"Missouri is knocking for admission into the great republican circle o states."-St. Louis Globe Democrat.

Some of the Bryan papers delight to cartoon Roosevelt in the rough ride costum with a double row of glisten ivories. Teddy does show his teeth when democratic follies and fallacie are his text.

formed a club to work for the election of McKinley and Roosevelt, and have chosen for their motto "Let Well Enough, Alone." The amusement fraternity have no desire to return to the

in February 1899, there have been th turned in to the county clerk of this county 218 scalps; 54 in the past three months. The total number of scalps paid for by the state during the past three months is 6.369, and 45.826 since February, 1899. These scalps have cost the state over \$90,000 but it has rid the country of many coyotes, wild cats, etc.

Some people express surprise that Wm. Colvig and other prominent demo crats are now supporting McKinley. There is now ground for surprise that these old time democrats are in the republican ranks in 1900. The republican party on two of its great issues occupies the ground which the demo cracy held in its great days. When the democratic party was the dominant with consumption. This disease may give you. You will find Scott Griffin at power in the country its two leading commence with an apparently harmless his Hay, Floor, Feed and Seed Store. planks were honest money and ex- cough, which can be cured instantly by Cor. 6th and I streets, Grants Pass, Ore. pansion. For sale by all druggists.

Some of the Bryanites are expressing surprise that ex-Secretary Carlisle should have come over to the Republicans in this campaign. There is no occasion for surprise, however. Mr. Carlisle belongs to the old Democracy He is a disciple of Jefferson, Jackson and Benton. He believes in honest money, the sort of money which will be worth 100c on the dollar under at conditions. When he was in Cleve land's Cabinte he, as well as his chief and all the rest of the members of the Cleveland council, fought for this kind of money, and against the sort which is proposed by Bryan and his copartners at the present day.

"The most undignified spectacle ever presented in a political campaign, is that of Gov. Roosevelt heading a band of ruffins while canvassing for vice president. Put such is modern republicanism."—A Grants Pass correspondent to the Medford Enquirer.

We do not know who this correspond ent is but his statement is entirely without truth. When the supporter of Bryanism are driven to resort to such statements as the above the collapse of the Bryan cause is certainly not far off. We would suggest however that the only "bands of ruffians" which Gov. Roose velt has had to deal with was first, at Victor Colorado, where he was atacked by a mob and later in Hilnois where he was again attacked by a similar mob for dearing to lay bear the fallacies of Mr. Bryan's financial and expansion pollicies.
