FRANCE REBUILDING MERCHANT MARINE

Havre, Oct. 2.—Shipbuilding yards along the French Atlantic seaboard are restoring French merchant marine to its pre-war status. Vessels aggregating 511,180 tons are under construction. These include nine liners for passenger trade totalling 97,000 tons. One of the ships is the Paris, a sister ship to the French which recently made her first trans-Atlantic voyage.

EASIER NOW THAN LATER

It is easier to break up a cold or check a cough now than it will be later. Persistent bronchial coughs that "hang on" all winter pave the way for serious throat and lung diseases. L. W. Day, 65 Campbell Av., E., Detroit, Mich., writes: "Foley's Honey and Tar relieves one of bronchitis very quickly. I hope never to have it again." This reliable family medicine for the relief of coughs, colds, croup, hoarseness, etc., contains no opiates. Children like it. Sold Everywhere.
