

LOCAL AND PERSONAL

J. J. Smith is a recent arrival from Idaho and states he will remain for a definite time. He is the father of Mrs. Solomon and will be with her.

J. W. Brown surprised his friends by showing up the other day. He had been in Portland for some time but because of poor health and the consequent inability to work he decided to come home. He was caught out in the quarantine last week but stopped off at Silver Creek and visited with his niece, Mrs. Harry Williams, until Alex Hanley and his wife found he was there and they went after him.

Mr. and Mrs. Jean Bathrick were up from Denio for a few days this week guests at the home of Mr. and Mrs. J. E. Rounseville. Mr. Bathrick informs The Times-Herald that Mrs. Mart Alberson died at her home near Denio the fore part of this week from pneumonia. So far as he was informed there were no cases of Spanish influenza in that neighborhood at the time of his coming up. Mrs. Alberson having been ill with pneumonia for about three weeks before her death.

HURT IN AN AUTO ACCIDENT.

A. D. Jones, M. J. Clapp and Will Sargeant met with an accident yesterday forenoon while coming to town from the oil well. They were in the line just out of town and coming rapidly when they struck some rough ground and the car ran to one side where it was sideling and turned over. All three occupants were hurt more or less but not dangerously. Mr. Jones had a bad cut under one eye which required some stitches to close up besides his neck was hurt. Mr. Clapp was also knocked unconscious and is carrying a badly bruised face. The other occupant, who we understand was driving, had his face skinned up more or less but was the least hurt.

CELEBRATED TOO EARLY AND MUST BE DONE OVER.

Thursday afternoon and evening reminded one of the old time days in Burns when everything was "wide open" and the boys considered it the proper thing to celebrate everything with booze. At any rate, upon a wire being received that Germany had signed the armistice and that the war was over, the word went round that the lid was off and the authorities disappeared. It was then that the bootlegger got his innings and the boys started things. It was some hilarious time and the celebration was a complete success from that standpoint.

Now comes the report that it was a mistake and that the German representatives had not even reached the headquarters of Gen. Foch at that time, the armistice not having been signed and no authentic report as to when it will be, therefore the boys will have to do it all over again. Regardless of whether the armistice is signed or otherwise, the time is not far distant when the allies will celebrate the downfall of Germany, so before Denio gets off the map because of Nevada going dry another supply had better be secured.

Next year men's straw hats are to be greatly restricted in style and variety by government regulations. But next June is soon enough for us to be unhappy about it.

History repeats itself. So does human nature under conditions of terrific strain. The Red Terror in Russia in its cruelty and heartlessness rivals the Reign of Terror in the French Revolution.

While the "flu" had closed up everything America had a chance to sit at home evenings and get acquainted with its family and its library.

**CALIFORNIA MAN GAINS 18 POUNDS
Smith Feels Like New Man Since Taking Tanlac—Suffered Thirty Years**

One of the strongest and most convincing evidences of the popularity of Tanlac throughout America is the large number of letters that are being received daily from well known men and women, telling of the remarkable results they have derived from its use.

Among the many received in the past few days is one from John Smith 313 Eighth Street, Richmond, California which is especially interesting. Mr. Smith states that he had suffered for twenty years, with his stomach, liver and kidneys, and had reached the point where he wished each breath would be the last. He also says that when he began taking Tanlac he weighed only one hundred and sixty-six—making a gain of eighteen pounds—and that he feels like a new man. Following is his letter in full:

"To whom it may concern: 'I, the undersigned, can truthfully say that the wonderful medicine known as Tanlac has done more for me in thirty days time, than any other medicine I have ever taken before in all my life. I have been a sufferer from stomach, liver and kidney troubles for twenty years. I have taken six bottles of Tanlac, and today I feel like a new man."

"Before I started using Tanlac it didn't make any difference what I would eat or drink, it distressed me so much that I wished the next breath would be my last. Also when I started taking this wonderful medicine, I only weighed one hundred and forty eight pounds. Today I weigh one hundred and sixty-six pounds—have and am still gaining. Also before taking Tanlac I couldn't sleep either night or day, but now I average about nine hours steady sleep and I have an appetite like a horse. I am now fifty years of age and I can't praise Tanlac too much for what it has done for me."

Tanlac is sold in Burns by Reed Bros., and in Crane by the Vale Trading Co. Adv.

NOTICE OF GUARDIAN'S SALE OF REAL PROPERTY

Notice is hereby give that by virtue of an order of sale duly made and entered in the County Court of County, on the 19th day of October, the State of Oregon, for Harney County, on the 19th day of October, 1918, licensing, empowering and directing the undersigned, guardian of the persons and estates of Grant Struck, Alice Struck, Fannie Struck and Thomas Struck, minors, to sell the real property belonging to said minors, I will, from and after the 30th day of November, 1918, proceed to sell at private sale the following described real property, to wit:

The east half of the northeast quarter of section nine (9), in township twenty-three (23) south of range thirty-one (31), east of the

Willamette Meridaan, in Harney County, Oregon, containing eighty (80) acres, more or less, together with all water and water rights appurtenant thereto.

The terms of sale are: purchaser to assume and pay the mortgage of \$2000.00 now against said real property and make payment in cash of at least the further sum of \$3000.00, balance of purchase price to be paid on or before five years with interest at 6 per cent per annum, secured by second mortgage on said land, or such other terms as said guardian may deem to be the best interest of said minors. Bids for the purchase of said real property may be submitted to and left with my attorney J. S. Cook, of Burns, Oregon.

ZEPHA STRUCK, Guardian.

How a Salesman Suffered.

R. J. Porter, Sterling, Col., writes: "I suffered with a painful, weak back. As a traveling salesman I had to stoop frequently to pick up my grips, and the pain when I straightened up was awful. I was induced to try Foley Kidney Pills. Relief was immediate. Say, they are great." Prompt and tonic.—Sold by Reed Bros.

The saying "few die and none resign" does not apply in Germany. Many are dying at the front and resignation seems to be the favorite occupation in official circles.

For Sale—40 acres adjoining Burns. See J. J. Donegan.
