in meat scraps. This gives you meat in aspic—an ideal summer cold dish.

#### We Supply the Mold

Pint Mold, Style D, serves a full package of Lime Jiffy-Jell with the salad or meat mixed in. It makes a flat loaf with six indentations to mark six individual servings.

Send us five end labels from Jiffy-Jell packages—the end labels naming the flavor—and we'll send you this aluminum mold.

Mint Jiffy-Jell contains a vial of mint. It makes a garnish jelly, far better than mint sauce, to serve with cold meats or roast lamb.

Send us five end labels from Jiffy-Jell packages—the end labels naming the flavor—and we will send the entire set.

Loganberry and Pineapple are two dessert flavors which we particularly want you to try. They are flavors which must be sealed to keep. So they were impossible in old-style gelatine desserts.

In Jiffy-Jell the fruit-juice essence comes in liquid form, in vials. So with all fruit flavors. There is a wealth of the real-fruit flavor, condensed from the fruit itself.

Include Loganberry, Pineapple, Lime and Mint in your purchase of Jiffy-Jell. Learn the delights of these liquid flavors. They have won millions of housewives to Jiffy-Jell.

## D. W. GRIFFITH'S

### "A Romance of Happy Valley"

A PAGE FROM THE BOOK OF LIFE

An Arctcraft Picture

It is D. W. Griffith's, so of course it's a Big New Idea!

"A friendly little story of Kentucky folk," that's what D. W. Griffith calls his newest Arctcraft Picture.

Just like calling the Woolworth Building "a tidy little shack;" like describing New York as "a busy little village;" the same as saying "a nice piece of property" when you mean the United States of America.

In "A Romance of Happy Valley," Mr. Griffith has gone far away from war, far from massive spectacles and has laid his story in the land of his boyhood, and with his genius he shows the bigness and the narrowness of the cross roads folk.

A brilliant study of homespun humanity.

A-throb with the pulse of plain people.

Glowing with love and faith and humor.

Stirring with the tumult of passions unleashed.

With a cast including Lillian Gish, Robert Harron, George Fawcett, Kate Bruce and other brilliant Griffith players.

A play with the most astounding, most heart-wrenching dramatic climax ever portrayed on stage or screen.
