Now Comes Fall

—and you move indoors. The wonderful freedom of Summer—is ended. Won't it seem queer?

But say! You put a New Edison in your living-room! Watch an entire new world open up.

All the exhilaration and joy that lies in music! All the brilliance in opera's greatest voices!

All the sweetness in the songs you love! All the pep in the jazz you crave!

All is stored up in THE NEW EDISON "The Phonograph with a Soul"
