GODWIN.

GODWIN, TENN., August 2, 1897.—Business in our little burg is pretty good. R. H. Haven is building a blacksmith and wagon shop. Mr. Jack Marshall will run it and is prepared to do all kinds of repairing for the farmer. M. E. Allen shipped a load of stock from here to Louisville, Saturday. W. H. Cook also shipped a car load of hogs to Louisville. R. B. Dougherty, the wheat man, has been very busy shipping grain and has shipped 2,000 bushels or more in the last month. Mrs. A. B. Dougherty and son, Albert, are visiting relatives in Washington, Illinois. They expect to be gone until September. R. H. Haven had a fine colt killed recently by the train. Mrs. Armstrong and family are rusticated at Primms Springs. We are reliably informed that the turnpike question is finally settled. Mr. Rainey, we are informed, will build the pike up to charter, and we sincerely hope that will put an end to any further trouble. The men at work on the railroad bridge across Duck river are getting along very well. Mr. S. R. Armstrong returned from Primms Saturday. Guess we can live under the Dingley tariff if others can, but can't say we are stuck on it. We must close as news is scarce.

REWARD.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer the Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by Druggists, etc. Hall's Family Pills are the best.

BEN.

BEN, Aug. 2.—A horse belonging to Mr. J. E. Hoffman, while out grazing, was kicked by another horse and had his hind leg broken very badly. Mr. J. W. Hicks, we are sorry to say, is quite sick at this writing. Mr. Volney is convalescent. Mr. Will Buchanan, of Nashville, visited the home of Mr. and Mrs. P. A. Grant Saturday and Sunday. Mrs. Stubbs and daughter, of Nashville, were the guests of Mrs. H. C. Linck recently. Mr. Ltsinger, of Texas, is with Ben friends at this time. Miss Fannie Buchanan, after a protracted visit to relatives at this place, has returned to Nashville, where she will spend a week or two and then return to her home in Vicksburg, Miss. Rev. Bingham and wife, of Arkansas, are the guests of Mr. W. C. Joyce at present. Rev. Eshman, of Timmons, filled the pulpit at Concord Sunday. The protracted meeting will convene at Concord the 3rd Sunday in August. Services will be conducted by Rev. Hudson. PORTIA.

Don't thin your blood with sassafras or poison it with blue-mass; but aid nature by using DeWitt's Little Early Risers, the famous little pills for constipation, biliousness and stomach and liver troubles. They are purely vegetable. A. B. RAINS.

LEFTWICH.

LEFTWICH, Aug. 2.—Here we are again after an absence of a few weeks. Mrs. Sam Miller and little children of Texas, are visiting Mrs. Miller's parents, Mr. and Mrs. George Craig. They intend spending the summer with Tennessee friends. The attendance at Antioch last Sunday was quite small, on account of so many attending the meeting at Smyrna. The families of Mr. Benj. Thomas, Prof. D. T. Harris and Mr. Moore, of Hurricane, and Mr. John and Gentry McLean, of Berlin, Mr. John Gillespie and Mr. Laurie Berry, put up a tent on the farm of Mr. Hardin Mayberry and, with a number of guests, spent last week very pleasantly. They spent much of their time fishing. Little Miss Wright, of Groveland, is spending this week with her sister, Mrs. Wallace Sowell. Dr. Braxter was called last week to the bedside of his brother, who died in Nashville Thursday night after his arrival. We deeply sympathize with him in his sad bereavement. Messrs. George and Wilburn Tindell went to Nashville last week to attend the Centennial. Prof. T. J. Knobis begins his school at Forest Grove Monday. We feel sure that he will succeed, as he is a competent teacher. Several of the people from this neighborhood have been attending the sanctified meeting at Lillard's Mill. There was an ice-cream supper at Forrest Grove last Thursday night, which was enjoyed very much by the young people who attended. With a shower of good wishes, we are, MAUD AND BLANCHE.

Garwood's Sarsaparilla—for the blood—guaranteed to cure. A. B. RAINS

CAMPBELL'S STATION.

CAMPBELL'S STATION, Aug. 2.—Last Monday, just at the noonday hour, God sent the chilly Messenger of Death for the spirit of Mr. James Buckner Clark. Deceased was born June 15, 1871, and died July 28, 1897, being in the 27th year of his age. On Oct. 15, 1886, he professed religion and united himself with the Christian church at this place, and has since lived a zealous, consecrated and upright Christian life. He was a young man of rare qualifications, always possessing a devout affection for his beloved parents, who are nearing the sunset of life; he was a faithful Bible student, ever ready to lend a helping hand to the advancement of Christianity and to assist his friends to a higher plane of life. The church which he loved has lost one of its most influential members, and the community at large a noble-hearted, true and manly citizen. Though his presence has vanished from among us as a vapor on a summer morn, his influence shall linger forever. The funeral services were conducted by Rev. Rufus McClaren, of Lynnville, in the Christian church, on the morning of the 27th, after which the remains were conveyed to Mooresville, Tenn., for interment. Deceased leaves an aged father, mother, three brothers and two sisters, to mourn his most untimely departure. The writer extends his heartfelt sympathy in the dark hour of

sorrow to the grief stricken ones. May God's richest grace ever comfort and cheer you on your pilgrimage here, and when you, too, are called may there be sweet rejoicing and a blessed reunion with your loved one gone on before. Messrs. Hal and Tom Peoples left for Texas last Tuesday on a prospecting tour, with a view of locating. Miss Annie Owens, of Franklin, and Miss Craig, of Brentwood, went with their schoolmate, Miss Nannie Redding, several days last week. Miss Waters, of the Lewisburg Institute facility, left for her home after a week's visit to her friend Miss Alvie Gray. Misses White, of Nashville, spent last week with their grandmother, Mrs. C. A. White. Mr. Jim Porter, of Florence, Texas, is on a visit to his brother, Jeff and Bill Porter. May Martin, of the L. & N. bridge crew, came in Saturday from Bowling Green, Ky., on account of a bad wound received the day before by a falling crow-bar striking him in the face. He hopes to be able to return in a week or so. Messrs. Frasier and Allen, of Timmons, spent part of last week with friends here. They were accompanied by Mr. F. Frasier and family. Miss Maud Coggin, of Godwin, visited relatives for a few days last week. Miss Ellie Hobbs accompanied her home for a few days visit. Prof. Norfleet Figuers, of Columbia, began school in the public school building last Monday. His assistant has not as yet been selected. The professor is a young man whom the patrons may feel proud of securing. As the editor, no doubt, is already worried with our chat, we will desist, with a hearty greeting to each of the host of correspondents, although I am not being punctual, I fear you will hardly recognize me still. I shall ever feel a profound interest in your personal welfare and your success in newspaperdom. Your interesting letters should never cease to reach the columns of a paper whose editor's motto causes his pen ever to advocate the principles of morality in all places. I beg to remain your friend, JIM DANDY.

When a man owns a blooded horse he is always careful of its health. Helooks after its diet and is particular that the feeding shall be regular and right. While he is doing this it is likely as not that he is himself suffering from some disease or disorder. When the trouble gets so bad that he cannot work, he will begin to give himself the care he gave the horse at the start. Good, pure, rich, red blood is the best insurance against disease of any kind. Almost all diseases come from impure or impoverished blood. Keep the blood pure and strong and disease can find no foothold. That is the principle upon which Dr. Pierce's Golden Medical Discovery works. It cleanses, purifies and refreshes the blood, puts and keeps the whole body in perfect order; makes appetite good, digestion strong, assimilation perfect. It brings ruddy, virile health. It builds up solid, wholesome flesh (not fat) when, from any cause, reduced below the healthy standard.

SUNNYSIDE.

SUNNYSIDE, Aug. 1.—The recent rains have detained the farmers in this section to some extent, causing them to be unusually late getting the wheat crops threshed; however, they are at work with all force while the sun shines; four threshers in our community last week. Miss Lelia Buchanan, of your city, spent week with her sister, Mrs. W. B. Matthews. Misses Meda and Willie Baltzell, of Montgomery, Ala., are the guests of Miss Olivia Barrow. Master Eddie Thomas, who had the misfortune of falling from a harrow and breaking both bones in his leg, we are glad to say is improving rapidly. The Doctors think now he will be able to be out in a few weeks. Miss Annie Freeman will open school at this place Aug. 2. Miss Pearl McCain and Mr. C. E. Matthews spent a portion of last week with Mr. and Mrs. J. H. Thomas. Mrs. J. S. Matthews is spending this week with home folks at Groveland. Mr. Coffey, of the Lone Star State, is visiting relatives here at present. Mrs. Frank Wilsford is somewhat indisposed. Mr. and Mrs. John Neelley honored the young people with an ice cream supper Friday night. Those present spent a pleasant evening. Miss Hallie Brumbach and brother, of Sheffield, Ala., are visiting P. P. Brumbach and family. Mr. Will Wilsford, of Giles County, is with his brother Frank, at this writing. Messrs. Williams and Mullens, Misses Estelle and Carrie Williams and Adene Marshall, of Franklin, visited A. L. Emerson and family last week. Miss Berton Pugh is with her sister, Mrs. Joe Due, this week. Rev. W. A. Provine preached an excellent sermon at this place Sunday afternoon. Miss Lucretia Due is with Enterprise friends this week. Miss McLean has returned to her home after spending several days very pleasantly with Mrs. Allen Freeman. With many kind wishes to all, we are the same, SINCERE.

Don't neglect a cough because the weather is pleasant; before the next storm rolls around it may develop into a serious difficulty beyond repair. One Minute Cough Cure is easy to take and will do what its name implies. A. B. RAINS.

DARK'S MILL.

DARK'S MILL, Aug. 2.—As this is my first attempt to write to the HERALD, will not consume much of your space, but will send in what few items we have on hand. Misses Nannie and Eoline Walters, of Nashville, are visiting their uncle, Mr. John Mahon. The health of our little community is very good at present. What threshing is nearly over with for this season. Prof. Nolan will begin a protracted meeting at this place next Sunday. We wish him much success. Miss Addie Murphy spent last week with "Raven Locks." Messrs. Clifford and Aubry Jones, of Andrews, spent a few days with their uncle, W. D. Jones. Mr. Jim McCanless got his hand hurt very badly with the threshing Friday. Mr. John Jones took in the Centennial Saturday and Sunday. Rev. W. R. Spivy left Saturday to begin a meeting at Como, Tenn. ZARILLA.

TERRIBLE ACCIDENT.—It is a terrible accident to be burned or scalded; but the pain and agony and the frightful disfigurements can be quickly overcome without leaving a scar by using Dr. Witt's Witch Hazel Salve. A. B. RAINS.

THE TRUE REMEDY.—W. M. Repine, editor, Tiskliwa, Ill., "chief," says: "We won't keep house without Dr. King's New Discovery for consumption, coughs and colds. Experimented with many others, but never got the true remedy until we used Dr. King's New Discovery. No other remedy can take its place in our homes as it will give a certain and sure cure for coughs, colds, whooping-cough, etc." It is idle to experiment with other remedies, even if they are urged on you as just as good as Dr. King's New Discovery. They are not as good, because this remedy has a record of cures, and besides is guaranteed. It never fails to satisfy. Trial bottles free at Wolldridge & Irvine's Drug Store. June 14.

MALLARD.

MALLARD, August 4.—On reading the HERALD two weeks ago our hearts were made sad to see the notice of the death of our dear friend, Mrs. Travis Boyd (nee Miss Beulah Spivy), of Lynnville. Deceased was a sweet christian girl, and it indeed looks hard for one so young and with such a bright future to be cut down in the prime of life; but God knows best. She leaves a father and sister to mourn her loss.

"Raven Locks" and better half, and Mr. and Mrs. George Kelly spent last week at Sun Rise, Hickman County. We attended Rev. Mr. Gupton's meeting at the Tennessee mines while there. Protracted meeting begun at New Lasea last Sunday. Brother Elam is doing the preaching. Mr. Lish Kelly, of Hickman County, is on an visit to his brother, Mr. George Kelly, of Dark's Mill. Mr. Jeff Derryberry is all smiles over the arrival of a fine boy at his home. Miss Maggie Bowers, of Kentucky, is the guest of Mr. Jas. Price and family. Mr. Frank Moore and wife, of Nashville, are visiting Mrs. Moore's mother, Mrs. Young.

Mr. Dave Kincaid, of Lynnville, is visiting Mr. Mallard, at this writing. Mr. Alex. Forks was quite sick last week. Mrs. Sallie Price is very sick at this writing. "Raven Locks" guest this week are, Misses Addie Spivy and Addie Murphy, of Dark's Mill. Mr. J. D. Derryberry and family are at Lasea this week. Miss Lillie Brown, the HERALD'S "Lonely Flowers," of Neapolis, was at our home last week. Quite a number from here attended preaching at Lasea last Sunday. There was no preaching at this place last Sunday, owing to the protracted meeting at Lasea. Mr. and Mrs. Yaxious have our remembrance at Nashville this year, as we did not get to attend last year. Brother Green filled his appointment at Beech Grove last Sunday. RAVEN LOCKS.

WEST POINT.

WEST POINT, Aug. 2.—While Zula is away I will send into her sanctum and write a few items hurriedly, lest she, returning, find me here and scold me unmercifully, for I am quite sure she has but little patience with modifiers. The ladies of this place will serve ice cream on Friday night, the 13th inst. They cordially invite their friends to attend and aid them in a worthy cause. Mr. and Mrs. John Bassham have gone to quaff the sanative waters at Primms for a week or so. Miss Ida Mai Fitzgerald is in Nashville, visiting friends and taking in the wonders at the State Fair. Irvine Galloway and Bruce Passmore have returned to their respective homes after seeing many things of interest at the Centennial. Last week Mr. Jim Haywood found one of his best mares in the pasture with one of her hind legs broken. Our school is moving off nicely under the supervision of Mr. D. W. C. Dodson. Brother Waynick will preach here both morning and evening of the second Sabbath in August. Brother Dale began a series of meetings at Lasting Hope last Saturday. The protracted meeting will begin at Knob Creek on Wednesday preceding the fifth Sabbath in August. Let us take note of these precious seasons of grace and govern ourselves accordingly. Mrs. Charley Nichols, Mrs. Taylor Walters and uncle Eli Sellers are still on the sick list, but we are glad to report them convalescent. We are in sympathy with one of our neighbors. The doctor has been visiting an inmate of this home for quite a while. Recently the case has become very virulent and developed into contagious "heart trouble," and they say the doctor himself is very seriously inoculated. If he does not soon get rid of this trouble in his breast—well, I declare I must go. Zula will tell you the rest. KIAMITY.

Garwood's Sarsaparilla—for the blood—guaranteed to cure. A. B. RAINS. DODSON'S ACADEMY. DODSON'S ACADEMY.—This beautiful Sunday eve finds us trying to write for the HERALD. Rev. S. M. Superior Disc Press Drill

Is the only perfect seeding machine, from the fact that it has the only feed that cannot be clogged by straws, straw, or other foreign substance, consequently an even distribution of the seed is driven from both sides; has disc openers for making furrow for seed, insuring an even depth and proof against freezing. The rolling discs lessen the draft one-third; will sow in trashy ground where a drag drill will fail. It is the only machine with two separate and distinct feeds for wheat and oats, and is the only grain drill ever offered that will sow a stand of Burt oats; and has other points of superiority, too numerous to mention.

John Deere Red Cross Steel Plows.

With Chilled Points, Steel Frog, and Double Shin. This is our second year handling this plow. We have tested it thoroughly and find it superior to anything ever sold in the Columbia market as to draft, quality of work, and will shed where others fail.

We carry in stock all the leading sizes of this well-known cutter, and will shortly add to our line the improved Dick cutter, with pneumatic elevator, something entirely new, novel and convenient.
